Now's the time to plant a patch of Abruzzi Rye for Seed. We have a few bushels left of Coker's Pedigreed Seed, the finest Abruzzi Rye in America. Don't miss this opportunity at THE MANNING GROCERY CO.

COLD AND GRIPPE YIELD TO CALOTABS OVERNIGHT

To break up a cold over night or to cut short an attack of influenza or grippe, physicians and druggists are now recommending Calotabs, the new nausealess calomel, that is purified from all dangerous and sickening effects. Those who have tried it say that it acts like magic, by far more effective and certain than the old style calomel, heretofore recommended by all physicians.

One Calotab on the tongue at bed time with a swallow of water—that's all. No salts, no nausea nor the slightest interference with eating, work or pleasures. Next morning your cold has vanished and your whole system feels refreshed and purified. Calotabs is sold only in original sealed packages, price thirty-five cents. Recommended and guaranteed by all druggists. Your money back if you are not delighted. —Advt.

NEGRO ATTACKED AND CUT GIRL

Tampa, Fla., Nov. 25.—Nathaniel Jones, a negro youth about seventeen years old, was arrested this afternoon some two hours after he had attacked a fourteen-year old white girl, daughter of a farmer living just east of the city, at her home. Jones cut the child's throat and stabbed her in the abdomen. The windpipe was not cut, and after her assailant left the girl recovered consciousness and crept into the house where she was found by her parents when they returned home. She was able to tell who her assailant was before relapsing into unconsciousness.

CASE AFTER CASE

Plenty More Like This in Manning

Scores of Manning people can tell you about Doan's Kidney Pills. Many a happy citizen makes a public statement of his experience. Here is a case of it. What better proof of merit can be had than such endorsement?

James E. Reardon, machinist, Manning, gave the following statement January 30, 1911: "Some years ago I used Doan's Kidney Pills and found them a valuable remedy. At that time my kidneys were giving me considerable trouble. I had backaches and pains across my loins. I used Doan's Kidney Pills and they gave me prompt and lasting relief."

AFTER A LAPSE OF SEVEN YEARS, Mr. Reardon said: "You can still use the statement which I gave some time ago praising Doan's Kidney Pills. Doan's certainly are a good medicine for cases of kidney trouble."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Reardon had. Foster-Milburn Co., Mfgs., Buffalo, N. Y.

STRAINED RELATIONS EXIST BETWEEN LATIN REPUBLICS

Chile and Peru Each Withdraw Consuls From Other Nation Because of Internal Disturbances—Means Diplomatic Rupture

Lima, Peru, Nov. 26.—It is unofficially announced that Peru has withdrawn her consuls from Chile as a reward of anti-Peruvian rioting in Iquique and Antofagasta.

The Tacna-Arica controversy apparently is approaching a critical stage following the anti-Peruvian demonstrations in Iquique last night. The residences of Peruvians and their business houses are reported to have been stoned and looted. The Peruvian Club was closed and the Peruvian consul was forcibly placed aboard the Chilean steamer Palena, bound for Callao.

The possibility of hostilities between Peru and Chile was the one topic of discussion in Lima today. It is reported that the Peruvian Government had cancelled all Chilean consular appointments here.

Iquique dispatches indicate that no attempt was made by the Chilean authorities to prevent the anti-Peruvian outbreak, although a strong garrison is maintained at that port.

Lima is quiet.

Chile Withdraws Consuls

Santiago, Chile, Nov. 26.—The Chilean Government has decided to withdraw its consuls in Peru in order to avoid untoward incidents which might take place in case of outbreaks in Peru and Chile.

Late newspaper dispatches say Chile has withdrawn her consuls from Peru. This will constitute a diplomatic rupture, as there have been no ministers in either country since the war in which Chile won Tacna and Arica, the cause of the present trouble.

Charge Outrages

Buenos Aires, Nov. 26.—The Peruvian legation here today received the following dispatch from the Peruvian ministry of foreign affairs:

"After the extraordinary outrages at Iquique Saturday, during which the property of several Peruvians was sacked, Chilean crowds on Sunday attacked the Peruvian consul at Iquique, Senor L. Hosa, while he was on his way to the mayor to protest against the riots.

"He was carried by force aboard a small steamer anchored in the port. The authorities and the police consented to the outrage and notified the consul that they would not permit him to disembark.

"Upon receiving this notice the Peruvian Government has withdrawn its consular representatives from Chile."

News dispatches received here indicate that disturbances are general in Iquique, Antofagasta and Pisagua and that several Peruvian commercial houses have been wrecked in Pisagua.

Rumor Was False

A dispatch from Buenos Aires last Friday reported serious demonstrations in Antofagasta against Peruvian business houses in consequence of a false rumor that the Chilean consul at Callao, Peru, had been assassinated by Peruvians. No reports are at hand as to the rioting at Iquique or as to the rioting at Iquique and Pisagua.

The dispatch from Buenos Aires said there was great agitation throughout Chile over a speech made at La Paz by the Bolivian minister of war, who is reported to have said that the hour had arrived to take back the provinces of Tacna and Arica from Chile. The present unrest in Peru, Bolivia and Chile is due to a desire of Peruvians and Bolivians to settle the Tacna and Arica question under President Wilson's principle of self-determination. These border provinces constitute the Alsace-Lorraine question of South America.

The Buenos Aires dispatch of Friday added that it was reliably stated that Chile had approached Argentina on the subject of Argentina remaining neutral in the event of an outbreak between Chile and Peru.

WILL TAKE TIME TO RESTORE LENS MINES

Washington, Nov. 26.—Preliminary surveys of the coal fields of Lens, France, fuel administration officials indicate it will take from eight months to three years to put all the mines into operation again. Walter E. Hope, chief Fuel Administrator, said today.
