

TO THE VOTERS

OF

Clarendon County:--

The Office of Clerk of Court is One of Importance and Responsibility.

From an educational standpoint I am satisfied of my ability to fill the position. Having served as Deputy Clerk for almost six years and as Clerk since December, 1917, I am thoroughly familiar with the duties of the office. If there has been the least dissatisfaction with my administration I have not heard of it.

If elected, I will do as I have done in the past, devote my entire time to its duties.

As evidence of my standing where I am best known, in Summerton, where I was reared, in the first primary, out of a total vote of 136 I received 123 votes.

For the whole county my vote was 643 to my nearest opponent's 342.

The following letter shows how I stand where I was born and raised:

Mr. Cantey's Many Friends at Summerton are Jubilant
Over the Results of Tuesday's Election

The many friends of Mr. J. B. Cantey are jubilant over the magnificent vote received by him in all sections of the County Tuesday. To show you how well he stands with his home people, out of 136 votes, with four able opponents, he received 123 votes. Ben is a very clever young man and is reputed to be a very efficient Clerk of Court, and it is the wish of his many friends that the good people of the county will join hands with us in the second primary and give him a good majority over his opponent, and give him at least one full term as Clerk, which he richly deserves.

(Signed)
HIS MANY FRIENDS FROM SUMMERTON.

At this time I am kept in my office by urgent government business, and therefore cannot see you personally, I shall be grateful for your support, and shall, if elected, strive to serve you both efficiently and acceptably.

J. B. CANTEY.
