1. Summer time and Spring time may be the time for love time, But there's a time that's really best of all.....
2. When you're sad and lonely and long for one girl on - ly. Kissing time's the time that's worth the while.....

In a wood-land shad - y with your lit - tle la - dy, Or un - der - neath a par - a - sol.....
If you kiss her sweet - ly, neat - ly and com - plete - ly, Gaze in - to her eyes and smile.....

When the moon is beaming, and lit - tle stars are gleaming. With a maid that you think is di - vine.....
Kiss and hug her tight - er, and all the world seems brighter. She won't care, she likes it just the same.....
