LOOK for the following points in the manure spreader you buy: 1. Correct, efficient, well-tested design. 2. Guarantee of first-class materials. 3. Reinforcing of parts where strains usually come. 4. Strength of parts where occasional strains come. 5. Wearing qualities and protection of driving parts. 6. Reputation of manufacturer, insuring efficient repair service. Satisfied American farmers find these essentials in International manure spreaders. International spreaders have, besides, many features that give you out of long field experience. Study the steel construction in frame, wheels, and driving mechanism; the easily-removable beater; the differentials in rear axle, insuring even spreading while turning corners; the reversible worm and gear; low, easily-loaded box; and many others. International spreaders are of all styles and sizes, high and low, endless reverse and reverse. Write for illustrated catalogues, and when we send them we will tell you where you may see the spreaders.

One Thing That Sticks. A woman may not be able to record what her husband said when he proposed, but she can always remember what dress she wore at the time.  
Can't Be Beaten. Knicker—"What is the ideal library?" Booklet—"A cook book, a check book, and a dictionary for the baby to sit on."

## Backache

Miss Myrtle Coltrun, of Russellville, Ala., says: "For nearly a year, I suffered with terrible backache, pains in my limbs, and my head ached nearly all the time. Our family doctor treated me, but only gave me temporary relief. I was certainly in bad health. My school teacher advised me to TAKE

## Cardui

The Woman's Tonic  
I took two bottles, in all, and was cured. I shall always praise Cardui to sick and suffering women. If you suffer from pains peculiar to weak women, such as headache, backache, or other symptoms of womanly trouble, or if you need a tonic for nervous, worn-out feeling, try Cardui.

### Energy in Pound of Coal.

One pound of coal releases sufficient energy to raise an average man to a point fourteen miles high.

### The Danger After Grip

lies often in a run-down system. Weakness, nervousness, lack of appetite, energy and ambition, with disordered liver and kidneys often follow an attack of this wretched disease. The greatest need then is Electric Bitters, the glorious tonic, blood purifier and regulator of stomach, liver, and kidneys. Thousands have proved that they wonderfully strengthen the nerves, build up the system and restore to health and good spirits after an attack of Grip. If suffering, try them. Only 50 cents. Sold and perfect satisfaction guaranteed by all druggists.—Adv.

### Modern Sigh.

Composer (standing before a Futurist painting)—"If only my music were as incomprehensible as that picture!"  
—Flegende Blatter.

### Best Way to Darn.

By darning diagonally across the weave, instead of with it, the stitches are not nearly so likely to pull away from the edges of the spot. This is an especially good method to be used where stitches have been dropped.

### Almost A Miracle.

One of the most startling changes ever seen in any man, according to W. B. Holsclaw, Clearwater, Tex., was effected years ago in his brother. "He had such a dreadful cough," he writes, "that all our family thought he was going into consumption, but he began to use Dr. King's New Discovery, and was completely cured by ten bottles. Now he is sound and well and weighs 218 pounds. For many years our family has used this wonderful remedy for Coughs and Colds with excellent results." It's quick, safe, reliable and guaranteed. Price 50 cents and \$1.00. Trial bottle at all druggists.—Adv.

### Never!

"What was that sentence the choir repeated so often during the litany?"  
"As near as I could make out it was, 'We are miserable sinners.'"  
—Boston Courier.

### Immense Forest Nursery.

One of the largest forest nurseries in the United States is conducted by the forest service near Haugen, Mont. It is known as the Savanne nursery, and has a capacity of 4,000,000 young trees a year.

### Self Control.

Control self, and the first step is taken toward becoming a power. The youth whose own hasty passions and uncontrolled appetites run away with him is a cipher as far as real strength goes. Impulse is not strength. A runaway engine never will cross a continent safely.

### Straight at it.

There is no use of our "beating around the bush." We might as well get it first at last. We want you to try Chamberlain's Cough Remedy the next time you have a cough or cold. There is no reason so far as we can see why you should not do so. This preparation by its remarkable cures has gained a world wide reputation, and people everywhere speak of it in the highest terms of praise. It is for sale by all dealers.—Adv.

