### The Manning Times.

LOUIS APPELT, Editor

MANNING, S. C., APRIL 21, 1915.

PUBLISHED EVERY WEDNESDAY

ORGANIZE NEIGHBORHOOD MARKETING ASSOCIATIONS NOW.

Now, and not just before harvest, is the time to organize marketing associations for what ever products you are going to raise this year, says The Progressive Farmer. No matter what it is—cotton, corn, tobacco, peanuts, truck crops, or what not—better prices will be obtained, better grading will be assured, and more business like consideration will be allowed in every point if a group of farmers will go together instead of marketing individually. And if they are going to sell together, they should have success predestined by making arrangements now. Those who wait till the crops are about ready to harvest will find unexpected and unimagined delays, and will only get experience in 1915 when they will probably need profits more than experience. As the West Point (Va.) News well says in a talk to its farmer readers:

"The world wants all you can raise this summer. It needs far more than can be produced on our American farms, but how is your produce to reach the place where it will bring you the most money?"

Unless the farmers organize and market their crops under some co-operative system next summer, they are going to be greatly disappointed with prices. The middlemen are organized; they know just where to place every product and they are going to push the consumer up to war-time prices, and hold you, Mr. Farmer, down to over-production rates if possible.

"Your only hope for a fair division of this great wave of prosperity, which is surely coming during the next eight months is to get together. Form associations and plan your crops so that your output may be combined and shipments made in car lots, to markets already arranged for."

### PURE ADVERTISING LAW IN KANSAS.

The pure advertising law passed by the last Kansas legislature furnishes a model for legislation to protect the public from fraudulent and misleading advertising. Following is a copy of the law:

"Be it enacted that any person, firm, corporation or association, who, with intent to sell or in any wise dispose of any merchandise, securities, service or anything offered by such firm, corporation or association, directly or indirectly, to the public for the sale or distribution or with intent to increase the sale or consumption thereof, or to induce the public or any person, in any manner, to enter into any obligation relating thereto, or to acquire title to, or an interest therein; who makes, publishes, disseminates, circulates or places before the public, or causes the same to be done, either directly or indirectly, in this State, whether by newspaper publication or otherwise as herein provided, any label, notice, handbill, poster, bill, circular, pamphlet or letter or letter or in any other way any advertisement of any kind or character regarding merchandise, securities, service or any other thing or commodity offered to the public, which advertisement contains any assertion, representation or statement which is in fact untrue, deceptive or misleading, shall be deemed guilty of a misdemeanor, and upon conviction in any court of competent jurisdiction, shall be fined in any sum not exceeding \$500 or by imprisonment in the county jail not exceeding one year or by both such fine and imprisonment for every such offense and each day such publication or communication shall be published or disseminated shall constitute a violation of the provisions of this act and shall be deemed a separate and distinct offense. Provided also that the provisions of this act shall not apply to the publisher of any newspaper or other publication who publishes or causes to be published, disseminated or circulated a written or printed statement prohibited by the provisions of this act without knowledge that it is false."

### BE LOYAL TO THE UNITED STATES.

Governor Dunne of Illinois, in a speech in Cincinnati on St. Patrick's day, called upon Irishmen, particularly, to place their loyalty for the United States above their sympathies with any European country. Speaking at a St. Patrick's day celebration of the Irish Fellowship club he quoted as saying: "It is now the supreme duty of the statesmen in Washington to keep this country from being embroiled in the conflict in Europe."

"Day by day the belligerents are trampling on the rights of neutrals and making it almost impossible to keep our country from entanglement."

"In this critical situation, it is the duty of every American citizen to uphold the president in his efforts to preserve peace between this country and the warring nations. Never in recent history was there greater need of moderation, tact and diplomacy of American statesmen and of loyalty by its citizens."

"To allow this nation to become engulfed in the European cataclysm would be a stupendous political blunder, if not a political crime, which the patriotic president and secretary of state will not commit."

"Let not then American citizens of any race embarrass our officials at this time by public expression of any sympathies or by participating in organized efforts to give contraband assistance to any of the belligerents."

"Hands off Europe, hands up for America, should be our watchword. Neutral nations in Europe now stand armed, not knowing what moment they may be swept into the maelstrom. Separated by three thousand miles of ocean, this favored land under the guidance of President Wilson, will not become involved if he is not embarrassed by acts of misguided sympathizers with the belligerents."

