And in the country outtside of Manning there were quite a number of enthusiastic volunteer workers, including, B. P. Broadway and J. J. Broughton of Pinewood, A. W. Scarborough of Remini, W. R. Davis of Panola, Capt. J. A. James and W. W. Anderson of Summerton, C. T. Martin of Alcolu. E. M. McElveen of Fork of Pack River, D. E. and J. M. Turbevice of Turbeville, Roy McFaddin of Sardinia, and a number of others. We wish also to thank the papers of the town for the very liberal way in which they gave us the use of their columns without charge. At considerable inconvenience they have furnished great assistance in making the campaign a success.

Manning Wants You---Come to Manning.

In this Tobacco Booster Edition Manning's live merchants and other business houses extend to you through their advertisements a cordial invitation to bring your tobacco to the Manning market and to buy your supplies for the family and for the farm at Manning.

Manning stores keep most everything you can think of and they are always ready and anxious to perform real service for you in the matter of advising you in regards to chosing, etc.

Regarding particularly the matter of styles, in these times of progressive merchandising it is just as easy and a great deal more advantageous to deal with the merchants in your own section, viz. in Manning as it is to do business with bigger houses in far away cities. Manning Carolina to grow bright tobacco. This merchants are keeping abreast of the times, and their one main idea is to satisfy the wants of the people of this section, and to give them the utmost in the way of value state. It has been from this noted for the most moderate prices.

"Buy at home" is an old motto that you have often heard at one time or another but it is a mighty good one to adopt, nevertheless. When you deal with Manning merchants, you know personally the men who are selling you, you can see the goods before buying and you are assured therefore of having the entire deal closed to your satisfaction. Remember too, that Manning merchants the main it has come from Salem. have your patronage. When adversiexpect to sell you not once, but time and again and it is tobacco men as "no man's land." This to their interests as well as your own to have you come has been between the firing lines, so back again, and too, to have you pleased at any cost.

Manning's merchants are good men to know, and they battle with many alien foes in the are always glad to see you and to serve you. The clerks in Manning stores are courteous and anxious to please, and taking everything into consideration you can't do better than buy in Manning.

Manning's live wire tobacco warehouses, stores and other business houses are preparing for the greatest tobacco season ever experienced in this section. And this is an invitation for you personally, to bring your tobacco to Manning for marketing. You will receive the highest cash prices and the best service to be obtained at any market in the state.

If you are going to have one load or a hundred to market, begin now to plan to come regularly to Manning. It is the logical central market place for this section and besides there are many other business advantages that Manning possesses as a marketing center that you cannot of tobacco cultivated north and west afford to overlook.

Dozens of tobacco farmers who have tried out Manning's market in competition with other markets have found out the truth-that the prices paid in Manning are right in line with the biggest markets in the state. And they have concluded that Manning is the place to bring their tobacco to dispose of it quickly and to the river. We find tobacco that is grown on the management for what you want best advantage and now go to no other market. Ever in the Folk section or in any other in their line. We have a good flour since the reopening of the tobacco industry Manning has section down to the very banks of mill for your convenience. We have been the gathering place daily for farmers of Clarendon the Santee river an excellent quality a good cotton seed oil mill and ginand well suited to the trade. We are

We have good churches and county through the entire season. As the facilities and advantages of this market have increased more farmers have seen the benefits to be derived from visiting the Manning warehouses and hence the city now draws farmers from many sections of surrounding counties.

This present tobacco harvesting season which opens officially on next July 12th bids fair to eclipse any former season both as to the amount of tobacco marketed and try. Fall in line and make some the prices paid for the weed. Already the biggest firms early money. The tobacco grower of have their buyers in readiness to proceed to the Manning market, and bidding is going to be interesting and lively. The more tobacco brought to market the more interest early to help him gather his other and the livlier the bidding will be. That is why your crop at a time of year when one dolcooperation will count and count to a great extent. Every lar is worth two later on. Come to load of tobacco you bring to this market helps your neighbor, yourself and every other farmer who has any sales

While you are weighing Manning's advantages as a tobacco market, do not overlook its other advantages. Manning has long been the shopping center for Clarendon county and every year sees improved merchandising methods that mean greater values and money saving for you, as a buyer.

Manning's live merchants and other business men are working with the one idea of giving you greater satisfaction and more for your money than you can get else- We will have more floor space and known this afternoon. The letters where and want you to give them a chance to prove this. better accommodations for the trade Up-to-date stores, with courteous clerks anxious to serve you with the best goods obtainable, await your patronage. The people of Manning are always gla dto see you, to help you get the best prices for your product and to serve you to the best advantage.

Manning is a good town to spend the day in pleasantly, its a good town to sell in, and a good town to buy in. Manning wants you-come to Manning.

TO THE POINT ABOUT MANNING MARKET The Manning tobacco market is one | kets in average for several years. We

Manning all these years has been hampering in her growth as a tobacco market, due to the fact that the principal amount of tobacco to sustain the market has been grown about twenty miles away. The territory from which we have largely sold tobacco for these years has been twenty miles away. This territory to which we largely owe our existence is what s known as the Salem, Pudding Swamp and Duglass section. This section of Clarendon county is one among the very best tobacco sections in the eastern part of our state. This was one of the first sections in South section has possibly done more to foster and encourage tobacco growing than any other county in the section as I have already stated that we have drawn our part of the patronage that has sustained our market through these years of slow growth. are proud of Manning and think we Of course we have been getting some tobacco from South of us and quite a in the world. good deal from what is known as the Folk section of our county, but in to speak. We will only be too glad to help you out with any information that you may want.

We have seen something of our history and gradual growth which has been slow and sure, until today we are better prepared to handle and care for tobacco than any time in our past history. We have built and are still building prizeries for our buyers than ever before. We want every man that grows tobacco continuous to Manning to sell his tobacco in Manning. Manning is the capitol tobacco market in Eastern South Carolina. We claim this title because we have merited it by our standard of high prices for every load of tobacco sold on our floors. Sell your tobacco in Manning and help build up your own county seat. Tobacco has built up other towns wonderfully and why not Manning? Every citizen both white and colored should patronize their home market, bring your products to Manning, we are entitled to your trade. We have four good banks, with ample facilities to accommodate every citizen in Clarendon county. Our banks want your deposits. They pay the same per cent on time savings as other banks do in other counties. Every citizen should consentrate his earnings at his own county seat. We want you to come to Manning, we extend to you a hearty welcome in all our places of business. Come and make Manning your town as much as ours. We believe in mutual co-operation and in home-building. We are interetsed in every man's welfare in Clarendon county. Come to Manning and let us get better acquainted. We have one of the best towns of its size

We have scores of good merchants Our merchants by all means should ty overtakes you they are always willing and ready to do what they can for you. When you have short crops they suffer with you, they renew your accounts as best they can, and at the same time have to meet their obligations with their creditors either by renewals of notes or borrow from our liberal banks and pay their accounts. Manning was hard hit two years ago with the cyclone, but with the grit and get up of her citizens she threw ruin into a beautiful town second to none to its size in South Carolina. We have some of the prettiest dry the size of the town. We have five drug stores, four whites and one colored. We have two good hardware stores lipping full of what you want in their lines. We have the best five and ten cents store in Eastern South Carolina to the size of the town. We have three good sale and feed stables. You can always get what you want in season. We have a good electric tion to the sunny slopes of Santee light and ice plant in Manning. Call anxious that more tobacco be planted schools and lawyers and doctors. We have everything to merit your fullest you all a hearty welcome to the new consideration and patronage. Just reindustry. Come down and see our member we are on the map to stay sales.
