Coughs and Colds
Not to Be Neglected

Anyone will realize the seriousness of neglecting a cold if he observes results of such neglect among his acquaintances. How often have you heard, "He caught cold, didn't do anything for it and it turned into"—then some dreaded disease is named.
Ordinary colds yield to prompt treatment at the beginning. That is why every family should be supplied with a reliable cough medicine—one that will heal raw and inflamed surfaces, loosen the phlegm, allay irritation, ease the hoarseness and stop the tickling sensation in the throat that does not permit one to sleep.
Foley's Honey and Tar Compound is invaluable for relief of coughs, colds, croup, whooping cough, tickling in throat, tightness or soreness, grippe or bronchial coughs. It contains no harmful ingredients. It is healing, soothing, efficient and pleasant.

No New York Namesake.
The genuine old New Yorker was looking very sad indeed. "I was looking over a post office guide or directory today," he said, "and while other cities of the land have small towns scattered about the country named for them, New York is without a single namesake. If I had the New York conceit I might say there could be but one New York, but I haven't, and I wonder if the absence of namesakes is due to the fact that New Yorkers are so enamored of their city that none has ever gone forth to colonize, or that those who have gone are of so small consequence that they have been unable to do as much as to give the name of their native town to any that they have assisted in founding. Whatever it is, the result remains, and there is but one New York mentioned in the post office directory."

Remarkable Promenade.
At a New York hotel a man who had suddenly become wealthy from an oil well venture had left his family, which had accompanied him to the city, in their rooms so long that they had become uneasy about him. At last he returned to the rooms, and to the anxious inquiry of his wife, "Where in the world have you been so long?" he responded, calmly: "I've just been in the cuspidore, walking pro and con."

Word of Caution.
Never judge a man by his clothes. She may have in her other one.

Straightforward Testimony.

Many Manning Citizens Have Profited by it.
If you have backache, a heavy trouble, days of dizziness, headache or nervousness, strike at the seat of the trouble. These are often the symptoms of weak kidneys and there is grave danger in delay. Doan's Kidney Pills are especially prepared for kidney ailments—are endorsed by over 31,000 people. Your neighbors recommend this remedy—have proved its merit in many tests. Manning readers should take fresh courage in the straightforward testimony of a Manning citizen.
J. K. Reardon, Manning, says: "I suffered from backache and pains across my loins. Doan's Kidney Pills brought me my health." (Statement given January 31st, 1911.)
OVER THREE YEARS LATER, Mr. Reardon said: "Whenever my back or kidneys trouble me I always use Doan's Kidney Pills and they put me in good shape."
Price 50c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Reardon had. Foster-Milburn Co. Props., Buffalo, N. Y.

Rather a Neat Rebuke.
"We will now take up our annual collection for the benefit of the heathen," announced the Rev. Dr. Fourthly at the close of his sermon, "and I hope those young men making so much noise all through this service will be especially liberal in their contribution. They are in duty bound to help their brother heathens."

Strong And Well as Ever.
Fred Smith, Green Bay, Wis., says: "Foley Kidney Pills completely relieved me of all soreness and pain in the back and now I am strong and well as ever." Cold weather makes aching joints, sore muscles and irregular bladder action more unbearable. Foley Kidney Pills help the kidneys eliminate pain-causing poisons. Dickson's Drug Store.—Adv.

Smile Right.
When in doubt—smile. It is a safe play at almost any stage of life's game. But be sure it's the right kind of a smile—not the 'awning smile, not the smile of fear which is better described as a grin, but the smile which says that the world is a pretty good sort of a place if you don't take it too seriously—the smile that says: "Come on in, the joke's a good one."—Pictorial Review.

Daily Thought.

A Cat or a Father.
In his "Life of Thomas B. Reed" Mr. Samuel W. McCall tells this story about the former speaker, who was an unusually large man:
When his daughter Katherine, or "Kitty," as he called her, was a little girl she had a cat to which she was much devoted. One day the kitten was sleeping in Reed's chair when he was about to sit down. His daughter, in horror, gave the chair a sudden pull to save the cat from annihilation, and as a result Mr. Reed sat down heavily on the floor. It was a rather serious happening for a man of his size, and even a lesser man might easily have lost his temper. But the only notice he took of the matter was to say gravely after he had got on his feet, "Kitty, remember that it is easier to get another cat than another father."

Chains on All Four Wheels.
When one places chains on the rear wheels of an automobile only, as is so often done, he overlooks the fact that it is the forward pair of wheels that give the car its direction and that it is anything more important to insure these against skidding than the rear wheels. The only way to be safe is to put chains on all four wheels in slippery weather. The slight trouble involved is in no way commensurate to the danger which is always present where skidding is a possibility. A driver who is too lazy and shiftless to take this simple precaution should be deprived of his license.—Outing.

A Nice Point.
"Every student of history knows that our Christmas customs are a development of the Roman saturnalia."
"Oh, surely not all!"
"I think so."
"No, no! There's no reason to suppose, for instance, that the Romans were all the time being hunched to do their saturnalian shopping early."—Pittsburgh Press.

Rivals.
"Is this an all star company?" asked the manager of the Bunkhurst Opera House.
"Sure it is," said the press agent.
"They haven't spoken a pleasant word to each other since they started on tour."—Birmingham Age-Herald.

Hold Up Your Head.
The simple habit of holding the chest high and the head erect will do more than anything else to retain a youthful figure. The moment the back bends goodby youth!

As a moth gnaws a garment, so doth envy consume a man.—Chrysostom.

His Motto.
"And what is your favorite motto?" asked the reporter who was interviewing the candidate for congress. "Put yourself in his place," replied the candidate.

Southern Railway New Trade Mark.

The Southern Railway Company has adopted a new and attractive trademark as shown above. The design "SR" is symbolical to the name of the road and the wording "The Southern Serves the South" is suggestive of the many lines operated by the Southern Railway, via some adjacent junction point. On this account the title "The Southern Serves the South" was adopted as being appropriate.
Southern Railway spends about \$200,000,000 a year in advertising and a great deal of this advertising is done in the Northern, Eastern and Western sections of the country so as to attract people into the South, and on all of this advertising matter this trade mark will appear hereafter.