### CLARENDON FIELD DAY.

One of the most successful Field Day occasions that has yet been held in Clarendon County was that held here last Friday. The day was ideal in every respect, and from early in the morning until midday, the crowds poured into town from every quarter of the county. The crowd was variously estimated at from 2500 to 3000 people which were upon the grounds at some time during the day.

It would be almost an impossibility to write up of all the events to give due credit to all who worked so laboriously to make the day a success.

According to the Field Day program which had been widely published for the past several weeks, a new feature was adopted this year. All the schools in the county had been placed into groups which had preliminary Field Days in which the winners at those events were the representatives here last Friday.

Metz's Band from Charleston furnished inspiring music throughout the day.

The program was well carried out. The committees on the athletic field experienced considerable difficulty however, owing to the crowding of interested sight seers along the lines where these events took place.

The indoor exercises were presided over by County Superintendent of Education, E. J. Browne who started the machinery to work at eleven o'clock.

Invocation by the Rev. H. K. Williams of Alcolu.

Following the invocation came the declamation contests. The winner in class A, consisting of boys and girls under 12 years was Miss Mattie Felder of the Pinewood school.

Class B, consisting of boys and girls from 12 to 15 was won by Miss Ruth Felder of the Pinewood school.

Class C, consisting of boys and girls from 15 to 18 was won by Master Claud Corbett of the Paxville school.

The judges who served were: Messrs. R. O. Purdy Jr., and Frank McLeod of Sumter, and B. P. Fulton of Manning.

The prizes in each of the above contests was a handsome gold medal on which the word "declamation" had been engraved.

Next followed the spelling con-

test in which the number of entries was not limited. Some thereby odd pupils responded to the call, and for more than an hour a lively contest followed. Mr. J. K. Breedin and Mr. B. P. Fulton acted as the committee. A printed list of 750 words had been prepared for this contest, but owing to the pressure for time, Payne's Common Words had to be resorted to them down the lines.

When the smoke of battle had cleared away it left Miss Pearle Turbeville of the Turbeville school the winner with Miss Susie Davis of Summerton a close second. The prize was also a handsome gold medal containing the word "Spelling."

These medals were presented by Messrs. McLeod and Fulton two of the judges on declamation. This concluded the literary part of the exercises.

Dinner in groups on the grounds followed.

The athletic contests took place beginning at 2:30 as follows:

RUNNING HIGH JUMP. Class A—Riley Timmons of Home Branch School. Class B—Elbert Hodge of Home Branch School. Class C—Norman DuBose of Pinewood School.

STANDING BROAD JUMP. Class A—Calhoun Land of Foreston School. Class B—Elbert Hodge of Home Branch School. Class C—Guy Smith of Turbeville School.

RUNNING BROAD JUMP. Class A—Calhoun Land of Foreston School. Class B—Minwood Coker of Turbeville School. Class C—Clarence Coker of Turbeville School.

STANDING HIGH JUMP. Class A—Alva Bryan of Home Branch School. Class B—Jerry Thames of Paxville School. Class C—Dewey Reynolds of Paxville School.

RUNNING CONTESTS. Class A—Leighton Cabbage of Paxville School. Class B—Yurria DuBose of Pinewood School. Class C—Norman DuBose of Pinewood School.

Athletic contests for the girls as follows: RUNNING Class A—Thelma McLeod, et

Paxville School. Class B—Pammie Ridgill of Home Branch School.

STANDING JUMP Class A—Estelle Wilson of Foreston School.

Class B—Rena Rich of Home Branch School.

RUNNING BROAD JUMP Class A—Estelle Wilson of Foreston School.

Class B—Louise Hodge of Trinity School.

LEMON RACE Class A—Hattie Wheeler of New Zion School.

Class B—Irene Plowden of Manning School.

Miss Thelma McLeod of Paxville also won in another contest not specified.

Appropriate prizes were awarded all of the above named pupils.

Very interesting games of basket ball and base ball were also enjoyed.

The base ball game was played by Pinewood and Manning, resulting in a score of 9 to 8 in favor of Manning.

The basket ball game was played by the Summerton and Manning teams and resulted in favor of the Manning team by a score of 20 to 5.

Taking everything into consideration, the day was one of great pleasure and profit to the county in general. These meetings where people come more widely and better acquainted are bound to be productive of great and lasting good.

\$100 Reward, \$100. The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. See our list of testimonials. Address, F. J. CHENEY & CO., Toledo, O. Sold by druggists, 75c.

Halls Eye Liner Pills are the best.

Public Warning. All persons are hereby notified not to trespass upon the lands of Millford estate near Bloom Hill, or enter the grounds and building of Millford, without first securing permission from the resident manager.
