> F. P. ERVIN. THE MANNING HARDWARE CO. August 1907.

We are closing the tenth year, and entering upon the eleventh of our business life in the Town of Manning, we feel somewhat proud of the material progress of our town and of our aid in making it a commercial center. Ten years ago there was not an exclusive line of goods handled here with the possible exception of dregs, but within that time nearly all the new business has been single lines, we now have exies to be seen at Coffey & Rigby's. clusive grocery stores, exclusive dry goods stores, exclusive hardware stores, the old general line store still continues Just in per express, a big line of to do a thriving business, while the excash trade was done during the sum-mer months. The old-timer used to save his expenses out of purchases for cash to the amount of fifty dollars by going to the city boast that he co (Charleston) to trade and have a little money left to see the sight with. This old fellow returned several years ago with his money in his pocket minus the sight-seeing amount. which he declared you'll get the finest Candy ever sold in it would have been a pity to bring this country. The Manning Grocery back, saying that he could save enough at home-trading to take a pleasant trip

Just arrived several hundred bushels In our line the years have improved Corn and Oats, and we also have a good quantity of No. 1 Timothy Hay.

Legg & Hutchinson.

In our line the years have improved our facilities for catering to the trade most wonderfully, we have added numerous lines to our stock, and our better knowledge and understanding acquired by the years of experience of what the trade demands, enables us to buy such goods as are wanted and to place them in the hands of our custo-

mers at the lowest possible prices.
We are going to make 1907, a recordbreaker in our business. We want every See our beautiful line of Whitman's at our place of business if they want goods in our line we are going to make it to their interest to trade with us, if they do not want any thing we shall be glad to have them call that we may get better acquainted, and we will welcome them and give them any information

at our command. We are particularly anxious to show our goods and to be afforded an opportunity to demonstrate just what we can do. Our store is not filled with high priced goods only we have all classes and can sell a hatchet for fifteen cents as well as one for a dollar.

Each year we try and bring our stock Merchants now is the time for you to begin getting your fall advertisements in shape, and those who haven't space in this paper now should make their of the is a lot of opportunity for moral monitors to go into the moat and beam picking business. There is no disposition to break law, and when Magis-A Buggy for you of famous Chase Lubricating Oil, and more recently a grade. ## LOW-PRICE MERCHANDISE.

are the principle inducements the Merchants and Tobacco Men are holding out to the farmers to bring their tobacco to this market. There is no market in South Carolina where the warehousemen are doing more to get the best and highest prices for tobacco than this market, and there is no market where you can buy goods cheaper than here in Manning. No matter what you want, you can buy it very close on this market, from a paper of pins to a cane mill, you can get it cheap, and when it comes to Dry Goods, Shoes and Clothing,

# W. E. JENKINSON

stands at the head of the list. It is true, on account of high prices of cotton, some lines of goods are much higher, but still you can buy them here much cheaper than you can at other towns. It cost more in other towns than it does here, our expenses are worked down here to the lowest possible notch, our taxes are less and the living expenses here in Manning are much less than in other town, store rents are less, everything figured down to a minimum, hence it follows that goods can be sold here cheaper than most of the towns in this section, and we tell you that goods are sold here cheaper than elsewhere, and fellow-farmers, a visit to the Manning market will convince you of this High-Price Tobacco and Low-Price Merchandise are our
