

Stand Back of Our Fighters!

OUR boys are facing the Hun "over there" so that America may never undergo the horrors inflicted on Belgium and France.

They are called upon to face the cruelest and craftiest foe that human beings ever withstood.

They must have guns and food and equipment, and ships to transport them across 3,000 miles of submarine-infested seas.

Are you standing back of the boys who are giving their lives that you may be safe? Are you lending your government part of your earnings that the fighters may not lack for food, clothing and shells?

Let our fighters know you are with them! Buy Thrift and War Savings Stamps all the time, and induce others to buy them. Lend your government part of your surplus.

Back up the boys "over there" so that you may never have to flee before the enemy "over here."
