St. Peter's guild of Free Masons had a splendid meeting last Wednesday night. The attendance was fine, about seventy members present, and one candidate to the Masters Degree. Mr. J. S. Bissell of Charleston a prominent Mason was the guest of the lodge, and in the East. Mr. Bissell delighted the craft with his grand lecture. It was one of the best we have ever listened to. There was served a buffet lunch after the business was over and it was greatly enjoyed.

We take pleasure in calling attention to the new advertisement in this issue of The D. J. Chandler Clothing Co. of Sumter. This well known establishment is always to the front with attractions for the trading public, a sign that it is ever ready to respond to the public needs at all times. Read this ad, and remember that for reliability there is no house in the State with a better reputation, a reputation built up after many years of labor with the people of this and surrounding counties.

We are quite anxious for our readers to give close attention to the reading of the full page advertisement of the Manning Grocery Company in this issue. We do not think it necessary to say to the buyers of "good things to eat" that the Manning grocery is to be depended on for everything of the healthy and toothsome. There is no grocery establishment anywhere more earnest to give their customers a splendid service. It is prompt dispatch and good fresh goods that has made for them a reputation among the buyers of the public for the quality of everything in the grocery line. Ladies you are going to have a dinner. Read the advertisement and be happy.

The appeal in the Bethune case had the effect of stopping the execution of the court's sentence which was to have been carried out last Friday, and now Bethune cannot be re-sentenced until next February. The delay in this case is exasperating, and not calculated to increase the respect for the law. The courts have several times said Bethune is guilty for the crime of which he is charged, and yet the law which promises every citizen protection has been so manipulated that the court's sentences have amounted to nothing more than to increase the cost to the taxpayers and the crime is unpunished. If there is anything in the case that shows innocence, or that the penalty is too severe it seems to us the remedy should be applied without all of this shuttle-cocking.

At an early hour last Thursday morning the home of Mr. "Dick" Bradham just outside of the town limits was destroyed by fire. Mr. Bradham and his family escaped from the burning building with their lives, and lost everything. About two o'clock Mr. Bradham was aroused by a roaring sound, but thought it was a freight train in a few moments the room in which he and his wife slept was filled with smoke, and he discovered that the entire roof was burning and timbers were falling in. He and his wife and four children escaped with only a few articles of clothing, they did not have time to save any of the furniture. The loss is about two thousand dollars with about \$300 insurance. This community sympathizes sincerely with the unfortunate family. Mr. Bradham is a hard working man, and had only recently built the house he was living in.

Died at the home of his brother Mr. W. W. Mahoney, who lives near the city of Sumter, yesterday morning about one o'clock, Judge John H. Mahoney of Silver aged 85 years. The funeral took place this morning at Calvary where his father, Rev. Henry W. Mahoney had preached for over a half century and is buried. The deceased was a member of Calvary church all his life and a member of St. Peter's lodge of Free Masons. He was buried with Masonic honors. He was twice married, the first wife was a Miss W. of Orangeburg and the second was a Miss C. of this county; they were children by either marriage, but he raised two adopted daughters, a Miss Hattie W. and a Miss Susan Thames. He entered the Confederate service with Co. H., S. C. V., and for a number of years was a member of the county pension board. Mr. Mahoney was good citizen, a man of strong convictions, and one who was always ready to do his full share for the welfare of the county. He was an uncle of Mrs. J. M. Bradham of this town.

Young Greenville Man Meets Tragic Death—Once Lived in Manning.

News of the tragic death in Atlanta yesterday morning of Mr. W. Frank Riser was received in Greenville with profound regret by the relatives and friends of the young man. The body was brought to Greenville last night on train No. 40, and will be buried in Springwood cemetery. The funeral services will be held at the residence of Mr. C. M. Riser, No. 410 Towne street, at 3 o'clock this afternoon. The following gentlemen, cousins of Mr. Riser, will serve as pallbearers: Messrs. Grady Foster, L. A. Williams, L. A. James, W. M. James, J. H. James and Davis James.

