FERTILIZERS FOR 1918

The New Year is here and a great many of our friends are considering their fertilizer requirements for this year's crop.

It is our pleasure to announce that we are fully prepared to meet their requirements with anything in the fertilizer line except Potash, of which we have only a limited quantity.

Fertilizers are high, but not in proportion to cotton and other farm products. They are cheaper in comparison with the price of cotton than when it sold at 10 cents.

Order Your Goods Early

Whether you buy from us or not our advice is to get your orders in early, for it is our candid opinion that those who delay may be unable to get their goods in time for the planting season. Everyone who reads the papers, knows the railroad situation now and the difficulty in getting goods, and we might be permitted to ask, what do you think it will be when the fertilizer movement starts.

If you have room in which to house your fertilizers, get them in at once.

MAJ. H. B. RICHARDSON DEAD

Columbia, Dec. 22.—Maj. Henry Burchill Richardson died at his residence, 1707 Pendleton street, last night at 8 o'clock. The funeral services will be at St. Marks, Clarendon county, Sunday noon at 12:30 o'clock.

He had been in bad health for some time and had been ill for several days. All the members of his immediate family were with him at the time of his death.

He is survived by his widow, Mrs. Julia Courtenay Richardson, and five children by his first wife, who was Miss Mary Manning, a daughter of Gov. John L. Manning. His children are: One daughter, Mrs. Wallace Latimer Ball of Baltimore, and four sons, H. B. Richardson, Jr., R. C. Richardson, Jr., Manning Richardson, all of Pinewood, and Lieut. Ransom S. Richardson of Camp Jackson.

Major Richardson had been a resident of Columbia for about ten years having moved here from Clarendon county, where his family had lived for many generations.

He was the son of R. C. Richardson and the grandson of Gov. James Burchill Richardson.

Major Richardson was in his 69th year, his next birthday being January 19, 1918. For the past several years he had not been in vigorous health and for several months his condition had been regarded as serious.

He took a lively interest in public affairs, but never sought public office except to represent his native county in the legislature. He was of a retiring disposition, a kindly, courteous gentleman of the old school.—Sumter Item, Dec. 22.
