Catarrhal Deafness Cannot Be Cured by local applications as they cannot reach the diseased portion of the ear. There is only one way to cure catarrhal deafness, and that is by a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed Deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surfaces. Hall's Catarrh Medicine acts on the mucous surfaces of the system.

We will give One Hundred Dollars for any case of catarrhal Deafness that cannot be cured by Hall's Catarrh Medicine. Circulars free. All druggists, 75c. F. J. CHENEY & CO., Toledo, O.

REMARKABLE CHANGE IN JUST A FEW DAYS

Spartanburg Woman Relates Her Wonderful Experiment

SHE SUFFERED MUCH

After Being in Bed Three Weeks, Tanlac Had Her Up in Just Three Days

"I was able to eat a regular meal and do light housework in three days after I began taking Tanlac, though before I started taking it I had stayed in bed three weeks and could not even sit up," said Mrs. J. G. Johnson, of 587 N. Church St., Spartanburg, in her endorsement of "The National Tonic." "In a week after taking the first dose, I discharged my cook and began doing all my housework, and I went to church five days after I began this treatment," continued Mrs. Johnson. "I had catarrhal fever and what I think was a light case of the grippe. I was awfully nauseated and I could not retain even cold water, much less food. I became so weak and sick that I had to stay in bed. When I started Tanlac I had been in bed three weeks and unable to sit up. All this time I was under treatment, and I did not seem to be gaining strength. I lost heart in that way of trying to regain my health, and so I threw away all my medicines and began taking Tanlac.

"The Tanlac gave me back my appetite right at the start, and I could just feel myself getting stronger right along. I have never known any medicine that would make a sick person well so quickly, especially one as sick as I was. I took just two bottles. I am feeling fine now and I'm getting stronger. My health is far better than it has been for a year or so. The Tanlac surely did make me get well quickly—it was just wonderful." Tanlac, the Master Medicine, is sold by Dickson's Drug Store, Manning; H. W. Nettles, Jordan; Shaw & Plowden, New Zion; Farmers' Supply Co., Silver; D. C. Rhame, Summerton.—Adv.
