THE INCOMPARABLE FALL HARVEST SALE!

The Fall Harvest Sale is a Wreck Store origination. It is not duplicated anywhere in its sweeping scope, its timely interest or its remarkable offerings of NEW FALL MERCHANDISE. The 1916 Harvest Sale starts Friday morning Sept 22nd. It more than upholds past performances, it outdoes them. Its offerings cover your entire season's needs. It brings what you want for equipping the children for school, for getting the family ready for winter, for making the home comfortable. It represents the New Fashions and much other new merchandise of every kind, but in every case at prices made especially low for this occasion. It illustrates a new, and most convincingly, the Wreck Store's double principle of buying largely, and distributing widely and quickly at lowest prices for quality, that is always characteristic of The Store Accommodating.

NOTICE--While large supplies are provided of the many offerings on this page, in some cases we were able to secure but limited quantities. These will be offered at Harvest Sale Prices for the Next Ten Days Only, or if sold out earlier, as long as they last. We, therefore, urge you to attend this Harvest Sale as soon as possible.

Men's Clothing

We were indeed fortunate, this season in securing as fine a selection of Men's Suits and Overcoats, as can be found in Sumter, at prices that considering the quality and the conditions of the markets at the present time, are way below the average.
