**MERCURY A DECEPTIVE TREATMENT**

Mercury and potash are very deceptive treatments and the blood poison sufferer who depends on them for a cure is sure to be disappointed. These minerals will remove the external symptoms and shut the disease up in the system for a while, but the trouble will surely return and the loathsome symptoms of sore mouth and throat, copper-colored spots, falling hair, sores and ulcers etc., will be accompanied by the disastrous effects of the treatment. The continued use of these strong minerals will completely ruin the health and weaken the system to such an extent that the original disease often becomes incurable and sometimes fatal. Mercury and potash eat out the delicate lining of the stomach and bowels, destroy the gastric juices, producing chronic dyspepsia, cause mercurial rheumatism, salivation, and where they are taken in large quantities cause necrosis or decay of the bones. S. S. S. is the only remedy that can cure Contagious Blood Poison surely and safely. This remedy of nature, made entirely of roots, herbs and barks, antidotes and destroys the powerful virus of the disease and by purifying the blood of every particle of the poison and enriching and strengthening this vital fluid it removes every symptom and leaves the body in a strong, healthy condition. When the blood has been purified with S. S. S. the cure is complete, and not one vestige of the poison is left for future outbreaks. Do not waste valuable time, and damage your health with the mineral treatment, but cure your case with S. S. S., an absolutely safe remedy. We offer a reward of \$1,000 for proof that S. S. S. contains a particle of mineral. Book with instructions for self treatment and medical advice without charge.

How Trees Are Balanced.

A tree grows in perfect balance on every side. When a large branch shoots out on one side, one of equal size or two smaller appear on the other. The roots are balanced in the same way, a large branch on one side being matched by a large root. The center of gravity is thus always perfectly maintained.

Nothing to Fear.

Mothers need have no hesitation in continuing to give Chamberlain's Cough Remedy, to their little ones, as it contains absolutely nothing injurious to give small children, but is a medicine of great worth and merit. It has a world wide reputation for its cures of coughs, colds and croup and can always be relied upon. Sold at The Arant Co. Drug store.

Which Was It?

The governor was puzzled. "Look here," he said, turning to his private secretary. "Can you tell me whether this note comes from my tailor or my legal adviser? They're both named Brown."

The note was as follows:  
I have begun your suit. Ready to be tried on Thursday. Come in. BROWN.  
—Toledo Blade.

We care not how you suffered nor what failed to cure you. Hollister's Rocky Mountain Tea makes the puniest weakest specimen of man or womanhood strong and healthy. 35 cents. Dr. W. E. Brown & Co.

A Universal Rule.

Cheerfulness bears the same friendly regard to the mind as to the body. It banishes all anxious care and discontent, soothes and composes the passions and keeps them in a perpetual calm.

Millions of bottles of bottles of Foley's Honey and Tar have been sold without any person ever having experienced any other than beneficial results from its use for coughs, colds and lung troubles. This is because the genuine Foley's Honey and Tar in the yellow package contains no opiates or other harmful drugs. Guard your health by using any but the genuine. The Arant Co. Drug store.

Deadly Serpent Bites

are as common in India as are stomach and liver disorders with us. For the latter however there is a sure remedy: Electric Bitters, the great restorative medicine of which S. A. Brown of Bennettville, S. C., says: "They restored my wife to perfect health after years of suffering with dyspepsia and a chronically torpid liver." Electric Bitters cure chills and fever, malaria, biliousness, lame back, kidney troubles and bladder disorders. Sold on guarantee by The Arant Co. Druggist. Price 50c.

Women as Travelers.

As a matter of genuine fact women in nine cases out of ten, are better travelers than men are. To begin with, if not so stodgy accurate, although that by no manner of means follows, they are more fluent in modern languages. They chatter in them, say the male things. Ergo, they are the more colloquial, the reader to comment the wiles and extortions of keller or of garcon.—London Gentlewoman.

Wounds, Bruises and Burns.

By applying an antiseptic dressing to wounds, bruises, burns and like injuries before inflammation sets in, they may be healed without maturation and in about one-third the time required by the old treatment. This is the greatest discovery and triumph of modern surgery. Chamberlain's Pain Balm acts on this same principle. It is an antiseptic and when applied to such injuries, causes them to heal very quickly. It also allays the pain and soreness and prevents any danger of blood poisoning. Keep a bottle of Pain Balm in your home and it will save you time and money not to mention the inconvenience and suffering such injuries entail. For sale by The Arant Co. Drug store.

Neighborly.

She—I have not seen you for an age. Herr Doctor, notwithstanding that we live only a few streets apart here in Berlin. I learned with much regret that you've been ill. Herr Doctor—Who told you that? She—My brother wrote me from India.—Fliegende Blatter.

Speaking of the irony of fate, why is it that a man's friends sometimes forget him, but his enemies never?—Terror (Tex.) Transcript.

Passed Examination Successfully.

James Donahue, New Britain, Conn., writes: "I tried several kidney remedies and was treated by our best physicians for diabetes, but did not improve until I took Foley's Kidney Cure. After the second bottle I showed improvement, and five bottles cured me completely. I have since passed a rigid examination for my insurance." Foley's Kidney Cure cures back-ache and all forms of kidney and bladder trouble. The Arant Co. Drug store.
