

# FERTILIZERS WITHOUT SUBSTITUTES

*The Kind You Used to Buy*

Our Cotton Seed Meal and Fish Scrap Mixtures are unexcelled, and our prices are as low as for any goods of equal quality.

We have all grades, with or without Potash, but we especially recommend our 8-3-2 and 8-3-3 as best suited for all crops in this section.

Don't stint your crop on fertilizers this year. Cotton will very likely sell much higher this fall than it is at present, and even at the present prevailing price, a bale of cotton now will buy more guano than it ever would.

Be sure to get our prices before purchasing elsewhere, and when you are in Manning pay us a visit. Our plant is always open for inspection and you are perfectly welcome to go through it at any time during working hours.

### RED LEADERS SLAIN

#### BY MOBS IN BERLIN

Dr. Karl Liebknecht and Rosa Luxemburg Killed

#### LIEBKNECHT MADE DASH

Ordered to Halt, and Failing, Soldiers Fired, Death Being Almost Instantaneous.

Berlin, Jan. 20.—Dr. Karl Liebknecht and Rosa Luxemburg have been killed.

When it became known that Dr. Liebknecht and Rosa Luxemburg were at the Hotel Eden, in the western part of the city, a crowd rapidly congregated and stormed the hotel lobby to lay hands on them. Both were spirited to a side entrance to the hotel, but the mob forestalled the attempt of the troops to save Fraulein Luxemburg. She was beaten into insensibility and then thrown into an automobile by the crowd, which intended to take her to prison.

Shot Through Head.

A few blocks down the street the machine was halted by a second mob and when the presence of Fraulein Luxemburg became known a man jumped on the running board of the car and shot her through the head. The body was dragged from the automobile and carried off. It is supposed it was thrown into the canal, but it has not been found. In the meantime Dr. Liebknecht was hurried into another automobile by officers and troops and the car was headed for the Bobait prison. While going through the Tiergarten the machine was halted by a punctured tire. Dr. Liebknecht was asked to get out by the officers, who intended to haul another automobile and continue toward the prison. While waiting Dr. Liebknecht made an attempt to escape and was shot dead by the soldiers who had anticipated such an effort on his part.

#### Identified by Shirt.

When Dr. Liebknecht was arrested at the home of a relative on Manheimerstrasse yesterday morning he stoutly denied his identity. After being escorted to the Eden Hotel he was searched and his monograph, "K. L.," was discovered in his shirt.

Dr. Liebknecht's capture was due to a telephone conversation overheard by detectives in which he and Rosa Luxemburg agreed to meet at the home of a man named Marcusson in the suburbs of Wilmersdorf Marcusson's home, the police say, has long been one of the gathering places of the Spartacists.

#### Last Desperate Dash.

Dr. Liebknecht's attempt at escape was the last desperate dash for freedom on the part of a man who had left prison only last October. When the automobile which was carrying him broke down he was warned against any attempt at flight. The officer in charge asked Dr. Liebknecht, who was bleeding from a wound in the head he had received through being struck by a cane in the hands of some member of the mob whether he felt able to walk a few hundred yards to the next street, where a new automobile could be found.

Dr. Liebknecht said he could and the party started to walk. When near a group of trees Dr. Liebknecht pushed aside the soldier nearest him and dashed for the underbrush in the Tiergarten. The soldiers ordered him to halt. He paid no attention to their demands and several shots were fired at him.

One bullet struck him in the base of the neck, squarely between the shoulders, and death was almost instantaneous.

ADVERTISE IN THE TIMES

### SUMMING UP THE EVIDENCE

Many Manning People Have Been Called as Witnesses.

Week after week has been published the testimony of Manning people—kidney sufferers—backache victims—people who have endured many forms of kidney, bladder or urinary disorders. These witnesses have used Doan's Kidney Pills. All have given their enthusiastic approval. It's the same everywhere. 50,000 American men and women are publicly recommending Doan's—always in the home papers. Isn't it a wonderful, convincing mass of proof? If you are a sufferer your verdict must be "Try Doan's first."

Here's one more Manning case. W. N. Hill, says: "About two years ago I was troubled with my kidneys. There were pains across the small of my back and it felt as if someone were sticking a knife into me. My nerves were all unstrung and often times I had dizzy spells. I felt as if I wanted to sleep all the time. A friend recommended Doan's Kidney Pills so I bought some at Dickson's Drug Store. Doan's Kidney Pills entirely cured me of the trouble and I haven't been bothered since."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Hill had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.—adv.

### TO APPLY FOR INJUNCTION

Florida Commissioners Oppose Advance in Telephone Rates.

Tallahassee, Fla., Jan. 20.—Disapproving the recent order of Postmaster General Burleson ordering certain changes in long distance telephone tolls, effective January 21, the Florida Railroad Commission today instructed its counsel to make application to the courts tomorrow "for an injunction to restrain the Southern Bell Telegraph and Telephone Company from putting these rates into effect."

The commission holds that "the rates" as proposed, are confusing; that they will be a source of dissatisfaction; that the decision of what rates will be charged in certain cases is discretionary with the company and that the subscriber will have no redress from these charges once made.

### CHANGES IN GREAT RIVER

Noted Advance Seaward in Mississippi Delta.

Washington, Jan. 20.—Completion of the new coast and geodetic survey charts for the Mississippi river from the passes to Grand Prairie, La., was announced today by the Department of Commerce.

The most important new information made available consists of the results of a recent hydrographic examination of the water area in the Gulf from North Pass to South Pass.

### Grove's Tasteless Chill Tonic

restores vitality and energy by purifying and enriching the blood. You can soon feel its Strength-giving and Invigorating Effect. Price 60c.

The inshore limit was the three-fathom depth curve and the examination was extended seaward to the 100-fathom depth curve.

A long interval elapsed between the survey recently made and the one which preceded it, and great changes occurred along the sea front of the delta. The three and ten-fathom depth curves have advanced seaward from a quarter of a mile to a mile and a quarter, due to the steady accumulation of river silt. Farther seaward this characteristic advance of the delta into the Gulf is evident, but less pronounced.

Frequent notices of changes in South Pass and Southwest Pass are received from the engineers, United States army, and the most recent ones have been incorporated in this edition.

Because of this new information navigators will find this new edition valuable for approaching the passes from seaward as well as far coasting along shore.
