

WILL BE HERE SATURDAY, 12TH!

Our Fifth Car Of
HORSES ^A_N^D MULES

12—OF EACH—12

This is without doubt the very best lot that we have ordered this season. This car consists of Work and Driving Horses, Saddle Horses, Lady-broken Horses, and every-purpose Mules. We told them that we wanted the very best on the market and they wired us that was what they were sending. We want you to come in and look over these Saturday. We know that you can get the animal that you want.

ADRIANCE MOWERS!

We received this week our third carload of Adriance Mowers. This is one of the very best Mowing Machines on the market, and we are selling them about as fast as they come in. We want you to come in and let us demonstrate this labor-saving machine.

We also carry a complete line of other Farm Machinery, such as Adriance Binders, Rakes, Cultivators, Plows, Kirstin Stump Pullers, Etc. Come and let us talk it over.
