THE INCOMPARABLE FALL HARVEST SALE!

The Fall Harvest Sale is a Wreck Store origination. It is not duplicated anywhere in its sweeping scope, its timely interest or its remarkable offerings of NEW FALL MERCHANDISE. The 1917 Harvest Sale starts Friday morning, Oct. 12. It more than upholds past performances, it outdoes them. Its offerings cover your entire season's needs. It brings what you want for equipping the children for school, for getting the family ready for winter, for making the home comfortable. It represents the New Fashions and much other new merchandise of every kind, but in every case at prices made especially low for this occasion. It illustrates anew, and most convincingly, the Wreck Store's double principle of buying largely, and distributing widely and quickly at lowest prices for quality, that is always characteristic of The Store Accommodating.

NOTICE—While large supplies are provided of the many offerings on this page, in some cases we were able to secure but limited quantities. These will be offered at Harvest Sale Prices for the Next Ten Days Only, or if sold out earlier, as long as they last. We therefore, urge you to attend this Harvest Sale as soon as possible.

What "Quality" Stands for Here

There is no reason for a person to trade in this store unless convinced that the dollar spent buys a dollar's worth of Merchandise. Prejudice in favor of friendly relations existing between the employe or owner and the customer should not influence the customer to patronize any store—quality alone should determine that. Quality always determines the price here—the looks of a thing has nothing to do with the value that we or you place upon it, the service it gives is the true measure of its worth.

Something More Than Merchandise to Offer

The mere exchange of Merchandise for money is incompatible with progress. No merchant can hope to attain the goal of success unless he is willing to sell something more than Merchandise.

This Store not only sells Merchandise, but offers goods of the best quality at the lowest possible price. With this we add SERVICE, COURTESY AND YOUR MONEY BACK IF YOU WANT IT.

New Fall Stocks are now complete and you can select from them with the absolute assurance of style correctness, and at prices that could not be duplicated in wholesale market today.

This is our conception of a store whose duty it is to protect its patrons whenever possible.
