

# Always Have PERUNA

Mrs. L. A. Patterson, 1399 Kentucky St., Memphis, Tennessee, writes:

"I have been a friend of Peruna for many years. I have used it off and on for catarrhal complaints and found it a very excellent remedy. I have a small family of children. Times are hard with us, but I can scarcely afford to do without Peruna, especially during the season of the year when coughs and colds are prevalent. We always recommend Peruna to our neighbors, for the benefit it has been to us."

**For Coughs and Colds in the Home. Recommend It to Our Neighbors.**

Those who object to liquid medicines can procure Peruna Tablets.

## STATEMENT ON TAXES

Collector Heyward Explains Phases of War Revenue Bill.

Columbia, Oct. 28.—The collector of internal revenue has given out the following information with reference to some of the new war taxes, which go into effect on November 1, 1917.

The rate of tax on all commodities transported by freight shall be three (3) per cent of the amount paid for such transportation. This applies to transportation by either rail or water, or by any form of mechanical power when in competition with carriers by rail or water, consigned from one point in the United States to another.

A tax of one cent for each 20 cents, or fraction thereof, shall be paid to any person, corporation, partnership, or association, engaged in the business of transporting parcels or packages by express over regular routes between fixed terminals, for the transportation of any package, parcel, or shipment by express from one point in the United States to another.

A tax shall be paid equivalent to eight (8) per cent of the amount paid for the transportation of persons by rail or water, or by any form of mechanical motor power on a regular established line when in competition with carriers by rail or water, from one point in the United States, to another, or to any point in Canada or Mexico, where the ticket therefor is sold or issued in the United States, not including commutation or season tickets for trips less than thirty miles, or for transportation the fare for which does not exceed 35 cents. A tax shall be paid equivalent to ten (10) per cent of the amount paid for

seats, berths, and staterooms in parlor cars, sleeping cars, or on vessels.

A tax of 5 cents shall be paid upon each telegraph, telephone, or radio, dispatch, message, or conversation, which originates within the United States, and for the transmission of which a charge of 15 cents or more is imposed.

In case a carrier does not, because of its ownership of the commodity transported, or for any other reason, receive the amount which as a carrier it would otherwise charge, then the carrier shall pay a tax equivalent to the tax which would be imposed upon the transportation of such commodity if the carrier received payment for such transportation. This tax does not apply to the transportation of any commodity by the carrier which is necessary for the use of the carrier in the conduct of its business as such, and is intended to be so used, or has been so used; neither does it apply to the transportation of company material transported by one carrier, which constitutes a part of a railroad system, for another carrier which is also a part of the same system.

On all life insurance policies there shall be paid a tax equivalent to 8 cents on each \$100, or fractional part thereof of the amount for which any life is insured under any policy of insurance, or other instrument, by whatsoever name called. Upon policies of life insurance by which a life is insured not to exceed \$500, issued on the industrial or weekly-payment plan, the tax shall be forty per cent of the amount of the first weekly premium. Policies of reinsurance are exempt from the tax thus imposed.

On marine, inland, and fire insurance, there shall be paid a tax equivalent to one cent on each dollar or fractional part thereof of the pre-

mium charged under each policy of insurance.

On casualty insurance there shall be paid a tax equivalent to one cent on each dollar or fractional part thereof of the premiums charged under each policy of insurance, or obligation of the nature of indemnity for loss, damage, or liability, issued, executed or renewed by any person, corporation, partnership, or association, transacting the business of employer's liability, workmen's compensation, accident, health, tornado, plate glass, steam boiler, elevator, burglary, automatic sprinkler, automobile, or other branch of insurance coming under this head.

The collector stated further that the taxes on the following articles went into effect on October 4, 1917, and is payable at one-half the rate named:

Upon all automobiles, automobile trucks, automobile wagons, and motorcycles, sold by the manufacturer, producer, importer, or wholesaler, there shall be paid a tax equivalent to three per cent of the price for which so sold.

Upon all piano players, graphophones, phonographs, talking machines, and records used in connection with any musical instrument, piano player, graphophone, phonograph, or talking machine, sold by the manufacturer, producer, importer, or wholesaler, there shall be paid a tax equivalent to three per cent of the price for which so sold.

