These stamps are in denominations of \$5.00 each, though they only cost the purchaser \$4.12. They are payable January 1st, 1923, the 88 cents difference in the price being interest on the money. These stamps are redeemed at any postoffice in the United States at any time, after giving the postmaster ten days notice.

In addition to this the Government will sell "Thrill Stamps" in denominations of 25 cents. The purchasers of these stamps, can upon the payment of 12 cents exchange sixteen Thrill Stamps for a regular \$5.00 Stamp. These stamps are on sale at all postoffices in the country and a number of banks will handle them.
