

HOW DO THESE LOOK TO YOU ?

OVERLAND MODEL 59T
PRICE, \$900.

PRICE, \$350.

OVERLAND MODEL 59R
PRICE, \$850.

Here is a big fine 30-horse power, five passenger, 4 door Touring Car for \$900. Take the specifications of this automobile and see if you can get its equal for less than \$1250; make a plain, straightforward comparison. Take the detailed specifications, the horse power, the staunch steel frame, the seating capacity, the design, etc., check them item for item, and this will open your eyes a little as to what the biggest independent factory in the world can produce.

SPECIFICATION:

Wheel base, 106 inches; motor, 4x4 1-2, horse power, 30; magneto and batteries; transmission selected; three speeds and reverse; F. & S. ball bearings; tires, 32x3 1-2 Q. D.; color, deep Overland blue; standard equipment.

The biggest value ever offered in Automobiles. This little Runabout is the same as the Standard Brush with the exceptions of the fenders and upholstery. Same power, same speed, just as certain to go when you want it as a horse and buggy.

You hear people question their ability to pull and then speed. I am always ready to show down. I keep these cars on hand and challenge anything on the market that cost less than \$700 for a contest of any kind. Today there are three Brush cars in Clarendon county to one of any other make, and less of them in the shops.

All I want you to do is to test the Liberty Brush before you buy a car. A few advantages are, that you have less invested in a car, you can drive it on less than any other car made, your tire expense is less, less complicated and a number of other advantages too numerous to mention.

If you will ask a man who knows anything about the Brush he will advise you to buy a Brush and put the balance of your money in the bank.

This is a big, handsome Roadster with all the power and speed that any one would want; a car that is the model of most of our \$1250 and \$1500 roadsters on the market today. It is no use to mention the quality of this car, you have kept up with it by the newspaper reports; you also know that it is almost always a winner no matter what other cars are in the race.

Don't pay more for a car when you can buy a car of this kind and class for \$850. This model will be in next week with the other lot of new cars, and a look will convince you.

Look these over carefully before you buy, because we are going to sell the man who insists on getting his dollar's worth when he spends it.