Mr. Riser, who had been with the Southern Railway company since last January, was injured in the performance of his duty in Atlanta Friday night about 10:50 o'clock. Immediately he was carried to the Atlanta Hospital where everything possible was done to save his life. At 3:50 o'clock Saturday morning breath left his body. The young man fell a victim not to any carelessness on his part, but to one of those unavoidable accidents that accompany his profession.

Up until last January Mr. Riser made his home in Greenville. For several years prior to that he was identified with the firm of Metts and James, local furniture dealers. His acceptance of a position with the Southern Railway necessitated his making his home in Atlanta.

Mr. Riser is survived by his father, Mr. J. W. Riser, three brothers and three sisters. His brothers are Messrs. L. B. Riser of Savannah, Mr. J. W. Riser, Jr., and Mr. Chas. M. Riser of this city. His sisters are Mrs. McD. McFadden of Manning, S. C., Mrs. N. H. Harris and Miss Dell Riser of Greenville.

Mr. Riser was in the most promising and the brightest period of life, being 24 years of age. He was a young man of noble traits of character, and possessed a disposition that endeared him to hosts of friends. His relatives and friends will mourn their loss deeply, and in their grief they have the sympathy of the community.—Greenville News.

Hon. George S. Legare in Manning.

Among the visitors to Manning this week was Congressman George S. Legare who arrived here Monday night to take a trip over the county to shake hands with his friends, and to find out the conditions in the district so that when he goes back to Washington for the long term he will be in position to attend to the district in the most efficient manner. Mr. Legare has been in feeble health, to the extent that he had to rely largely upon his friends in congress to look after the affairs of the district, this they did gladly and well, but now that he is himself again and able to attend to the work he is anxious to get into the fight. Mr. Legare has many warm friends and admirers in this county who will be delighted to see him. They hold him in such esteem that they would not consider for a moment supporting any proposition to him, unless it be as it was last year, a home man enters the race, in that case county pride would make them much against their desire, vote for his opponent. In conversation with him at the Central Monday evening, we found him in touch with the great leaders of the Democratic party, and somewhat optimistic with regard to the chances of Democratic success. He said that the Democratic party was now on trial, the country at large which formerly was not inclined to trust its statesmanship is now willing to give the party a chance, and with such men as Champ Clark and Underwood to steer the legislation, in his opinion, when congress adjourns the Democratic party will go to the people with a record that will commend itself to the thoughtful voters. We tried to get an expression from him on the politics of the State, but he did not care to discuss state affairs.

Mr. Legare said it was gratifying to have the privilege of visiting Clarendon again, and now that he is in good health it is his purpose to visit the counties in his district as often as he can when not in Washington. He was agreeably surprised at the growth of Manning, its splendid improvements, and the general improvement of the county. He also felt proud of the strides being made throughout the county in agricultural lines, the great corn production of the boys, and the cotton yields has gone out far and wide, and today Clarendon, a few years ago a comparatively unknown county, is represented in the councils of the Nation.

Clarendon is so situated that there is little need for federal legislation, there are no waterways to call for federal aid, except the Santee, and this is receiving the government's attention, but not the kind of aid that we are accustomed to see already fixed by the department; the only thing is to get from the government those things which will aid the farmers in further improving their lands and forests, and it is these things he desires his constituents to keep him posted on that he may be able to do so.

It was indeed a pleasure to have a talk with this popular representative who is going back to his labors with enthusiasm. He feels grateful for the kindness shown him by the people, and is anxious to show his faith by his works, if there is a Democratic President Legare will be a power in Washington.

The Confederate Monument.

The movement so long neglected has at last begun to erect a monument to the memory of the heroes who wore the gray,—soldiers whose record was the marvel of the civilized world. Clarendon now proposes to place upon its house square a suitable mark of its patriotism by having erected a shaft in honor of those who responded and laid down their lives upon their country's altar. All contributions sent to THE MANNING TIMES will be acknowledged through these columns.

Starts Much Trouble.

If all people knew that neglect of constipation would result in severe indigestion, yellow jaundice or virulent liver trouble they would soon take Dr. King's New Life Pills, and end it. It's the only safe, reliable, best for biliousness, headache, dyspepsia, chills and debility. 25c at all druggists.

