In response to the call of the County address, and when doing so, please say Senator for a mass meeting to discuss various matters affecting the interests of the county, a fairly representative body met in the court house last Mon-Senator Appelt called the meetday. ing to order and explained its object, he was then made permanent chairman. At times the meeting was in confusion as a result of several trying to talk at the same time notwithstanding the repeated efforts on the part of the chairman to conduct the meeting in decency and order.

The first question to be discussed was the much agitated lien law. It was the product of much vehemance and heat, some wanted it killed out-right, a few others thought there should be time given in order to not work an injury to those who had large amounts of money buried in the lien system, then there were others who did not want the lien law repealed unless the mortgage section went with it. There were many divergent views, and strange to say, people who have been There are some thick-headed galoots in this county who are unable to differentiate between board and cannot get credit for a pint of salt meeting adopted the following resolu-