### Value of Generalship.

A friend whom you have been gaining during your whole life, you ought not to be displeased with in a moment. A stone is many years becoming a ruby; take care that you do not destroy it in an instant against another stone.—Saadi.

### Give Comfort to Stout Persons.

A good wholesome cathartic that has a stimulating effect on the stomach, liver and bowels is Foley's Cathartic Tablets. Thoroughly cleansing in action, they keep you regular with no gripping and no unpleasant after effects. They remove that gassy distended feeling so uncomfortable to stout persons. For sale by all dealers everywhere.—Adv.

### Pa Had Been There.

"Pa, what is scientific salesmanship?" "Selling a dress suit to a man who went into the store to buy a celluloid collar."  
—Detroit Free Press.

### Cynical Man Wrote This.

It is a mistake to imagine that all women are fond of retailing gossip. Most of them would rather wholesale it.—Exchange.

### Subtle Appreciation.

Knicker—"Is Jones a poet's poet?"  
Socker—"No; he is a poet's poet's poet."

### Foley Kidney Pills Successful for Rheumatism and Kidney Trouble.

Positive in action for backache, weak back, rheumatism, kidney and bladder troubles. P. J. Boyd, Ogle, Texas, writes: "After taking two bottles of Foley Kidney Pills, my rheumatism and kidney trouble are completely gone." Safe and effective. For sale by all dealers everywhere.—Adv.

### Wonderful Set of Dishes.

What is said to be the most costly set of dishes ever made was recently shown at an exhibition in St. Petersburg. It consisted of thirty-six hand-colored plates. This set has an estimated value of \$18,540, a single plate, therefore, being worth \$515. It is the property of Count Orloff-Davidoff.

### Daily Thought.

Mind is a magnet; that which it continually thinks it will draw to itself. Keep the mind on strength, power and love and you will draw strength, power and love to you.—F. Mulford.

### Children's Diseases Very Prevalent.

Whooping cough is about everywhere. Measles and scarlet fever almost as bad. Use Foley's Honey and Tar Compound for inflamed throats and coughing. Mrs. I. C. Hostler, Grand Island, Nebr., says: "My three children had severe attacks of whooping cough, and a very few doses of Foley's Honey and Tar gave great relief." For sale by all dealers everywhere.—Adv.

### Electric Power Preferred.

Electric power has been adopted by candy factories because of its ease of control and cleanliness.

### Economy, Indeed.

"The old gentleman who raised me," announced the village philosopher, "had the right idea of economy. He would light the lamp to read the Scripture to his family, then turn it down while he prayed."

### Put End to Bad Habit.

Things never look bright to one with "the blues." Turn to one the trouble is a sluggish liver. Giving the system with bilious poisons, that Dr. King's New Life Pills would expel. Try them. Let the joy of better feelings end "the blues." Best for stomach, liver and kidneys. 25c. at all druggists.—Adv.

### But They Know Him.

When a man makes a fool of himself he is terribly surprised, and he can't understand why all the rest of the world isn't.

### They Wear Armor.

I've never any pity for conceted people, because I think they carry comfort about with them.—George Elliot.

### Still Undiscovered.

So long as love itself—the mystery of all mysteries—shall remain unsolved, there is an immeasurable music beyond the octave-stretch forlorn of our fingers, an unfathomable ocean beyond our little world of pebbles on the shore.—William De Morgan.

### Another Thing.

"How did you propose to support my daughter, sir?" "I didn't propose to her to support her at all. I only proposed to her to marry me."—Rehoboth Sunday Herald.

### Money's Voice.

Money talks; but some have an impediment in their income.—Ashley Sterne.

### Mother Would Like It.

"Little boy, what would your mother say if she saw you smoking that cigarette?" "She'd be tickled to death, mum—she's stone blind!"

### Before the Days of Clocks.

The first accurate clock was set up in England at Hampton court, in 1540. Up to that time members of the royal suite used hour glasses in their private rooms.

### It Looks Like a Crime

to separate a boy from a box of Bucklen's Arnica Salve. His pimples, boils, scratches, knobs, sprains and bruises demand it, and its quick relief for burns, scalds, or cuts is his right. Keep it handy for boys, also girls. Heals everything heable and does it quick. Unequaled for piles. Only 25 cents at all druggists.—Adv.
