

OLD AGE STARTS WITH YOUR KIDNEYS

Science says that old age begins with weakened kidneys and digestive organs. This being true, it is easy to believe that by keeping the kidneys and digestive organs cleansed and in proper working order old age can be deferred and life prolonged far beyond that enjoyed by the average person.

For over 200 years GOLD MEDAL Haarlem Oil has been relieving the weakness and disability due to advancing years. It is a standard old-time home remedy and needs no introduction. GOLD MEDAL Haarlem Oil is enclosed in odorless, tasteless capsules containing about 5 drops each. Take them as you would a pill, with a small

swallow of water. The oil stimulates the kidney action and enables the organs to throw off the poisons which cause premature old age. New life and strength increase as you continue the treatment. When completely restored continue taking a capsule or two each day. GOLD MEDAL Haarlem Oil Capsules will keep you in health and vigor and prevent a return of the disease. Do not wait until old age or disease have settled down for good. Go to your druggist and get a box of GOLD MEDAL Haarlem Oil Capsules. Money refunded if they do not help you. Three sizes. But remember to ask for the original imported GOLD MEDAL brand. In sealed packages.

PAY AND FILE INCOME TAX BEFORE MAR. 15

U. S. Internal Revenue Bureau Gives Warning That Severe Penalties Will Be Enforced.

WOMEN WITHIN LAW'S SCOPE; HOW THEY REPORT INCOME

The Income Tax drive comes to a close on Saturday night, March 15.

All payments and returns due on that date under the provisions of the new Revenue Law must be in the hands of local Internal Revenue Collectors before their offices close that night.

The Income Tax is being collected to meet the war expenses. Every person who shouted and tooted his horn on Armistice Day is now called upon to contribute his share of the cost of winning the war.

The laggards and the dodgers will face severe fines and jail sentences. The Internal Revenue Bureau announces that its officers will check us all up to see that every person who comes within the scope of the Income Tax law did his share.

Where to Pay and File.

Residents of South Carolina are required to make their returns and pay their taxes to Duncan C. Heyward, Collector of Internal Revenue, Columbia, S. C., or to any of his deputy collectors who are now doing free advisory work on Income Tax.

Payments sent by mail should be attached to the returns and should be in the form of check, money order or draft. Cash payments by mail are sent at the taxpayer's risk of loss.

If you are unable to make your return personally because of illness, absence or incapacity an agent or legal representative may make your return.

If there are any doubtful points as to your items of income or allowable deductions you should get in touch at once with a Revenue officer or a banker for advice.

Women Pay Tax.

Women are subject to all the requirements of the Income Tax. Whether single or married, a woman's income from all sources must be considered.

If unmarried or if living apart from her husband she must make her return for 1918 if her net income was \$1,000 or over.

If married and living with her husband her income must be considered with the husband's in determining the liability for a return. Their joint income, less the credits allowed by law, is subject to normal tax. The wife's net income is considered separately in computing any surtax that may be due. Husband and wife file jointly, as a rule. If the husband does not include his wife's income in his return the wife must file a separate return.

Severe Penalties.

The new Revenue Law places severe penalties on a person who fails to make return on time, refuses to make return or renders a fraudulent return. For failure to make return and pay tax on time a fine of not more than \$1,000 is named and 25 per cent of the tax due is added to the assessment. For refusing wilfully to make return or for making a false or fraudulent return there is a fine of not exceeding \$10,000 and imprisonment of not exceeding one year, or both.

Farmers' Income Taxable.

Every farmer and ranchman who had a fair or a good year in 1918 must heed the Income Tax this year. He must consider all his income as taxable. He is entitled to deduct from his gross income all amounts expended in carrying on his farm. The cost of farm machinery, farm buildings and improvements cannot be deducted. The cost of live stock, either for resale or for breeding purposes, is also regarded as investment.

Overtime and Bonuses Taxed.

Salary and wage earners must consider as taxable every item received from employers and from other sources. Bonuses and overtime pay are to be reported as well as the regular payments.

Allowances for Losses.

Losses sustained in 1918 and not covered by insurance are deductible items if incurred in the taxpayer's business or trade, in any transaction undertaken for profit or arising from fire, storm, shipwreck or other casualty or from theft.

A GOOD FRIEND
 A good friend stands by you when in need. Manning people tell how Doan's Kidney Pills have stood the test. W. R. White, of So. Boundary St., Manning, endorsed Doan's ten years ago and again confirms the story. Could you ask for more convincing testimony?
 Mr. White gave the following statement March 19, 1903: "I suffered with kidney trouble for some years. I would have to get up a good deal during the night to pass the kidney secretions which were highly colored and contained a brick-dust like sediment. I suffered constantly with back-aches and there were sharp pains across my loins. My back ached badly and I certainly was in misery. I used Doan's Kidney Pills and they gave me splendid relief, making me feel better in every way."
 NEARLY TEN YEARS LATER on February 15, 1918, Mr. White said: "It is always a pleasure to recommend Doan's Kidney Pills. I found them the only remedy that did me any good; in fact, Doan's cured me of all my trouble."
