

**NEARLY 300 BATTLES
FOUGHT IN THIS STATE**

List of Major and Minor Engagements in the Revolutionary War, 1775-1783, and the War Between the States, 1860-1865.

The subjoined list of 281 battles, minor engagements, skirmishes, etc., that have been fought in the State of South Carolina during the history of the United States was culled from the records of the War Department, at Washington, which show that sixty-four of these engagements were fought in the Revolutionary War, 1775-1783, and 217 were fought in the War Between the States, 1860-1865.

The list, showing the names or localities and dates of the engagements, now follows, to wit:

- Revolutionary War.**
Anderson, Fort, July 30, 1780.
Balfour, Fort, April 12, 1781.

Essenecca Town, August 1, 1776.
Eutaw Springs, September 8, 1786.
Fish Dam Ford, November 9, 1780.

The Quinine That Does Not Affect the Head
Because of its tonic and laxative effect, LAXATIVE BROMO QUININE is better than ordinary Quinine and does not cause nervousness nor ringing in head. Remember the full name and look for the signature of H. W. GROVE. 30c.

**DOCTOR URGED
AN OPERATION**

Instead I took Lydia E. Pinkham's Vegetable Compound and Was Cured.

Baltimore, Md.—“Nearly four years I suffered from organic troubles, nervousness and headaches and every month would have to stay in bed most of the time. Treatments would relieve me for a time but my doctor was always urging me to have an operation. My sister asked me to try Lydia E. Pinkham's Vegetable Compound before consenting to an operation. I took five bottles of it and it has completely cured me and my work is a pleasure. I tell all my friends who have any trouble of this kind what Lydia E. Pinkham's Vegetable Compound has done for me.”—NELLIE B. BRITTINGHAM, 609 Calverton Rd., Baltimore, Md.

It is only natural for any woman to dread the thought of an operation. So many women have been restored to health by this famous remedy, Lydia E. Pinkham's Vegetable Compound, after an operation has been advised that it will pay any woman who suffers from such ailments to consider trying it before submitting to such a trying ordeal.

- Fishing Creek, August 18, 1781.

**Do You Want to Know
Both Sides?**

Swift & Company's 1919 Year Book, just out, tells you

- What Swift & Company's profits were in 1918,
- The truth about the Federal Trade Commission's investigation,
- Why the prices of butter and eggs are so high,
- And many other vital facts.

Whether or not you agree with us after reading this Year Book, you will at least know both sides.

You will find it interesting; Americans like to hear about big things done in a big way.

You will also discover that we are merely human beings like yourself, doing in the best possible way a necessary service.

Legislation is pending in Washington; as a good American citizen you want to know both sides of this question. It concerns you, as well as one of the most important industries in the country.

Do not hesitate to send for a copy of this booklet. Your name and address are all we need.