A medical authority assures us that as long as cheese isn't decayed it will not affect the health of the consumer. This is a fact that we have suspected for a considerable time. But how is the ordinary cheese epicure to detect the difference unless he waits for results?

There is cheese so thoroughly disguised in the costume and aroma of decay that its proper standing on the sanitary testing table would puzzle a conjurer. For instance, there is the brand known as Limburger. But why pursue the subject?—Cleveland Plain Dealer.

Clarendon County Sunday School Association.

Thursday morning promptly at 10:30 o'clock, men and women from all over Clarendon County began to assemble in the Manning Presbyterian Church. The purpose of this assembling, soon began to name itself in the one word, organization. Eighty-four visitors, delegates and home people were present, with twenty (20) different Sunday Schools represented—all eager, alert and anxious for an organization.

The meeting was opened with devotional exercises conducted by the Rev. Mr. Arnold Hall of Sardinia, who reminded us of Paul's saying: "I can do all things thro' Christ, which strengtheneth me."

Next on the program being election of temporary officers, resulted as follows: Rev. A. H. Shuler, President; Mrs. G. M. Smith, Secretary.

Rev. F. R. Woodson of the Manning Presbyterian Church, spoke on "Value of Organization." Taking for an example Christ as the great organizer, organizing churches wherever he went. Great benefits derived from county organization. Some of the aims of county organization are:

- I. For the purpose of increasing interest and efficiency in Bible study.
- II. To secure best methods of Sunday School management and Bible teaching.
- III. To more closely link the home with the church.
- IV. To increase the attendance upon all church services.
- V. To extend the benefits of the Sunday School to every man, woman and child.

And more important than all else to secure the conversion of the scholars to the Lord's service.

Round table talk on organized work was now conducted by Miss Vandiver, and proved most helpful and interesting to all present.

Rev. H. K. Williams of the Manning Baptist church, spoke on the "Organized Class," setting forth clearly what the Sunday Schools need today is the organized class. It increases attendance, promotes bible study, puts more life and enthusiasm in Sunday School developed workers, is a great soul-winning factor, sanctifies the social life of the church, and keeps those in the Sunday School who so often slip out and are lost to the church.

Talk on Sunday School officers was led by Rev. Mr. Trueluck, who urged that every Sunday School have live Superintendents, start on time, keep on time and stop on time.

Dr. Burgess and Mr. Griffin spoke in behalf of the Superintendents and the importance of teachers being in their places on time to co-operate with superintendents.

The convention had the pleasure of hearing Miss Grace Vandiver on the Cradle Roll and the Home Department, and I'm sure every delegate present will go home with a vision caught from Miss Vandiver's inspiring talks. Cradle Roll department has two objects. First, to win the child. Second, home co-operation, and is the most vital work in all the Sunday School. The Home Department aims to take the bible to people at home who can not go to Sunday School.

Permanent officers were elected as follows: President, Mr. C. Allen McFadden; Vice-President, Mr. Frank Moffett; Secretary and Treasurer, Mrs. S. Oliver O'Bryan; Chairman of Departments, Elementary Department; Miss Jessie Curtis, Advanced Department; D. L. Tindal, Home Department; Mrs. Henry Smith, Organized Class Department; Dr. Joseph Burgess.

Subscriptions were taken for the Sunday School Promoter and a club of fifty taken.

Rev. D. N. Clark of Olanza, filled the hour of the evening session, speaking to us from Hebrews 4:12. "For the word of God is quick, and powerful, and sharper than any two edged sword, piercing even to the dividing asunder of soul and spirit, and of the joints and marrow, and is a discerner of the thoughts, and intents of the heart."

The Clarendon County Sunday School Association aims to strengthen the hands of every Sunday School teacher in the county, and in turn the organization hopes to receive strength from every one of them. It sets the high place the Sunday School must hold with the advance of modern education and hopes through teacher training, organized classes, graded lessons, reading circles, conventions, institutes, home bible study and schools of methods, to lift the standard of the bible knowledge and Sunday School Evangelism throughout the whole county.
