

MRS. WILLIAMS' LONG SICKNESS

Yields To Lydia E. Pinkham's Vegetable Compound.

Elkhart, Ind.:—"I suffered for fourteen years from organic inflammation, female weakness, pain and irregularities. The pains in my sides were increased by walking or standing on my feet and I had such awful bearing down feelings, was depressed in spirits and became thin and pale with dull, heavy eyes. I had six doctors from whom I received only temporary relief. I decided to give Lydia E. Pinkham's Vegetable Compound a fair trial and also the Sanative Wash. I have now used the remedies for four months and cannot express my thanks for what they have done for me.

"If these lines will be of any benefit you have my permission to publish them."—Mrs. SADIE WILLIAMS, 455 James Street, Elkhart, Indiana.

Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, contains no narcotic or harmful drugs, and is a day-long record of being the most successful remedy for female ills we know of, and thousands of voluntary testimonials on file in the Pinkham laboratory at Lynn, Mass., seem to prove this fact.

If you have the slightest doubt that Lydia E. Pinkham's Vegetable Compound will help you, write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass., for advice. Your letter will be opened, read and answered by a woman, and held in strict confidence.

THE SOLDIER'S IGNORANCE.

The soldier's ignorance is not always restricted to the place in which he is fighting. The prospect of having to regard the khedive as an enemy reminds one of an anecdote of the Sudan campaign. It was after the fall of Omdurman; the khalfia was being pursued, and there was a false report that he had been captured. "Hooray, Bill," one British soldier was heard to shout to another; "we've got the bloomin' kaidiff!" Tommy was in charming ignorance of the fact that he had been marching under the khedive's flag ever since he had started on the campaign.—London Chronicle.

Read What Others Say:

"Have used your Liniment very successfully in a case of rheumatism, and always have a bottle on hand in case of a cold or sore throat. I wish to say I think it one of the best of household remedies. I would not have used it only it was recommended to me by a friend of mine who, I wish to say, is one of the best boosters for your Liniment I ever saw."—J. W. Fuller, Denver, Co.

"Just a line in praise of Sloan's Liniment. I have been ill nearly fourteen weeks with rheumatism, have been treated by doctors who did their best. I had not slept for the terrible pain for several nights, when my wife got me a small bottle of the Liniment and three applications gave me relief so that I could sleep."—Joseph Tamblin, 616 Commerce Street, Mechanicsville, Pa.

Small savings have been in many instances the means of making the first payment on a home. The fact that you have a Bank account brings about a confidence which results in better terms of purchase than you could make if you did not save. It is not so much the money as it is the standing a Bank account gives you—That's where we can help you. Begin with one dollar.

7 PER CENT

Farm Loans!

We are in the Market for loans upon improved farm lands in South Carolina at seven per cent. annual interest. Loan values restricted to an amount within forty per cent. of the appraised value of the land alone. The terms of the loan will be five years, with an annual repayment of principal based on the security in each loan.

Opportunity to Assist Your Local Banker

The majority of banks doing business in South Carolina were organized for the purpose of handling commercial loans and not investment loans. We do not handle commercial loans, but investment loans exclusively. If the loan you have with your local bank has been standing until it is in reality an investment proposition, we suggest that you convert the same into five year mortgage on your real estate, thereby procuring a lower rate of interest and relieving your local bank.

Upon request we will be glad to mail you application blank.
