## Cardui

The Woman's Tonic

Mrs. Sylvania Woods, of Clifton Mills, Ky., says: "Before taking Cardui, I was, at times, so weak I could hardly walk, and the pain in my back and head nearly killed me. After taking three bottles of Cardui, the pains disappeared. Now I feel as well as ever. If any suffering woman should try Cardui." Get a bottle today. E-68

No Two Finger Prints Alike. And every human being in the matter of finger prints is different from every other. Twins are not twins with respect to these unvarying identification marks. The little towheaded girls who have to be blue and red ribboned to tell them apart are as unlike in the finger prints as if they belonged to entirely different fathers and mothers. Family resemblance is a joke when you come to put the finger tip prints under the magnifying glass. The digit marks make no account of blue blood, aristocracy, democracy or physiognomy. They're just crevices in the skin.

**Too Much for Mother.**  
A Pasadena boy asked his father what was meant by the expression: "The woman had a Greek profile." The father put down the paper he was reading and replied: "Why, it merely means a classic outline." The mother took a hand, declaring the answer was too short and really a shifty euphemism. "Give our son a long and clear answer," she insisted. Paterfamilias sat up and made this lucid, ornate reply: "A Greek profile is a bold silhouette, blending the Doric and Ionian expression and depicting that clear-cut plastic work of Praxiteles, which is entirely free from the rococo renaissance school and which in modern melodrama, would be called the marble face." Both mother and son took the count, and father resumed his reading of the article: "Why Oysters Have Strong Lungs." —Pasadena News.

**Important.**  
Bear in mind that Chamberlain's Tablets not only move the bowels but improve the appetite and strengthen the digestion. For sale by all dealers. —Adv.

**Big Breakfast.**  
Even Peacock's generous ideas of suitable provisions for a breakfast were surpassed by a London host who entertained J. L. Motley, August 3, 1867. Motley writes to his daughter: "I went to the last breakfast of the season of the Philobiblon society, given by Mr. Turner, a collector of rare books. Beginning with coffee and tea, we ended with sherry, champagne and maraschino; fish, cutlets, rots, salads, game, puddings and ices going on meanwhile in regular order. If you ask me what I did, I can only say I opened my ears to the amusing and intellectual conversation, and my mouth, not to eat, but to gape and gasp and wonder at the prodigious consumption of victuals at that hour of the day. When I reflected that all those people would lunch at two and dine at eight, I bowed my head in humiliation, and the fork dropped from my nerveless grasp."

**Best Cough Medicine for Children.**  
"Three years ago when I was living in Pittsburgh one of my children had a hard cold and coughed dreadfully. Upon the advice of a druggist I purchased a bottle of Chamberlain's Cough Remedy and it benefited him at once. I find it the best cough medicine for children because it is pleasant to take. They do not object to taking it," writes Mrs. Lafayette Tuck, Homer City, Pa. This remedy contains no opium or other narcotic, and may be given to a child as confidently as to an adult. Sold by all dealers. —Adv.

## THE CHARM OF MOTHERHOOD

### Enhanced By Perfect Physical Health.

The experience of Motherhood is a trying one to most women and marks distinctly an epoch in their lives. Not one woman in a hundred is prepared or understands how to properly care for herself. Of course nearly every woman nowadays has medical treatment at such times, but many approach the experience with an organism untrained for the trial of strength, and when it is over her system has received a shock from which it is hard to recover. Following right upon this comes the nervous strain of caring for the child, and a distinct change in the mother results.

There is nothing more charming than a happy and healthy mother of children, and indeed child-birth under the right conditions need be no hazard to health or beauty. The unexplainable thing is that, with all the evidence of shattered nerves and broken health resulting from an unprepared condition, and with ample time in which to prepare, women will persist in going blindly to the trial.

Every woman at this time should rely upon Lydia E. Pinkham's Vegetable Compound, a most valuable tonic and invigorator of the female organism.

In many homes once childless there are now children because of the fact that Lydia E. Pinkham's Vegetable Compound makes women normal, healthy and strong.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

### DICKSON'S DRUG STORE.

**Remarkable Cure of Croup.**  
"Last winter when my little boy had croup I got him a bottle of Chamberlain's Cough Remedy. I honestly believe it saved his life," writes Mrs. J. B. Cook, Indiana, Pa. "It cut the phlegm and relieved his coughing spells. I am most grateful for what this remedy has done for him." For sale by all dealers.—Adv.

