October 16 to 21.

Don't Miss It.

## You Are Invited.

You are invited because you are really wanted. The merchants of Summerton have all joined in together and you are invited by them to be in Summerton October 16 to 21. You are welcome and wanted all the time, but don't fail to be there for the Week of Bargains—a Carnival of cut prices. Better goods of greater variety, sold cheaper than you ever heard of before.

"No" Is Unique.  
"It seems odd that the English alphabet, out of which can be constructed several thousands of words, contains just one word formed by the letters in their present order," remarked the observant young man. "That word is 'No.' You can look the alphabet over, and you won't find any other combination of vowel and consonant characters that will form a word. The nearest approach is 'ab,' which by straining a point might be considered an abbreviation of 'Abraham,' or 'HI,' which might answer as short for 'Hiram.' But 'No,' one of the shortest words in the language, is the only bona fide word formed in the arrangement of the alphabet's twenty-six characters."—Philadelphia Record.

### A Splendid Idea.

A new idea in a Cough Syrup is advanced in Kennedy's Laxative Honey and Tar. Its sides containing Pine Tar Honey and other valuable remedies, it is rendered Laxative, so that its use insures a prompt and efficient evacuation of the bowels. It relaxes the nervous system, and cures all coughs, colds, croup, whooping cough, etc. A red clover blossom and the honey bee is on every bottle of the Griginal Laxative Honey and Tar. An ideal remedy for children. Mothers praise it. It is best for all. Sold by The R. B. Loryea Drug Store.

### Pullins Ostrich Feathers.

A man who runs an ostrich farm, asked the other day as to the method of gathering the feathers, admitted that they were pulled out of the birds once in every eight months. Was the process painful?

"Well," he replied, "about equal to pulling out your eye-teeth." A good many ladies who wear ostrich feathers do so in the belief that they are thereby serving the cause of humanity. As a matter of fact, they are encountering the most cruel and barbarous torture which man can inflict upon a bird.—Sporting and Dramatic News.

### How to Cure Corns and Bunions.

First, soak the corn or bunion in warm water to soften it; then pure it down as closely as possible without drawing blood and apply Chamberlain's Pain Balm twice daily, rubbing vigorously for five minutes at each application. A corn plaster should be worn a few days to protect it from the shoe. As a general liniment for sprains, bruises, lameness and rheumatism, Pain Balm is unequalled. For sale by The R. B. Loryea Drug Store, Isaac M. Loryea, Prop.

### Peculiar Occupations.

The trade of toothstainer, followed in eastern Asia, is as old a calling as any. The natives prefer black teeth to the whiter kind, and the toothstainer, with a little box of brushes and coloring matter, calls on his customers and stains their teeth. The process is not unlike that of blacking a boot, for a fine polish is given to the teeth. The pigment used is quite harmless. In Arabia the trade of "gossiper" has many followers. The "gossiper" collects all the news, "tittle-tattle" jokes and stories he can get hold of and then goes from house to house retailing them. If he has a good manner and can adapt his recitals to his audience he makes a very fair income.

### For All Kinds of Piles.

To draw the fire out of a burn, heal a cut without leaving a scar, or to cure boils, sores, tetter, eczema and all skin and scalp diseases, use DeWitt's Witch Hazel Salve. A specific for blind, bleeding itching and protruding piles. Stops the pain instantly and cures permanently. Stops the pain instantly and cures permanently. Get the genuine. Sold by The R. B. Loryea Drug Store.

Effect of Arsenic on the Face.  
The slow absorption of many poisons changes in some more or less modified form the complexion, but arsenic and ammonia show their effect about as quickly as any. The popular belief that arsenic clears the complexion has led many silly women to kill themselves with it in small, continued doses. It produces a waxy, ivory-like appearance of the skin during a certain stage of the poisoning, but its terrible after effects have become too well known to make it of common use as a cosmetic.

It makes no difference how long you have been sick. If you are troubled with indigestion, constipation, liver and kidney troubles, Hollister's Rocky Mountain Tea will make you well. 25 cents. Dr. W. E. Brown & Co.

### Personal.

Jiggs—Every time I go along this road at night I am startled by the apparition of a jackass. Jiggs—You ain't the only man that gets frightened at his own shadow.—Chicago Journal.

### He Knows Now.

T. H. Barber, a large cotton planter of South Carolina, said: "For ten years I suffered with severe headache, regular splitting, unfitting me for business and putting me in bed. I find only Lee's Headache and Neuralgia Remedy never fails to cure me promptly."—A scientific cure.

## The Secret of Good Coffee

Even the best housekeepers cannot make a good cup of coffee without good material. Dirty, adulterated and queerly blended coffee such as unscrupulous dealers shovel over their counters won't do. But take the pure, clean, natural flavored **LION COFFEE**, the leader of all package coffees—the coffee that for over a quarter of a century has been daily welcomed in millions of homes—and you will make a drink fit for a king in this way:

### HOW TO MAKE GOOD COFFEE.

Use **LION COFFEE**, because to get best results you must use the best coffee. Grind your **LION COFFEE** rather fine. Use "4 tablespoons to each cup, and one extra for the pot." First mix it with a little cold water, enough to make a thick paste, and add white of an egg (if egg is to be used as a settler), then follow one of the following rules:  
1st. **WITH BOILING WATER.** Add boiling water, and let it boil **THREE MINUTES ONLY.** Add a little cold water and set aside five minutes to settle. Serve promptly.  
2d. **WITH COLD WATER.** Add your cold water to the paste and bring it to a boil. Then set aside, add a little cold water, and in five minutes it's ready to serve.  
3. Don't let it stand more than ten minutes before serving.  
**DON'TS:** Don't use water that has been boiled before.  
**TWO WAYS TO SETTLE COFFEE.**  
1st. With Eggs. Use part of the white of an egg, mixing it with the ground **LION COFFEE** before boiling.  
2d. With Cold Water instead of eggs. After boiling add a dash of cold water, and set aside for eight or ten minutes, then serve through a strainer.

