Wonderful **ROOT JUICE** is for people who are weak, run down, nervous, sleepless, appetiteless and the remarkable results it brings about in such cases is the work of everybody who ever tries it. You never saw anything work like it in all your life.

Have you lost ambition, energy and interest in things? Do you get nervous, befuddled, rattled, irritable and cranky? Do you feel tired, half sick, have headaches, get congested, have back...

"Look At Me, Ten Days Ago I Could Hardly Breathe About My DOO!" **ROOT JUICE** Did It. I aches, and weak or dizzy spells? Do you have to get up at midnight on account of weak kidneys, have bad dreams, indigestion, belch, bloot and suffer after eating? Do you have a sort of "dope" hanging, feeling don't want to work feeling—things look gloomy?

Back up. You don't know what you're missing. Life's not dull. One bottle of wonderful **ROOT JUICE** pure, safe, guaranteed, money-back **ROOT JUICE** will have you feeling like Nature has given you a new body and a new, bright, active, happy brain. You'll see a difference in yourself in a week, a wonderful difference. You'll feel better, brighter, stronger, happier than you've felt in many a day.

ROOT JUICE helps the whole body. It cleans out the blood, regulates the lazy bowels and liver, strengthens the stomach and the kidneys, tones up the nervous system. You'll eat like a wolf, enjoy what you eat and digest what you eat. And sleep? Yes, indeed, good, natural, restful, refreshing sleep and get up in the morning feeling fresh and fit. Come! You're doing yourself an injustice to go on feeling as you do. Give this wonderful body restorative a week to freshen you up. You're taking no chances this time. **ROOT JUICE** has got to help you, it has to satisfy you, remember that, and you can get back your money instantly if you want it. That's how good **ROOT JUICE** is.

All good druggists sell **ROOT JUICE** at a dollar a bottle and guarantee it. You don't have to take a barrel of it and wait six months for results either. Unless your case is a rare exception you'll feel wonderfully improved in a week.

Enemies of Health! Fleas! Among the enemies of the body are including fungus diseases, protozoan, nematodes, mites, spiders, the house centipede, parasitic insects, birds, and fly-catching rats, Mr. H. E. Ewing of Corvallis, Ore., describes in Entomological News a strange parasite which attaches itself to the ventral body wall of the fly. It belongs to the gamasid family, and as it feeds it hangs on in a manner nicely calculated not to throw the fly out of balance in flying.

The Mother's Favorite. A cough medicine for children should be harmless. It should be pleasant to take. It should be effective. Chamberlain's Cough Remedy is all this and is the mother's favorite everywhere. For sale by all dealers.—Adv.

Cerberus. In Greek fable Cerberus was the three-headed dog that watches outside the entrance to hades. Some writers assert that he had 50 heads, but generally he is said to have three, and three snakes are twined about his neck. His cave was on the farther side of the dark River Styx, where Charon, the ferryman of the dead, landed the shades. Cerberus is supposed to welcome all entering hades, but to seize all those seeking to escape.

Chamberlain's Tablets for Constipation. For constipation, Chamberlain's Tablets are excellent. Easy to take, mild and gentle in effect. Give them a trial. For sale by all dealers.—Adv.

Queer Refuge for Hunted Stag. Pursued by hounds a stag bounded in through the open French windows of the Y. M. C. A. building at Ashbourne House, Epsom, England, and took refuge in the larder, which measures eight feet by six. The huntsman and whips quickly came up and, securing the stag with ropes, placed it in some stables, from which it was removed shortly afterwards.

The Forty Year Test. An article must have exceptional merit to survive for a period of forty years. Chamberlain's Cough Remedy was first offered to the public in 1872. From a small beginning it has grown in favor and popularity until it has attained a world wide reputation. You will find nothing better for a cough or cold. Try it and you will understand why it is a favorite after a period of more than forty years. It not only gives relief—it cures. For sale by all dealers.—Adv.

Use Oxygen for Blasting. Experiments are being conducted in Germany to discover the usability of liquid air and liquid oxygen as explosives for mines, says the Coal Age. The liquid oxygen is mixed with aluminum powder and detonated, producing a force 2½ times that produced by black powder. One advantage that it possesses is that no bad fumes are produced.

