**WHY WOMEN TIRE OF HOME**  
It Is Their Workshop and They Grow Tired of It, Just as Men Tire of the Office.

A man goes home tired from his day's work and wonders why his wife wants to go somewhere in the evening. "Why go out?" he says. "You must dress up and put on airs and manners, and talk dreary nothings to those who talk dreary nothings back to you. Here is a delightful home to take your ease in, a cheerful fire, an uncut magazine, a drowsy armchair. Why go out?"

The man does not stop to think that the woman has worked all day to make the home delightful, has laid the fire, has dusted the armchair, besides doing a thousand other things to enable him to enjoy his uncut magazine in slumberous peace. She likes a quiet evening, too, but occasionally she likes something else.

"Women haven't the home feeling," says Jones to Robinson. "Why, when I take a vacation, I want nothing better than to stay right at home, with the children, and potter round the place. I hoe a little, I carpenter a little—there are always a lot of odd jobs waiting."

"The two weeks are over before I know it. But Mary, she's different. She likes to pack her trunk and go to one of those summer hotels where you wear your best clothes and talk all day." And Robinson agrees that women haven't the home feeling.

No home feeling! To a true married woman home is indeed her world. But it is a world of care as well as a world of happiness. She never returns to it with the infinite sense of relaxation that her husband feels. No matter how tired she is, there, from the minute she unlocks the door, something to attend to, something on her mind. What wonder is it that she wants to roam a little, if only for the pleasure of coming back.

The next time your wife asks you to take her out for an evening do not grumble, but consider how you would like it if, after you had done a hard day's work, she came into your office at 5 o'clock and suggested your passing the evening there with a magazine or two. A woman's home is her place of business.—Youth's Companion.

# 5 Women Avoid Operations

For years we have been stating in the newspapers of the country that a great many women have escaped serious operations by taking Lydia E. Pinkham's Vegetable Compound, and it is true.

We are permitted to publish in this announcement extracts from the letters of five women. All have been recently received unsolicited. Could any evidence be more convincing?

- HOBOKEN, N. J.**—"I had pains in both sides and such a soreness I could scarcely straighten up at times. My back ached and I was so nervous I could not sleep, and I thought I never would be any better until I submitted to an operation, but I commenced taking Lydia E. Pinkham's Vegetable Compound and soon felt like a new woman."—Mrs. HAYWARD SOWERS, Hoboken, Me.
- CHARLOTTE, N. C.**—"I was in bad health for two years, with pains in both sides and was very nervous. I had a growth which the doctor said was a tumor, and I never would get well unless I had an operation. A friend advised me to take Lydia E. Pinkham's Vegetable Compound, and I gladly say that I am now enjoying fine health."—Mrs. ROSA SIMS, 16 Winona St., Charlotte, N. C.
- HANOVER, PA.**—"The doctor advised a severe operation, but my husband got me Lydia E. Pinkham's Vegetable Compound and I experienced great relief in a short time. Now I feel like a new person and can do a hard day's work and not mind it."—Mrs. ADA WILZ, 196 Stock St., Hanover, Pa.
- DECATUR, ILL.**—"I was sick in bed and three of the best physicians said I would have to be taken to the hospital for an operation. I had something growing in my left side. I refused to submit to the operation and took Lydia E. Pinkham's Vegetable Compound—and it worked a miracle in my case, and I tell other women what it has done for me."—Mrs. LARVA A. GRISWOLD, 2300 Blk. East William Street, Decatur, Ill.
- CLEVELAND, OHIO.**—"I was very irregular and for several years my side pained me so that I expected to have to undergo an operation. Doctors said they knew of nothing that would help me. I took Lydia E. Pinkham's Vegetable Compound and I became regular and free from pain. I am thankful for such a good medicine and will always give it the highest praise."—Mrs. C. H. GRIFFITH, 7305 Madison Av., Cleveland, O.

**GENERAL FARM NOTES**

Unlimited range is good for the pig. Aim to get alfalfa started on your farm. Also have a silo.

The average broiler will shrink about half a pound in dressing.

If barley is available it is best to feed it for fattening. Chickens like it.

