Miss McFadden was at the same place last summer and so well pleased was she with that healthful resort, she returned, and will of course be glad to entertain her home friends. There is some chap fixing to get a mountain of trouble cut out for himself, and when it comes he will realize that an idle brain is the devil's workshop. Mail box No. 8, belonging to Mr. W. T. Touchberry on route No. 1, has been taken up and carried away. This is the second time the box at this place has been molested. The government sent an inspector to investigate the first offense and we have no doubt another will be sent to investigate this one. Somebody may look out to get into the clutches of "Uncle Sam."

Died near Summerton last Friday afternoon Mr. J. P. Brock aged about 19 years. The deceased was the youngest son of Mr. A. C. Harvin of this town, and brother of Mesdames J. H. Rigby, J. W. Rigby, W. A. Arant and Mr. Alex. Harris, and George Brock of Summerton. When but a few days old he was left motherless, and was taken and reared by his aunt Mrs. J. P. Brock. The child never knew any other mother, and no natural mother could have been more devoted to her offspring than was this adopted mother.

Some of our taxpayers are beginning to think the town is going revenue mad. The local tax was raised last year from two mills to five mills, an increase of three mills. It is said, meet extraordinary expenses, now council claims to still be in debt and proposes to levy besides a tax, a license. Now the question is, if an extraordinary expense will justify the taxes from two to five mills, and give the people no better results than they have received, what will the town's requirements be if some permanent improvements are put in. The purchase of the fire engine, and clearing the streets and building the fire wells was expensive and was a wise investment, but the town's income was large before these things were done. The more the income the greater the expense. Public works are the greatest waste unless very carefully looked after. Take our street working system, if that is not a waste of time, energy and money, we know not how to characterize it. The Commissioner is not to blame, he must obey orders, but for several years past a great part of the town's income has been wasted upon the streets.

Last Thursday, after the public meeting, some of the candidates took occasion to come into personal contact with our citizens, and some amusing incidents occurred. The writer introduced Colonel Johnstone to Mr. A. S. Briggs, The Col. repeated "Briggs"—"Yes, Scotch-Irish, I am with you. I am Scotch-Irish too. Glad to meet you." Later the Col. was introduced to Mr. W. P. Spryott of Foreston. He cast his eyes over Mr. Spryott, getting his shape into mind. Then remarked: "Spryot—why, yes, German! Well my mother was German, and I have a very warm spot in my heart for Germany." Later in the afternoon Mr. "Sink" DuBose came along and when Colonel Johnstone was told that was Mr. DuBose, he very savagely, and with all the grace of a Col. of Police, suggested: "DuBose, oh, yes, I know it. I see the Huguenot mold of physiognomy, you cannot obliterate or disguise the noble lines. I am of the same stock too, and I am always very proud to meet my kindred." "You mean that Col. Johnstone is a brainy man?" He is Scotch-Irish, German and French; we looked around for Tom Nimmer and George Lum to come along to see if the Col. would not be able to trace back to Syria, and China.

Manzan Pile Remedy

Rev. C. M. Billings Lost Out.
Charlotte, N. C., June 21.—The jury in the Rockingham county superior court, which has been sitting in the case of C. M. Billings, a preacher, against the Charlotte Observer, today rendered a verdict to the effect that the charges of immorality preferred against the preacher by the newspaper which the former was a resident of Blackville, S. C., were true and the suit for damages would not lie. The reference in the newspaper's article to similar conduct at Waynesville, N. C., was deemed untrue and the jury awarded the plaintiff damages in the sum of \$5,000.

Judge Ward promptly set that part of the verdict aside, granting a new trial. The verdict means that the Observer has one a great victory, for it is quite certain that the matter will never come to trial again. The action for libel was based on a story printed by the Observer under a Blackville date line, in which it was set forth that the preacher had written endearing epistles to a mulatto servant girl, a merely employed in his household, the matter causing a sensational scandal in Blackville. The original letters were produced at the trial and proved upon the plaintiff, the evidence all through being sensational in the extreme.—The State.

W. R. Ward of Dyersburg, Tenn., writes: "This is to certify that I have used Foley's Urino Laxative for chronic constipation and it has proven without a doubt to be a thorough practical remedy for this trouble and it is with pleasure I offer my conscientious reference." W. E. Brown & Co.

A Good Move.
Representative Scarborough of Summerton is very much interested in the high school scheme, and he is urging the representatives to communicate with the State Board of Education at once to assure said board of their endorsement if they expend the \$22,000 now on hand, left over from the appropriation for high schools. We have no doubt every representative will gladly comply with Mr. Scarborough's request, but we doubt very much if the State Board of Education will feel justified in doing otherwise than what the Act prescribes, nevertheless we have forwarded to Governor Ansel who is chairman of the board, our assurance of standing by them if they take the action suggested by Mr. Scarborough. The following is Mr. Scarborough's second letter on the subject:
Summerton, S. C., June 21st, 1908.
Mr. Louis Appelt,
Manning, S. C.
Dear Sir:
I write you again thinking you might not quite understand letter in regard to the high school fund. The law requires the State Board of Education to turn into the State treasury on the 30th of June each year any unexpended fund that might be left of the appropriation in that scholastic year. Now what I am driving at is this: Your high school fund, which is a fund of others were established in this scholastic year and this is what I want the members of the General Assembly to advocate and urge the State Board of Education to make the appropriation to our established schools, and thereby run these schools 4 to 6 months, and only giving them what they are entitled to. I herewith enclose letter from Mr. Nash, the author of the bill, who guarantees that I have some assurance that if the members of the legislature sanction this distribution it will be done. Now, if you enter into this with me at once I feel assured we will succeed.
Thinking you in advance for anything you may do to advance the cause of education, I am
Yours truly,
O. C. SCARBOROUGH.

The Perfect Way.
Scores of Manning Citizens Have Learned It.
If you suffer from backache, there is only one way to cure it. The perfect way is to cure the kidneys. Doan's Backache Kidney Pills are made for kidneys only.
C. H. James, living at 17 Dingle St., Sumter, S. C., says: "I can recommend Doan's Backache Kidney Pills. I have used them and have been greatly benefited. I had kidney trouble for some time. The secretions were very highly colored, contained a sediment and I could not control their action, which caused me much annoyance. I suffered at night and in the morning my back would be so lame and sore that I could hardly dress myself. If I would straighten up quickly, sharp darting pains would shoot through my back. A friend told me about Doan's Backache Kidney Pills and I procured a box. They helped me in every way and I have not had any backache since, the secretions are now clear and normal and I feel better than I have in months. I consider Doan's Backache Kidney Pills an excellent remedy for the back and kidneys."
For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.
Remember the name—Doan's—and take no other.

For Female Ills
You should take, for female ill, a medicine which acts on the female organs and functions. Cardui is not a man's medicine. It is for women. Its pure, healing, curative, vegetable ingredients, go direct to the womanly organs, relieve their pain and inflammation, and build up their strength.
"Tongue cannot tell," writes Miss Nola Smith, of Switzer, Ind., "what
