COMING TO MANNING JUNE 22. The Clemson-Winthrop Agricultural and Domestic Science Train.

Owing to circumstances over which we had no control the date of the starting of our train has been somewhat delayed and it is now planned to get it under way about the 5th of June, and arrive at Manning June 22nd.

The people of this State should understand that while this train is planned and equipped by Winthrop and Clemson colleges yet had it not been for the hearty and liberal co-operation of the railroads of this State its operation would not have been possible.