Insist on getting a package of genuine **LION COFFEE**, prepare it according to this recipe and you will only use **LION COFFEE** in future. (Sold only in 1 lb. sealed packages.) (Save these Lion-heads for valuable premiums.)

## SCROFULA A Disease We Inherit

The tainted blood of ancestors lays upon the shoulders of innocent offspring untold suffering by transmitting to them, through the blood, that blighting disease, Scrofula; for in nearly every instance the disease can be traced to some family blood trouble, or blood-kin marriage which is contrary to the laws of nature. Swelling, ulcerating glands of the neck, catarrh, weak eyes, sores, abscesses, Scrofula appeared on the head of my little grandchild when only 18 months old, and spread rapidly over her body. The disease next attacked the eyes and we feared she would lose her sight. It was then that we decided to try S. S. S. That medicine at once made a speedy and complete cure. She is now a young lady, and has never had a sign of the disease to return.  
150 S. 5th St., Salina, Kan. Mrs. R. BERRY.  
This miserable disease manifests itself. The poison transmitted through the blood pollutes and weakens that health-sustaining fluid and in place of its nutritive qualities fills the circulation with scrofulous matter and tubercular deposits, often resulting in consumption. A disease which has been in the family blood for generations, perhaps, or at least since the birth of the sufferer, requires constitutional treatment. S. S. S. is the remedy best fitted for this. It cleanses the blood of all scrofulous and tubercular poisons, makes it rich and pure and under the tonic effects of this great blood medicine the general health improves, the symptoms all pass away, there is a sure return to health, the disease is cured permanently while posterity is protected. Book on the blood and any advice wished, furnished by our physicians, without charge.

### Fitted For the Business.

"Have you ever had any experience in canvassing for subscription books?" asked the man at the desk.

"No, sir," said the applicant for a job. "But I can put up a good talk."

"Well, take a copy of this work and go and see if you can get an order. I'll give you half a day to make the trial."

The applicant went away. In an hour or two he returned.

"What luck?" inquired the man at the desk.

"I've got an order for this book in full morocco from your wife, sir."

"The dence! You'll do, young man."—Chicago Tribune.

### A Pleasure to All.

No Pill is as pleasant and positive as DeWitt's Little Early Risers. These famous little Pills are so mild and effective that children, delicate ladies and weak people enjoy their cleansing effect, while strong people say they are the best liver pills sold. Sold by The R. B. Loryea Drug Store.

### The Greatest Things Are the Simplest.

The trouble with us is that we look too high and too far away for our chances. We forget that the greatest things are the simplest. In hunting for roses we trample the daisies under our feet. We are blind to the chances and blessings near us because we are looking so far away for them. Everything depends upon the power of the mind to see opportunities. It is the eye that can see the chance, the pluck and determination to lay hold of it and wring from it every possibility that we lack rather than the chance "to make good."—Orison Sweet Marden in Success Magazine.

### The First Steamships.

The first steamship appeared on the Hudson in 1807 when Robert Fulton proved the possibility of steam navigation with the famous little Clermont. Ten years later the first steamboat appeared on the Ohio and Mississippi, and in 1827 the Chancellor Livingston made her first run through Long Island sound from New York to Providence. In those days the ordinary steamboat was about as large as a good sized modern tugboat, and among them the Chancellor Livingston, 157 feet long and 33 wide, was a veritable giant. All these vessels were propelled by paddle wheels.

### Don't Be Imposed Upon.

Foley & Co., Chicago, originated Honey and Tar as a throat and lung remedy, and on account of the great merit and popularity of Foley's Honey and Tar many imitations are offered for the genuine. These worthless imitations have similar sounding names. Beware of them. The genuine Foley's Honey and Tar is in a yellow package. Ask for it and refuse any substitute. It is the best remedy for coughs and colds. The R. B. Loryea Drug Store, Isaac M. Loryea, Prop.

### Experts.

At the trial recently of a man charged with robbery at Manchester, England, according to the London Globe, it was announced that the lock of his cell door would have to be picked by a locksmith before he could be brought into the dock. While the artifice offered expert criticism and encouragement from the inside. He did not think much of the bungling amateur. There was a similar instance not long ago in Lancashire. The officials being unable to open a safe in court, a barrister, who had just got a prisoner off for burglary, suggested that his client would open it for them. This he did instantly with a piece of string and two hairpins.

### The Election.

These conditions determine the trouble. The cure is certain—a good thorough course of Dr. King's Blood and Liver Pills (they purify the blood and energize the liver) is a spring house-cleaning—thoroughly renovates and cleans the system and is followed by Dr. King's Sarsaparilla you are ready for the wear of summer work and fitted for it. The price of these best of all Pills is 25c. There are none so good as Get from Dr. W. E. Brown & Co.

### Free Fiction.
