As a medicinal antiseptic for douches in treating catarrh, inflammation or ulceration of nose, throat, and that caused by feminine ills it has no equal. For ten years the Lydia E. The Dear Things. Miss Elderly—"They say that marriages are made in heaven." Miss Young—"Ah, then you have one chance more."

Why it Suits Particular People. Foley's Honey and Tar Compound is prompt and effective for coughs, colds, croup, hoarseness, bronchial coughs and throat troubles. That's why it suits particular people. For sale by all dealers everywhere.—Adv.

She Knew. She had sent a telegram and was waiting for an answer. Suddenly the peculiar clicking of the receiving machine sounded in the office and she said to her companion: "That's from Charlie I know! I can tell his stutter."

Found a Cure for Rheumatism. "I suffered with rheumatism for two years and could not get my right hand to my mouth for that length of time," writes L. Chapman, Mapleton, Iowa. "I suffered terrible pain so I could not sleep or lie still at night. Five years ago I began using Chamberlain's Liniment and in two months it was well and has not suffered with rheumatism since." For sale by all dealers.—Adv.

Use for the Menu. "How's this?" said Cumsy to Cawker, as they sat down to the annual banquet of the Allied Sons of Liberty. "There's no wine on the menu, but half-dozens glasses of it at each place." "The menu is to take home our wives," was the satisfactory explanation.

Cough Medicine for Children. Too much care cannot be used in selecting a cough medicine for children. It should be pleasant to take, contain no harmful substance and be most effective. Chamberlain's Cough Remedy meets these requirements and is a favorite with the mothers of young children everywhere. For sale by all dealers.—Adv.

Become Critical as to Diet. So many cases of ptomaine poisoning have occurred in France from eating stale oysters, or those grown in water containing sewage, that consumers are very critical about shellfish which have come a long distance.

Daily Thought. Teach your children to create. Don't always give them finished products to enjoy.

Prefer Fresh Figs. In southern France the fig tree is now cultivated almost exclusively for the production of the fresh fruit, which has always a ready sale in the large centers. The drying of figs has been practically abandoned in this region, except for the personal requirements of a small number of growers.

Sense Shown by Partridges. Quails and partridges deserted parts of France when the aeroplanes first made its appearance there. But now they have begun to return to their old haunts. Before returning in force the partridges sent some of their number to scout for them.

Mourning Smokes. Speaking of the old "church warden" or "yard of clay" pipes, it may be known that in the remoter country districts of Lancashire the "church warden" figures prominently at funerals. On the return of the mourners to the late home of the deceased a box of "mourning" is unsealed and the pipes handed to the male members of the company, who, raged before the fire, indulge in the memories of old days called forth by the occasion. The circle of long clay pipes, with the circling clouds of smoke, harmonize well with the solemn suits of black and the subdued dignity of the company. At breaking up the pipes are snapped in significance that the occasion for their use is ended.—London Chronicle.

Couldn't Help It. A little girl had just been dressed in clean clothes and went out to play. In a short time she came back covered with dirt. Her mother was much put out and asked her how she came to be so dirty. "Well, mother," she said, "ism't I made of dirt?" "Yes, dear. But what has that to do with it?" "Well, you know, mother, it will keep working out."—Philadelphia Ledger.

WOMAN COULD NOT SIT UP

Now Does Her Own Work. Lydia E. Pinkham's Vegetable Compound Helped Her.

Fronton, Ohio.—"I am enjoying better health now than I have for twelve years. When I began to take Lydia E. Pinkham's Vegetable Compound I could not sit up. I had female troubles and was very nervous. I used the remedies a year and I can do my work and for the last eight months I have worked for other women, too. I cannot praise Lydia E. Pinkham's Vegetable Compound enough for I know I never would have been as well if I had not taken it and I recommend it to suffering women."

Daughter Helped Also. "I gave it to my daughter when she was thirteen years old. She was in school and was a nervous wreck, and could not sleep nights. Now she looks so healthy that even the doctor speaks of it. You can publish this letter if you like."—Mrs. RENA BOWMAN, 161 S. 10th Street, Ironton, Ohio.

Why will women continue to suffer day in and day out and drag out a sickly, half-hearted existence, missing three-fourths of the joy of living, when they can find health in Lydia E. Pinkham's Vegetable Compound?

If you have the slightest doubt that Lydia E. Pinkham's Vegetable Compound will help you, write to Lydia E. Pinkham Medicine Co. (Confidential) Lynn, Mass., for advice. Your letter will be opened, read and answered by a woman and held in strict confidence.
