A letter has reached the postmaster at this place from Social Circle, Ga., inquiring for Willie Butler, who at one time lived in Manning, and who married his cousin Ella Butler, a daughter of the late Capt. Y. N. Burdette. The writer of the letter says that Willie Butler inherited by the death of his uncle H. L. Spencer, about \$10,000 and so far all efforts to locate him have failed. The last heard of Butler was in 1894, and we think we saw Butler himself in Charleston just before Christmas. We remember passing Mrs. Butler on Main street in Columbia during the last week of the legislature. If the parties inquiring for Butler will open up a correspondence with the postmaster at Columbia, or the Chief of Police of that city, we are satisfied he will be located, and will be rejoiced to learn of his downfall.

We mentioned last week that it was being mooted to have a dispensary at Pinewood, and this brought about the inquiry, can the dispensary board establish a dispensary in any part of the county? No. The board can only locate a dispensary in an incorporated town not having a provision clause in its charter. Pinewood is incorporated, and has no prohibition clause in its charter. Summerton is the only town in the county that has a charter prohibiting the sale of liquor. The dispensary is not a dispensary at Pinewood, but the matter has been mentioned by some of the citizens of that town, they taking the position that the stuff is being used and sold in that section, and the revenue therefrom goes to other counties, whereas if they must put up with the nuisance the revenue had better go into Clarendon's treasury and thereby lighten our taxes.

A Masonic Tribute.

Whereas, in the inscrutable wisdom of The Great Ruler of the Universe, our esteemed brother, an Entered Apprentice Mason, E. M. Tisdale, was permitted to depart this life on the 24th day of January, 1907, and Whereas, we recognize that death is a solemn event, which surely comes in time to us all, and it matters not whether in the bloom of youth 'before the evil days come and the years draw nigh when we shall say we have no pleasure in them,' if we are prepared for its coming.

Resolved, 1st. That we deplore the loss of our young friend and brother, who was bright and intelligent, generous to a fault; we deplore his death, but we bow in humble submission to an all-wise God.

Tragic End of a Noble Life.

The city Sumter was visited by a fire here yesterday morning. It broke out in the Beck block, opposite the telephone office, and resulted in the death of Assistant Chief Will S. Graham, a son of the late Col. James D. Graham, and the serious wounding of Mr. Robert M. Warren, whose foot was so badly crushed that the leg had to be amputated. Mr. T. P. Lyman had an ankle severely sprained, and several others were more or less injured. The Beck Brothers, H. L. Tisdale, and A. Manheim were the losers of property. Total loss was about \$36,500, with \$15,250 insurance.

The death of Assistant Chief Graham cast a gloom over the city of Sumter, and with the shocking news came a feeling of sadness here, where this noble young man had many friends, and whose father, the late Col. James D. Graham, was beloved by the old soldiers.

Sunday afternoon, another fire broke out in Sumter, this time it was in the depot of the Atlantic Coast Line while the fire department was in attendance. The fire resulted in severely injuring Mr. Eugene Stansell, one of the firemen, and the partial destruction of the depot. The citizens of Sumter propose erecting a monument to the memory of the noble Graham, whose life was sacrificed in the protection of property.

The Judge Uses Forceful Language.

Judge W. B. Simmons of Finacole Va., told the reporter that L. & M. Paint was used on his residence in 1882, and held its color well for 21 years; he furthermore said that 3 years ago he was induced to use another paint and is sorry he did, because the other paint didn't make good. The Judge will now use L. & M. Paint, because he knows if any defect exists in L. & M. Paint the house will be painted for nothing.

The L. & M. Zinc hardens the L. & M. White Lead and makes J. & L. Paint wear like iron for 10 to 15 years. Actual cost of L. & M. about \$1.30 per gallon.