Chronic Stomach Trouble Cured. There is nothing more discouraging than a chronic disorder of the stomach. It is not surprising that many suffer for years with such an ailment when a permanent cure is within their reach and may be had for a trifle? "About one year ago," says P. H. Beck, of Wakelee, Mich., "I bought a package of Chamberlain's Tablets, and since using them I have felt perfectly well. I had previously used any number of different medicines, but none of them were of any lasting benefit." For sale by all dealers.—Adv.

Proper Focusing of Binoculars. In focusing binoculars the tubes should be extended to their limit before placing to the eyes and then adjusted, for, if extended afterward, an optical nerve strain is caused that sometimes results seriously.

Nineteen Miles a Second. without a jar, shock or disturbance, is the awful speed of our earth through space. We wonder at such a case of nature's movement, and do those who take Dr. King's New Life Pills. No gripping, no distress, just through work that brings good health and fine feelings. 25c at all druggists.—Adv.

Where Nebraska Leads. Though Nebraska has been termed "the state without a mine," it ranks first in the production of pumice, for less than one per cent. of the total output of pumice comes from other states.

To Mothers—And Others. You can use Bucklen's Arnica Salve to cure children of eczema, rashes, humors, as well as their accidental injuries—cuts, burns, bruises, etc., with perfect safety. Paint. Paint is used on houses, park settees, fences and faces. It comes in colors. Red paint is used on towns by young college men and old deacons. Fresh paint is used by children when they have their new clothes on. Paint is also used on sign boards which are put up everywhere to improve the scenery. No American scenery is complete without them.—Life.

Glorious News comes from Dr. J. T. Curtis, Dwight, Kan. He writes: "I not only have cured bad cases of eczema in my patients with Electric Bitters, but also cured myself by them of the same disease. I feel sure they will benefit any case of eczema." This shows what thousands have proved, that Electric Bitters is a most effective blood purifier. It is an excellent remedy for eczema, tetter, salt rheum, stimulates liver kidneys and bowels, expels poisons, helps digestion, builds up the strength. Price 50 cts. Satisfaction guaranteed by all druggists.—Adv.

With Some Parties. "Pa, what does it mean when they say a man is 'the life of the party'?" "The life of a party, my boy, is a man who buys while the other fellows are hanging back trying to remember whose turn it is."—Detroit Free Press.

Repels Attack of Death. "Five years ago two doctors told me I had only two years to live." This startling statement was made by William Green, Marietta, Col. "They told me I would die with consumption. It was up to me then to try the best lung medicine and I began to use Dr. King's New Discovery. It was well I did, for today I am working and believe I owe my life to this great throat and lung cure that has cheated the grave of another victim." Its folly to suffer with coughs, colds or other throat and lung troubles now. Take the cure that's safest. Price 50 cents and \$1.00. Trial bottle free at all druggists.—Adv.

"Theford's Black-Draught is the best 1-round medicine I ever used," writes J. A. Steelman, of Pattonville, Texas. "I suffered terribly with liver troubles, and could get no relief. The doctors said I had consumption. I could not work at all. Finally I tried

Daily Thought. There is no life so humble that it be true and genuinely human and obedient to God. It may not hope to shed some of his light.—Phillips Brooks.

Romance in Gibben's Life. Edward Gibben, author of the "Decline and Fall of the Roman Empire," had his engagement with the Swiss Miss Murchod broken off by his father, mainly on account of his son's health. On his return to England Gibben wrote: "After a painful struggle I yielded to my fate: I sighed as a lover, but I obeyed as a son." The disappointment made Gibben a sad and sour man all his life.

World to Be Frozen to Death. The received religious doctrine is that our planet is to perish by fire, but a prominent astronomer holds that its doom and the universe's doom—an inconceivably far-off doom—is to be frozen to death; "the ultimate end is absolute frigidity in the blackness of interstellar night."

Keep the Windows Open. Open windows are a wholesome inspiration. Sunshine and blue skies, the dash of rain and wind, the thrill of frost and sleet, the biting cold as well as the soothing warmth, all of these things are vital, elemental, natural experiences and serve to keep us in a state of healthy, normal activity and alertness.
