Saved His Leg.

"Fighting Bob" Evans was severely

mjured in the last attack on Fort

Fisher. He was taken to a hospital,

where the surgeon in charge informed

him it would be necessary to amputate

his leg. Evans was by no means recon-

ciled to this idea, and in the absence of

the surgeon procured a big navy pistol.

When the doctor came back with his

instruments the patient asked him in-

"I'm afraid we shall have to ampu-

tate your leg," said the surgeon, reach-

ing for his tools. When he returned to

the attack be was looking into the

"Drop that knife, - you!" cried

"Now I want a word with you," said

the patient. "That leg doesn't come off,

The Most Remarkable Suicide.

nals of self destruction occurred at

Chiquete, N. B., in the spring of 1890.

Before committing the deed the self

murderer, who was named W. R. T.

Jones, dug his own grave and placed a

excavation by boards held in place by

a trigger to which a string was at-

tached. Everything in readiness, the

deliberate Mr. Jones, as subsequent

developments revealed, got in the cof-

fin, took a dose of poison and then

pulled the string, burying himself be-

neath tons of earth. This has been

put down as one of the most unique

and successful cases of self destruction
