Editor The Manning Times

I dislike to comlemn any one, want longing to one of two sisters who were to love everybody, but in your last traveling together. It could nowhere jealousies. I once had a show on the issue my young friend Mr. DuRant be found. But one night one of the mad in which it was necessary to cuts right and left at almost everysisters dreamed that she saw the key body. When you speak of Manning and especially her trees you talk in the pocket of her traveling bag. She told this dream on waking to the other. about a whole lot of people. More "And have you looked in the pocket?" than a half century has passed since Manning was established, and since the sister asked. "No, I have not." then many of her citizens have been said she, "for the very good reason in control of her affairs. I remember that there is no pocket in my travelto have come here on December 7th. ing bag." "Well," said the other, 1856, and have been a close observer from that time until now. We have "there is a pocket in mine. I will just have a look there on the chance." And had as mayor (or intendant as we there the key was found. The inferused to call it) such men as Dr. G. Allen Huggins, Jos. F. Rhame, Moses ence is that the dreamer had seen Levi, W. Scott Harvin, Dr. W. E. with the eye of sense, though not with Brown, Wiley Bell, D. M. Bradham the eye of observation, the key put and others. These men have all been into the pocket. Even when the key deeply interested in the development was so found she had no recollection and growth of Manning. I never supposed that any one would want of seeing it placed there, but the brain had unconsciously recorded the sensato rob Dr. Allen Huggins of the pride of his life, "the beautifying of the tion. In course of sleep it had stumtown of Manning." He would often- bled on that record, and by good luck times at his own expense work on the sleeper on awaking chanced to resetting out trees. Any old citizen member the mental operation that had will bear me out that he kept his taken place during sleep. It is a sin-"Uncle Primus" as we gular and almost alarming reflection called him, constantly at work as that our brains are stored with countthe season would come and go and less such records of which we know oftentimes would have him go into the yards of our citizens and transnothing nor ever shall know unless the association of ideas or some peculiar plant these beautiful oaks that adorn mental state brings them to our noour town. tice.-Westminster Gazette.

I do not like the word "vandalism," neither do I like the expres-"ruthless disregard of the and "to save a few feet of wire," and then that severe criticism of the town cour il in which he says, "Although trimming a tree in July usually means death or a lasting in-jury to the trees," we did not sup-simply drops a syllable and becomes pose that the town council as they are at present were a set of figureheads and "were making no provision towards protecting the trees from Further on he says: "Now the cry has gone up that the center row must be destroyed because they Chelmondiston "Chimston," while in as a detective. His previous career Why, yes, remove them. Who ever heard of a dead tree beau-

after his criticism and will be quiet and quit kicking. a closing he ofters a word of advice which seems to me has been the purpose of the not far away is another village of council for the past ten years, else where did these young trees come

who are in authority and help them in beautifying and protecting our town. My young friend does not commend those in authority for the clay on our streets nor for the artesian wells flowing in every direction, nor for the building up and hardening the streets around the public square. "Vandalism" got possession of him so strong that he could see

Guardian.

If Mr. DuRant could have been here fifty years ago and watched the improvement all along the ages, he would not have got "vandalism" so A little selfishness is sometimes comstrong in his mind, but would have been ready to say "Well done good mendable. Don't imagine that you and faithful servants." I believe can correct all the evils in the world. your intentions are good, but I do A grain of sand is not prominent in a not agree with you in all that you desert. Don't mourn over fancied elev a months to go from one and stall Yours respectfully,

On last Monday evening, at the home of Mr. and Mrs. M. J. Morris, about thirty Epworth Leaguers met in attendance upon the regular monthly literary and social meeting of the League. Part of the evening was devoted to the poet, Lowell, and a good program was successfully carried out. A well prepared ketch of the author's life was ready by test in which Mr. D. E. Turbeville and don Tit-Bits. Miss Mary Ruddock were the successful contestants. Delightful games, music and refreshments made the meeting a most enjoyable affair.

of songs and recitations. Mr. Merrist won loud applause with his original recitation, "A Little Boy's First Speech." The Turbeville Ginnery and Milling Company has recently installed a modern ginnery outfit consisting of four cotton every fifteen minutes. The promoters of this concern have spared no pains in the arrangement of everything consenient for the public. Those who

and Messrs. D. M. Turbeville of Wofford, G. W. Green of the Citadel, and E. B. Gamble of the Medical College, are among those who will return to school this fall.

Night On Bald Mountain.

On a lonely night Alex. Benton of Fort Edward, N. Y., climbed Bald Mountain to the home of a neighbor, tortured by Asthma, bent on curing him with Dr. King's New Discovery, that lad cured himself of Asthma. This wonderful medicine soon relieved and quickly cured his neighbor. Later it cured his son's wife of a severe lung trouble. Millions believe its the greatest Throat and Lung cure on earth. Couglis, Colds, Croup, Hemorrhages and 3 ore Lungs are surely cured by it. Best for Hay Fever, Grin and Whoop-

Fre its fall to the earth because the

The Donkey on the Stage. "It's curious," said a theatrical-manforget now what; let us say a key-be- ager who had experienced many ups and downs, "how the stage develops make use of a horse and a donkey. in successful operation. Thirty-four We got the animals well trained for their parts, and on the opening night they gave a first class performance. On the following night, however, we were unable to get the donkey to move details from those made by Worcester out of the wings. Prince, the horse, and Papin, and in 1705 Newcomb, Cawwent on without any trouble whatever, but Jack-that was the fime of the donkey-could neither be coaxed nor driven out before the footlights. We finally had to go on win the performance with the donkey left out. After the show was over we got together and tried to find out what had been the matter. Nobody could offer an explanation until one of the stage hands happened to pick up a program, which showed that Prince's name was printed in the same kind of type we used for Jack. We got a new lot of programs the next day with the donkey's name printed in type which was nearly twice as big as that which we used for the horse. After that we never had the slightest trouble."-Chicago Record-Herald.

The Great Vidocq. Vidocq, the great French detective, wes born in Aras in 1775. He began life as a baker and early became the terror of his companions by his athletic There are many names of places in frame and violent disposition. At the England that puzzle the stranger. same time he was a notorious thief, Happisburgh, in Norfolk, for instance, and after many disgraceful adventures Abervenny, and it is alleged that St which, however, he soon squandered.
