**Government Kept Going.**  
"I notice that the old man's quit cussin' the government?" "Yes; after tryin' it for 30 year the government kept a-goin', jes' like it never heard tell of him--never so much as askin' him to please let up an' give it a chance to grow up with the country. That made him so mad he was too full fer utterance, he was struck speechless!"

**Elephant Gave Sick Soldier a Pill.**  
In the island of Ceylon, where there are a great many elephants, there was a young one which had been caught and tamed when it was a little thing. The doctors at a hospital used to take it round the wards with them in the morning, when it would see the sick soldiers take their medicines and pills. One morning a native soldier dropped his pill on the floor. In an instant the elephant picked it up with its trunk, popped the pill into the man's open mouth, and, with a great puff, blew it down. The elephant in its wild state plucks tender leaves from the trees with its trunk; food growing about the roots of trees it digs up with its tusks. It takes up water with its trunk and pours it down its throat. When the flies worry, it breaks off the branch of a tree, and, making a hand of its trunk, uses the branch like a fan.--From "The Childs Book of Knowledge."

**Piles Cured in 6 to 14 Days**  
Your druggist will refund money if PAZO OINTMENT fails to cure any case of itching, Piles, Bleeding or Protruding Hemorrhoids. The first application gives Ease and Rest. 50c.

**Good Excuses.**  
Two men were drinking together when the conversation turned on how to feed and train canaries, which happened to be their profession. They were telling each other the merits of their birds, which were to go in a show, and both were sure of winning the prize. At last one of them said, in a sorrowful tone: "Ah, Tom, if I had only got the one I had last week I should not have much trouble in winning, but I had taught him to sing, 'Home, Sweet Home,' so much to perfection that the tears rolled down his breast till he got exhausted, fell off his perch and was drowned in his own tears." "Oh," said Tom, "that's nothing. One night my bird was singing 'The Village Blacksmith' so true that the sparks flew out of his eyes, set fire to the cage, and before we had time to put the flames out the poor little wretch got roasted to death."

**To Drive Out Malaria**  
And Build Up The System  
Take the Old Standard GROVE'S TASTELESS CHILL TONIC. You know what you are taking, as the formula is printed on every label, showing it is Quinine and Iron in a tasteless form. The Quinine drives out malaria, the Iron builds up the system. 50 cents

**The Cossack**  
Tolstoy, who knew the Cossack describes him in his novel, "The Cossack," as follows: "He looks upon a woman as the instrument of his well-being. As long as she is unmarried she is allowed to make merry; but once a wife she must put aside the pleasures of youth and work even till the end of her days to add to his comfort. He is thoroughly oriental in his demand upon her obedience and toil. As a result of this state of things, the women, though to all appearances in subjection, become powerfully developed, both physically and morally, and, as is commonly the case in the East, possess incomparably more influence and consequence in domestic affairs than in the West. The Cossack, who in the presence of strangers regards it unbecoming to talk affectionately or gossip with his wife, cannot help feeling her superiority when he is left alone with her."

**When Hot Weather Oppresses.**  
"When you feel oppressed, dull and stupid, are inert and languid--do not blame it all on the weather. Heat will not affect you so much if the bowels are regular. Foley Cathartic Tablets are ideal for indigestion and constipation. They relieve stout persons of that bloated, heavy feeling. Dicksons Drug Store.--Adv.

**Rather a Neat Rebuke.**  
"We will now take up our annual collection for the benefit of the heathen," announced the Rev. Dr. Fourthly at the close of his sermon, "and I hope these young men making so much noise all through this service will be especially liberal in their contribution. They are in duty bound to help their brother heathens."

**Sound Advice.**  
Treat your friends as you do your bank account. Don't be reckless with them just because you've got them.--Detroit Free Press.
