This is the season of listlessness, headaches and spring disorders. Hollister's Rocky Mountain Tea, is a sure preventative. Makes you strong and vigorous. 35 cents, Tea or Tablets. W. E. Brown & Co.

The Paxville school closed last Friday, on account of the understanding. The dispensary fund is supposed to furnish the public schools with a large amount of money and here in a prosperous section of a dispensary county a public school closes in March for a lack of money.

A Badly Burned Girl or boy, man or woman, is quickly out of pain if Bucklen's Arnica Salve is applied promptly. G. J. Welch, of Tekonaha, Mich., says: "I use it in my family for cuts, sores and all skin injuries, and find it perfect." Quickest Pile cure known. Best healing salve made. Sold at The Arant Co. Drug Store, successors to The R. B. Loryea Drug Store.

A Warning to All Holders of Spot Cotton. The last and final report of the ginners puts the crop of 1905 at 10,000,000 bales, after deducting round bales, unders and average weight per bale of previous years. This information with the farmers holding the balance of the crop, shows that the balance needed for actual consumption this year, judging by last year's consumption and with outstanding contracts by the mills to deliver goods. Farmers, if you will only realize the situation and hold to your cotton you are certain to see the 15 cents asked for by the Association.

It is impossible for me to get over the county as fast as three well paid cotton buyers. But I advise you to hold every bale of cotton for 15 cents and turn none loose for less, and the victory, which means so much for the South is then won. Listen to no argument that will get from you your cotton. Stick out for 15 cents and swing to every bale with a deathlike grip. Watch their movements and you will be convinced that the time is now here for the fight to the finish. D. Houser, President Clarendon Association.

Gambler's Salve. This salve is intended especially for sore nipples, burns, frost bites, chapped hands, itching piles, chronic sore eyes, granulated eye lids, old chronic sores and for diseases of the skin, such as tetter, salt rheum, ring worm, scald head, herpes barbers' itch, scabies, or itch and eczema. It has met with unparalleled success in the treatment of these diseases. Price 25 cents per box. Try it. For sale by The Arant Co. Drug Store, successors to The R. B. Loryea Drug Store.

The tissues of the throat are inflamed and irritated; you cough, and there is more irritation—more coughing. You take a cough mixture and it eases the irritation—for a while. You take

SCOTT'S EMULSION and it cures the cold. That's what is necessary. It soothes the throat because it reduces the irritation; cures the cold because it drives out the inflammation; builds up the weakened tissues because it nourishes them back to their natural strength. That's how Scott's Emulsion deals with a sore throat, a cough, a cold, or bronchitis.