Upon any article commonly or commercially known as jewelry, whether real or imitation, sold by the manufacturer, producer, importer, or wholesaler, there shall be paid a tax equivalent to three per cent of the price for which so sold.

Upon all tennis rackets, golf clubs, baseball bats, lacrosse sticks, balls of all kinds, including baseballs, footballs, tennis, golf, lacrosse, billiard and pool balls, fishing rods and reels, billiard and pool tables, chess and checker boards and pieces, dice, games and parts of games, except playing cards and children's toys and games, sold by the manufacturer, producer, importer, or wholesaler, there shall be paid a tax equivalent to three per cent of the price for which so sold.

Upon all perfumes, essences, extracts, toilet waters, cosmetics, petroleum jellies, hair oils, pomades, hair dressings, hair restoratives, hair dyes, tooth and mouth washes, dentifrices, tooth pastes, aromatic each-

ous, toilet soaps and powders, or any similar substance, article, or preparation by whatsoever name known or distinguished, which are sold by the manufacturer, importer, producer, or wholesaler, there shall be paid a tax equivalent to two per cent of the price for which so sold.

Upon all pills, tablets, powders, tinctures, troches or lozenges, syrups, medicinal cordials or bitters, anodynes, tonics, plasters, liniments, salves, ointments, pastes, drops, waters, essences, spirits, oils, and all medicinal preparations, compounds, or compositions whatsoever, which are sold by the manufacturer, producer, importer, or wholesaler, there shall be paid a tax equivalent to two per cent of the price for which so sold.

Upon all chewing gum or substitute thereof sold by the manufacturer, producer, importer, or wholesaler, there shall be paid a tax equivalent to two per cent of the price for which so sold.

Each manufacturer, producer, importer, or wholesaler of any of the above enumerated articles shall make monthly returns under oath, in duplicate, and pay the taxes imposed on such articles to the collector or internal revenue.

## NEW RUTLEDGE COUNTY TO BE VOTED ON DEC. 11

Columbia, Oct. 27.—By proclamation issued today, Governor Manning has ordered an election to be held on December 11, 1917, which is the second Tuesday in that month, upon the question of the creation of John Rutledge county, which it is proposed to form from portions of Florence and Williamsburg counties. Lake City, in Williamsburg county will probably be the county seat of the new county, if it should be formed.

The election is ordered by the governor upon petitions signed by more than one-third of the qualified electors of the portions of the two old counties affected. A commission was appointed which has reported that all the constitutional requirements have been complied with.

The boundaries of the proposed new county are thus set out in the governor's proclamation, which orders that the election be held upon the formation of the county, and also upon a name for the county and a county seat:

"Beginning at Lynch's bridge on Lynch's river in said county of Florence, running thence up Lynch's river to the point where the Florence-Sumter county line intersects with said river; thence southeast along said line to its intersection with the Florence Clarendon county line; thence along said Florence-Clarendon county line to its intersection with the Williamsburg-Clarendon county line; thence southwest along said Williamsburg-Clarendon county line to the point where it intersects with the road leading from Cades along by Hebron church into Clarendon county (taking as a basis for description and location a straight line from the last named point southeast to the southern boundary line of the lands of W. G. Wilson, in White Oak swamp, which lies as a basis for description and location in hereinafter called the "Basis line"); thence, that is to say, from said point of intersection of the Williamsburg-Clarendon county line with the Cades by Hebron church road a straight line S27 15W one mile; thence southeasterly in a straight line to the point on the said 'Basis line,' 45,000 feet from the court house building at Kingstree; thence southeastwardly a straight line to the point on the center of the Atlantic Coast Line railroad track 43,540 feet from the court house

