Ross is considered one of the headliners in the game, and was the best man the promoter could get to book with Turner. Those who have followed the game think a great deal of Ross' work and feel that he 2.40 will give Turner a good, hard battle to pin his shoulders to the mat. Reserved ringside seats will be on

Weak Kidneys Make Weak Bodies

Kidney Diseases Cause Many Aches and Ills of Manning People.

As one weak link weakens a chain, so may weak kidneys weaken the whole body and hasten the final breaking-down.

Overwork, strains, colds and other causes injure the kidneys, and generally when their activity is lessened, the whole body suffers.

Aches and pains and languor and urinary ills frequently come, and there is an ever-increasing tendency towards dropsy, gravel or fatal Bright's disease. When the kidneys fail there is no real help for the sufferer except kidney help.

Doan's Kidney Pills act directly on the kidneys.

No need to take the statement of someone living far away as evidence. Here is a case right in this locality. J. R. Dyson, farmer, R. F. D. No. 2, Silver, S. C., says: "My kidneys were in bad shape. I had pains in my back and loins and could hardly walk at times. I was sore and lame and had rheumatism twinges I had spells of dizziness. The kidney secretions passed irregularly, sometimes being too frequent and then again scanty. My knees and ankles became swollen. I doctored and tried different medicines with no results until I finally used Doan's Kidney Pills. They relieved all signs
