

OUR NEW BUILDING IS NOW READY FOR YOU

And your critical inspection of the Labor-saving Machinery that we have filled it up with. Practically every Machine that will be of real service to the Farmer is to be found within its doors. We studied for some time the merits of the many makes of Farm Machinery on the market and came to the conclusion that the ADRIANCE Line was unbeatable. We therefore, secured the Agency for this line and have been handling it for some time. We offer the following list of Labor-Saving Machinery for your serious thought:

Adriance Binders, Adriance Cultivators,
Fertilizer Distributors, Walking Cultivators,
Disc Cultivators, Riding Cultivators

Velvet Bean and Corn Planters,
Cotton and Corn Planters,
Ditching Machines,
Kirstin Stump Pullers.

Each one of these Machines has a specific duty, and and it does it well. We ask you to come in and look over this big Stock of Machinery. We believe it will pay you

HORSES and MULES

We still have a few Horses and Mules in our Stables, and we are going to sell them out cheap. They are all good animals and easily worth the money that we are asking for them.
