Miss Riley taught dependent of our conduct in relation to this matter, "The Tithe Is The Lord's," "All the tithe of the land, whether of the seed of and Eva Curtis, attended the the land, or of the fruit of the tree, is the Lord's;" it is holy unto the Lord." I have said that the Lord 'asks" of us one of the tenths he gives us. No! He proclaims his law that the tithe, having the same numerical value as a tenth, but meaning a definite, identical, specific thing, that has come into our possession, is His. The tithe is brought in not primarily because the Lord's treasury may be empty and needing funds. That would be most excellent reason why we should give free will offering of our own store, but there is no reason at all why we should bring in our tithe. The tithilg principle is, a vital. If the tithe is the Lord's what should we do with it? Why, bring it to Him, of, course, and get our untrustworthy hands off of it as soon as possible.

Now as to my evidence given in the last court concerning that case was the truth from start to finish, and I could have said more with the same truthfulness if called on; that's where the shoe pinches. I never made it a practice to lie when a boy and I have not had much to repent for in that line consequently it is too late to try now to learn, especially for such a mun as he
