A MERITED PROMOTION.

Mr. Mason C. Brunson has been appointed Circulation Manager of The News and Courier to succeed Mr. Frank P. Cooper, who has retired from the service of this newspaper...

Mr. Brunson has been employed as one of the traveling representatives of the News and Courier for about three years, and has made good his claim to public confidence and favor by the fidelity with which he has done his work...

Governor D. C. Heyward is now a private citizen. He has turned the helm of the ship of State over to other hands.

The editor of the Florence Times, elected to the legislature as a dispensary man, introduced a resolution declaring for the State dispensary.

The election of Hon. R. S. Whaley as Speaker of the House of Representatives is a fitting recognition of that gentleman's long and valued service as a legislator.

The farmers of our neighboring county, Williamsburg, have asked the legislature to repeal the lien law, without suggesting anything to take its place.

The Western Salvage Co. has been in charge of the Strauss-Rogan Co.'s stock this past week and things have been lively down there.

The Williamsburg farmers also urge the legislature to devise means to require cotton to be packed in cotton bagging. Their appeal for the repeal of the lien law is a matter for the general assembly...

Pinewood News. The new town council has decided at last to employ a town night watchman instead of a day policeman. This new step of the council is heartily endorsed by all...

\$100 Reward, \$100. The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh of the Bladder...

Mr. J. D. Gerald is opening up a stock of goods in the Ervin building. This is a splendid stand and a nice store, and we bespeak him a good business.

We mentioned some weeks ago that we had lost two of our population. This week we are glad to announce that some of the lost ground has been recovered. For particulars inquire of Earnest Tisdale at the depot.

Mr. J. H. T. Coulliette of Panama is in town last week making deliveries of his long staple cotton seed to his customers.

The Summer Pastime Club was organized this week. It may to the uninitiated seem to be a little previous, but this Club proposes to take time by the forelock, and it will take some time to get things in running order.

We note that the Representatives from our section are on committees as follows: Mr. Scarborough, on Agriculture, Penitentiary, and Accounts Committees; Mr. Dingle, on Roads, Bridges and Ferries, Internal Improvements, and Penitentiary Committees.

Mr. August Sherpe, the popular overseer of the poor, at Fort Madison, Ia., says: Dr. King's New Life Pills are rightly named; they act more agreeably, do more good and make one feel better than any other laxative.