Skim the milk as soon after milking as possible, and cool the cream at once.

One corn tassel is said to produce enough pollen to fertilize 200 bushels of corn.

Arguments setting forth the advantages of diversified farming are hardly needed.

Remember that the value of the manure can be increased by a wise selection of feeds.

Where large amounts of corn are fed in hot weather look out for asphyxiation and sudden deaths.

A sudden change in the calf's diet is often the cause of troubles that result disastrously.

Good stock, plenty of range, and freedom from lice and filth are the secrets of success with turkeys.

The demand for good dairy cows is on the up-grade and even the most optimistic cannot see the limit.

When figuring the value of the pure bred dairy cow remember that the price of her calf is an item of importance.

The dairy farmer is often judged by the amount of clover or alfalfa that he raises and his attitude towards these two crops.

Another advantage in marketing butter-fat is the fact that it can be delivered more economically than any other farm product.

The Best Cough Medicine.

"I have used Chamberlain's Cough Remedy ever since I have been keeping house," says L. C. James, of Marbury, Ala. "I consider it one of the best remedies I ever used. My children have all taken it and it works like a charm. For colds and whooping cough it is excellent." For sale by all dealers. adv.

**Endurance.**

Whether it may seem paradoxical or not, it is a fact in our nature that, without endurance, life ceases to be enjoyable; with out pains accepted, pleasure will not be permanent. A life from which everything that has in it the element of pain is banished, becomes a life not worth having or worse, of intolerable tedium and disgust.—James Hinton.

**How is Your Boiler?**

It has been stated that a man's stomach is his boiler, his body is his engine and his mouth the fire box. Is your boiler (stomach) in good working order or is it so weak that it will not stand a full load and not able to supply the needed energy to your engine (body)? If you have any trouble with your stomach Chamberlain's Tablets will do your work naturally. Many very remarkable cures of stomach trouble have been effected by them. For sale by all dealers. adv.

**Inspiration!**

There is a lot of poppycock about this thing we call "inspiration." Men do not sit down in a trance and arise to find themselves equipped with genius. Achievement means toil and struggle and continuous effort to master small things that eventually shall contribute to the perfect whole.

**Don't You Believe It.**

Some say that chronic constipation cannot be cured. Don't you believe it. Chamberlain's Tablets have cured others—why not you? Give them a trial. They cost only a quarter. For sale by all dealers. adv.

**Tonic in Scent of Lavender.**

If you are a martyr to neuralgia or headaches you may envy the people who prepare lavender for sale. Lavender, indeed, is an excellent tonic for anyone who is run down. Doctors frequently recommend people suffering from nervous breakdown to get a job at gathering or distilling this fragrant plant.

**Horrible Clutches of Eczema.**

Quickly cured by Dr. Hobson's Eczema Ointment. C. P. Caldwell, of New Orleans, La., states: "My doctor advised me to try 'Dr. Hobson's Eczema Salve.' I used two boxes of Ointment and three cakes of Dr. Hobson's Derna Zema Soap. To-day I have not a spot anywhere on my body and can say I am cured." It will do the same for you. Its soothing, healing, antiseptic action will rid you of all skin blemishes, blackheads, pimples, Eczema blotches, red unsightly sores, and leave your skin clean and healthy. Get a box to-day. Guaranteed. All Druggists, 50c. or by mail, Pfeiffer Chemical Co., Philadelphia & St. Louis. adv.

**Question Cleared Up.**

Manning Readers Can no Longer Doubt The Evidence.

Again and again we have read of strangers in distant towns who have been cured by this or that medicine. But Manning's pertinent question has always been "Has anyone here in Manning been cured?" The word of a stranger living a hundred miles away may be true, but it cannot have the same weight with us as the word of our own citizens, whom we know and respect, and whose evidence we can so easily prove.

James E. Reardon, Manning, S. C., says: "Some years ago I used Doan's Kidney Pills, procured from Dr. W. E. Brown & Co's Drug Store, (now the Dickson Drug Co.) and I found them to be a valuable kidney medicine. They brought me prompt and lasting relief from backache and pains across my joints and did me a world of good." For sale by all dealers. Price 50c.