**Always Easy to Get Spies.**  
It is an international law, but an unwritten one, that a sovereign cannot lawfully require a subject to serve as a spy, except in a singular case, and that of the last importance. Nevertheless, no country will ever lack spies, for the work that is required of them is so adventurous and so well paid that thousands of men would jump at the opportunity to become a secret service agent.

**Don't Delay Treating Your Cough.**  
A slight cough often becomes serious. Lungs become congested. Bronchial Tubes fill with mucus. Your vitality is reduced. You need Dr. Bell's Pine-Tar-Honey. It soothes your irritated air passages, loosens mucus and makes your system resist colds. Give the Baby and Children Dr. Bell's Pine-Tar-Honey. It's guaranteed to help them. Only 25c. at your druggist.—Adv.

**The Cheetah.**  
The axis, or cheetah deer of the Indian jungle can claim to be the most ornamental of all the 36 races of deer to be seen gathered together at Woburn, England. In the early summer, when all the other deer except the wapiti are either shedding their horns "in the velvet," the axis are in perfection, both of color and antlers. The large herd of this species looks as if carved out of ivory and red gold in the sunshine and verdure of English scenery. Their horns are almost white, their eyes and muzzles of jet black, their throats white and their sides and backs a brilliant golden tan, spotted with round dots of purest white.

**Dependency Due to Indigestion.**  
It is not at all surprising that persons who have indigestion become discouraged and despondent. Here are a few words of hope and cheer for them by Mrs. Blanche Bowers, Indiana, Pa. "For years my digestion was so poor that I could only eat the lightest foods. I tried everything that I heard of to get relief, but not until about a year ago when I saw Chamberlain's Tablets advertised and got a bottle of them, did I find the right treatment. I soon began to improve, and since taking a few bottles of them my digestion is fine." For sale by all dealers.—Adv.

**The Earth's Shadow.**  
The earth has a shadow, but very few ever see it, except in eclipses of the moon, or else few recognize it when they see it. Nevertheless, many of us have noticed it on fine, cloudless evenings in summer shortly before sunset, a rosy pink arc on the horizon opposite the sun, with a bluish gray segment under it. As the sun sinks the arc rises until it attains the zenith and even passes it. This is the shadow of the earth.

**Try This For Your Cough**  
Thousands of people keep coughing because unable to get the right remedy. Coughs are caused by inflammation of Throat and Bronchial Tubes. What you need is to soothe this inflammation. Take Dr. King's New Discovery, it penetrates the delicate mucous lining, raises the Phlegm and quickly relieves the congested membranes. Get a 50c bottle from your druggist. "Dr. King's New Discovery" quickly and completely stopped my cough!" writes J. R. Watts, Floydale, Texas. Money back if not satisfied, but it nearly always helps.

**Happiness.**  
Happiness has a way of hovering near those whose first wish is to make others happy.

**It Really Does Relieve Rheumatism.**  
Everybody who is afflicted with Rheumatism in any form should by all means keep a bottle of Sloan's Liniment on hand. The minute you feel pain or soreness in a joint or muscle, bathe it with Sloan's Liniment. Do not rub it. Sloan's penetrates almost immediately right to the seat of pain, relieving the hot, tender, swollen feeling and making the part easy and comfortable. Get a bottle of Sloan's Liniment for 25 cents at any druggist and have it in the house—against colds, sore and swollen joints, rheumatism, neuralgia, sciatica and like ailments. Your money back if not satisfied, but it does give almost instant relief.—Adv.

**His Chance.**  
Ho—Girts are queer creatures; they marry the first fool who asks them, as a rule. I suppose you'd do the same, wouldn't you? She—"Suppose you ask me and find out."

### Don't Mistake The Cause

Many Manning People Have Kidney Trouble And Do Not Know It.

Do you have backache? Are you tired and worn out? Feel dizzy, nervous and depressed? Are the kidney secretions irregular? Highly colored; contain sediment? Likely your kidneys are at fault. Weak kidneys give warning of disaster. Heed the warning; don't delay—Use a tested kidney remedy. Read this Manning testimony. Mrs. Joseph Wells, Manning, S. C., says: "I was afflicted with kidney complaint and I suffered intensely from dull, nagging backache, headaches and dizzy spells. Doan's Kidney Pills proved to be just what I needed and I had not used them long before I was relieved. I got this remedy from Dr. W. E. Brown & Co.'s Drug Store, (now the Dickson Drug Co.) and I cheerfully recommend it to anyone suffering from kidney trouble." Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Wells had. Foster-Milburn Co., Props., Buffalo, N. Y.—Adv.
