have a fine school equipment united with that society. and we must devise some means to maintain it. Money is needed and it must come, if not from those who patronize the school touch with excellent educational facilities. Do away with our school less, therefore, from a mercenary great surprise. standpoint alone it pays to maintain a firstclass school, the greater profits going to the property owners.

"We are paying taxes enough" say some, but the fact is we are of how many men you have killed, acnot paying enough to prevent cording to your own count.' our school's finances running short, and we all must admit, up with a hamorous smile. 'Oh, weil! the teachers are not receiving Did I put up a good fight? extravagant salaries. If there are a poorly paid class of people it is the teachers in a school dependent for its maintainence Dispatch. from taxation in a community where the property is assessed at one-third or less of its value, and too, in such a community, local school is economically ad-

If any who feel there should not be a raise in property valuations or in the contingent fee, will devise some scheme whereby sufficient money can be raised, their to nothing.

This much is certain, "we cannot eat our cake and keep it too.' If we are to enjoy the blessings of civilization which education it, regardless of those who are of Rocca de Papa not long ago the diconstantly objecting to any and anything tending towards progress, and yet when progress is forced upon them they are the of 2,300 feet they saw in the Camfirst to take advantage of it by demanding additional pay for cave side up, the middle point bearing what they have.

There are people who complain of taxation, whose property is assessed at a ridiciously low value, compared with the price they demand for it, and many of these people are opposed to progress only, because The phenomenon, of course, is due better in every way. I am pleased to it brings with it more taxation. merely to the position of the observer, give Doan's Kidney Pills the credit for it brings with it more taxation, notwithstanding it also brings which must be above the refracting along better values and greater agent instead of below .- Pathfinder. demands for property. These people want to eat their cake and keep it too.

The attention of the town authorities is directed to a large practice excited the furious indignapile of rubbish on the lot belong- tion of George II. His ignorance of ing to Mrs. M. O. Burgess, in English made it very difficult for the the rear of the Mecca Hotel, facing Church Street. This pile is not only very unsightly, but him. The cock crower was a salaried in our opinion, a breeder of misquitos, wnich convey malaria, and the authorities should require this stuff to be removed at once. Every tin can in that pile catches water and millions | the subject being "Clergymen." of misquitos are hatched therefrom. We understand that some of the members of the board of health have examined this rubbish and have given it as their opinion that there is no decaying matter ir it, but with all due respect to them, we know better. There are rags, paper, cans, the rakings from the backyard of the hotel, and we know not what else. It is dangerous to the public health and the citizenship of this town is entitled to protection.

We know in any other town the ing his desk madly. authorities would not permit such a menace to health to exist no longer than they discovered it. and why should Manning take chances of typhoid or malarial fever. Order this breeder of disease removed before there are direful results.

HOME MISSIONS.

The women of olden time, in Bible history, are not so prominent as were the men. Save the mother and sister of should be stopped. One day a group climbed but for our laziness? Rainbow Upside Down. Not very many persons have ever seen an inverted rainbow, although brings, it is clear that we must the phenomenon sometimes appears. rector and a party of visitors were fortunate enough to see one. The morning was showery, and as the party looked down from an elevation pagna a perfect rainbow with its conto the northeast. From the Eiffel tower in Paris one has also been seen, in this case the rainbow being double and extending above and below the horizon to form two concentric circles nearly complete. Generally the inverted rainbow is to be seen only in the mountains and then very rarely. merely to the position of the observer,

> An Old Ash Wednesday Custom. At one time it was on Ash Wednesday the custom to appoint an official of the English palaces to crow the hours of the day, like a cock, as a re minder of the denial of St. Peter. This courtiers to explain that the royal cock crower was not making fun of officer at the English court as late as

A Boy's Idea of Parsons. Not long ago a class of boys in an elementary school had an essay set,

This is what one youngster wrote: "There are 3 kinds of clergymen, Bishups, recters and curats, the bishups tells the recters to work, and the curats have to do it. A curat is a thin married man, but when he is a recter he gets fuller and can preach longer sermons and becums a good man."-London Scraps.

A Dreadful Analogy. The hypothetical question had just been asked, and the prisoner fell forward in a faint. All was confusion in the courtroom.

"What is the matter with the prisoner?" demanded the judge, hammer-

"Nothing, your honor," groaned the unhappy man as he came to. "I was only thinking how long I should have to serve if my sentence was as long as that."-Harper's Weekly.

No Price Limit For Brains. If a young man develops a first class business ability he needn't bother about a fortune. His professional talents will find employment at rates which will make the possession of a fortune superfluous.-Saturday Even-

Concealed Weapons Once in a college town the rumor MANNING AUXILIARY that students were carrying concealed weapons reached the ears of the local police. The chief at once issued stringent orders that the beinous practice to what heights might we not all have Moses, Hannah, the mother of Samuel, of them passed a policeman, and one too much like the supernumerary in of the students in so doing put his the drama," he went on, "who had to

THE MUTUAL LIFE INSURANCE

F. H. HYATT, General Manager for South Carolina. ISAAC M. LORYEA,

Special Agent for Clarenden and Sumter Counties. The following letter explains itself:

Mr. F. H. Hyatt. Manager for South Carolina. Mutual Life Insurance Co., of N. Y., Columbia. S. C. Dear Sir:—I am in receipt of Company's check for eighteen hundred and sixty-seven dollars (1.867.00) in payment of death claim under poncy No. 139488 of my husband, the late Henry C. Mims, through the hands of your courteous and considerate Special Agent. Mr. Isaac M. Loryea. It affords me pleasure to state that settlement on policy was adjusted promptly and in a perfectly satisfactory manner to me, and I shall take pleasure in testifying to this to my friends.

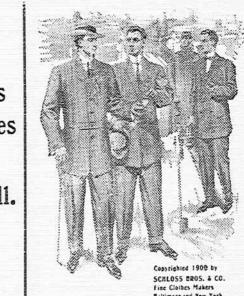

Yours truly.

It is needless to add that Mrs. Mims followed her husband's excellent example and took out a policy to protect her young children. ISAAC A. LORYEA, Special Agent, Correspondence invited.

Will be glad to have his friends call upon him at his office over W. E. Jenkinson Co.'s Building. 2nd Floor. Room 5.