building at Kingstree; thence southeastwardly a straight line to the point on the said 'Basis line,' 45,000 feet from the court house building at Kingstree; thence southeastwardly a straight line coinciding with the said 'Basis line' to the southern boundary line of the lands of W. C. Wilson in White Oak swamp; thence passing along the said southern boundary line of the lands of W. C. Wilson in White Oak swamp and continuing in the same straight line to its intersection in Black Mingo swamp with a line running from the northwest corner of the town of Hemingway southwest in a straight line along the public highway in front of the Indiantown school house; thence, that is to say, from said point of intersection of said two lines in Black Mingo swamp, a straight line northeast to the southeast corner of the lot of land on which the Indiantown Presbyterian church is situated; thence N69 30E a straight line to the road at or near the residence of R. J. Brown; thence northeast a straight line to the southwest corner of the town of Hemingway; thence north along the western boundary line of the said town of Hemingway to the northern boundary line of said town of Hemingway; thence running along the northern boundary line of said town of Hemingway to the northwest corner of said town; thence S37E to the Williamsburg-Georgetown county line; thence up said county line northeast to its intersection with Great Pee Dee river near Smith's Mills; thence up Great Pee Dee river to Bostwick's landing; thence southwest along the road leading from Bostwick's landing to Beulah church two and three-tenths miles; thence northwest in a straight line passing through Bass' Cross Roads and continuing to Lynch's river; thence up Lynch's river to a point one mile south of Anderson's bridge on said river; thence northwest in a straight line to Lynch's bridge, the point of beginning."

# MAN OF 70 KNOCKS OUT DISEASE WITH MINERAL REMEDY

Photographer of Vina, Ala., Wins Long Fight With Blood Disease.

"Unless they have been in my condition it would be hard for anyone to realize what I have been through," writes Mr. D. H. Willis, Route 1, Vina, Ala.

"I have had a six-year fight with a malignant and persistent blood disease. I tried everything that I could hear of but grew steadily worse."

"Finally I took to my bed expecting to die most any day and it was then that I heard of SULFERO-SOL. From the first bottle I commenced to improve almost miraculously."

"I am up and attending to my studio and have gained so much in strength that I can now walk two miles and not mind it in the least. My skin which was covered with sores has healed."

"Just how to tell my gratitude for this wonderful mineral remedy I don't know but I do feel that SULFERO-SOL is the most remarkable medicine that has ever been sold to mankind and I do not believe there is another medicine in this world to equal it in curing blood disease."

SULFERO-SOL can be found at any Drug Store. If your Druggist does not have SULFERO-SOL he will order it for you. The Murray Drug Co. Columbia, State Distributors.—adv.

## SOLDIER BUMPS INTO AERO-PLANE KILLED INSTANTLY

Camp Doniphan, Okla., Oct. 28.—In a collision with the running gear of an ascending aeroplane, Private Joseph Hayes, 26, of the New York third aero squadron, was instantly killed here today. The accident occurred on the aviation field. Hayes was on a motorcycle when he collided with the flying machine.

## His Life Insurance.

Pat was employed by a subway construction company. As he was leaving the house his wife said: "Do mind yez don't git hurt, Pat. It's so dangerous working in that subway."

"That's all right, Biddy," replied Pat. "I borrowed \$2 from the foreman, and he don't let me do any dangerous work any more."—Judge.

## Catarrhal Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrhal deafness, and that is by a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surfaces. Hall's Catarrh Medicine acts thru the blood on the mucous surfaces of the system.

We will give One Hundred Dollars for any case of Catarrhal Deafness that cannot be cured by Hall's Catarrh Medicine. Circulars free. All Druggists, 75c.

## GONE FOR GOOD

Results That Last Are What Appeal to Manning People.

Kidney sufferers in Manning want more than temporary relief. They want results that last—Results like Mrs. Wells tells about. Her's was a thorough test. Four years is a long time. Doan's Kidney Pills have stood the test and stood it well. Why experiment with an untried medicine?

People here in Manning have shown the way. Read Mrs. Wells' story: She says: "I suffered from dull, nagging backaches, pains across my kidneys, headaches and dizziness. I got a box of Doan's Kidney Pills from Burns' Drug Store and found them to be just what I needed. In a short time I was relieved of the aches and pains in my back and had no further trouble from my kidneys."

A Lasting Cure. Four years later, Mrs. Wells said: "The cure Doan's Kidney Pills gave me, has been a lasting one." Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Wells has twice publicly recommended. Foster-Milburn Co., Props., Buffalo, N. Y.—adv.
