PUBLISHED EVERY WEDNESDAY.

WEDNESDAY, APRIL 2, 1919.

When spring comes we all feel the influence of the mild air and sunshine and general renewal of the year.

Our winter garments and furnishings seem worn and heavy and dim, and we long for the fresh spring dress or coat, and trim new pumps or Oxfords, and the new hat that befits the season.

And when we look the house over we see the need of fresh curtains in this room, a new rug in that, a piece of new furniture elsewhere.

Remember that our local dealers have fresh and seasonable stocks to show you. You will be able to thoroughly examine your goods before purchasing, and will have the attendance of people whom you know, who understand your needs and tastes and will give you pleasant and courteous service.

Germany's Bill will cost her forty billion dollars.

Perhaps the senate thought they were inappropriate appropriation bills, and that is why they passed them up.

Spring has come. The birds and the wealthy are migrating from the South and the public at large is buying garden seeds.

It is reported that Mexico and the Central American and South American countries do not especially favor incorporation of the Monroe doctrine in the League of Nations covenant. A pretty sure sign that the incorporation should be made.

If William Hohenzollern years ago had confined himself to sawing wood instead of planning wars, what a difference it would have made to the world at large!

The young woman recalls with feelings of intense patriotism that the government never placed and restrictions on face powder.

Mr. B. B. Breedin returned from Atlanta on Friday. While there he looked for The Pastime Theatre the strongest attractions in the picture business—The Paramount Arterraft and Vitaphone services. These are positively the very best pictures in America and Manning people will have the opportunity of seeing the very same class of shows that are played in the big cities. It is the new management's intention to give nothing but the very best pictures.

Notice of Stockholders Meeting.

Notice is hereby given to all stockholders of the Carolina Stock Farms (Incorporated) that a meeting of the stockholders of said company will be held on Monday, April 21, 1919, at eleven o'clock, A. M., at the banking house of The Bank of Manning in Manning, S. C., for the purpose of authorizing the said company to borrow a sum of money not exceeding Forty Thousand Dollars and to execute and deliver a mortgage or mortgages of the real estate and live stock now or hereafter owned by the said Carolina Stock Farms (Incorporated) in order to secure the said sum to be borrowed.

The term "live stock" above used is meant to include all cattle, mules and goats now owned by said company and those to be hereafter purchased or in any manner acquired by the said company; and the real estate above referred to is the forty-three hundred acres, more or less, of land located near the town of Foreston in Clarendon County, S. IN MISERY FOR YEARS

Mrs. Courtney Tells How She Was Cured by Lydia E. Pinkham's Vegetable Compound.

Oskaloosa, Iowa.—"For years I was simply in misery from a weakness and awful pains—and nothing seemed to do me any good. A friend advised me to take Lydia E. Pinkham's Vegetable Compound. I did so and got relief right away. I can certainly recommend this valuable medicine to other women who suffer, for it has done such good work for me and I know it will help others if they will give it a fair trial."

—Mrs. LIZZIE COURTNEY, 108 8th Ave., West, Oskaloosa, Iowa.

Why will women drag along from day to day, year in and year out, suffering such misery as did Mrs. Courtney, when such letters as this are continually being published. Every woman who suffers from displacements, irregularities, inflammation, ulceration, backache, nervousness, or who is passing through the Change of Life should give this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, a trial. For special advice write Lydia E. Pinkham Medicine Co., Lynn, Mass. The result of its long experience is at your service.

SUMMERTON BUREAU, Continued.

that he jointly with the Atlantic Coast Line install in the station at Wilson Mill an instrument, either telephone or telegraph, whereby patrons of the two roads may obtain information as to the arrival and departure of trains of their respective lines. Also we understand that they have asked that the connections be made by the North Western Railroad unless providentially hindered. This is the main reason why the complaint was lodged with the commissioners, inasmuch as it was almost impossible to get out and into Summerton the same day unless one would drive through in the evening from Manning. The present schedule in effect is as good a schedule as could well be provided for any change in it would delay the mail in and out. However, we are yet at a loss to understand how the commissioners could force the Northwestern to keep a schedule knowing at the same time the present condition of the roadbed and rolling stock owned by the company. We further understand that the commissioners asked that the passenger coaches operated by the Northwestern be put in a sanitary condition and also in the event that freight conditions are so heavy as to retard the schedule, freight cars must be left in siding and passengers and mail continue on schedule and extra freight must be run to relieve the freight congestion. As the present conditions exist there is absolutely no safety in travel over this line when a perfect schedule is to be kept. Further explanation of the matter is to be found in another column.

On last Friday evening, March 28th, at eight o'clock, in the High School Auditorium the debate held sometime ago was repeated before a large crowd of the patrons and friends of the school. The query was "Resolved, that the United States should so amend the constitution that women would have equal rights of suffrage as men." The question was well discussed by both sides, Miss Emory Rogers and Frank Mood upholding the negative while Miss Fairy Pitts and Miss Alma Burgess argued for the affirmative. After a long discussion and much deliberation the judges of the contest announced through Judge Purdy of Sumter a decision in favor of the affirmative. Judges for the contest were Miss Lida Scarborough of Jordan, Judge Purdy and Senator Egan of Sumter. All the speakers in their best well on argument and rebuttal, however, the affirmative having a better hold on the subject in the rebuttal. Along with the debate there were several other selections rendered among which were the reading of jokes, musical talent, etc. All present seemed to enjoy the occasion, much applause being accorded both sides.

NAUSEALSS CALOMEL BEST MEDICINE FOR A LAZY LIVER

Calotabs, the New Kind of Calomel, Does the Work Without the Slightest Unpleasantness or Danger

You have always thought of calomel as the best and surest medicine in the world, but too nauseating for you to take. That was the old-style calomel. Now science has taken the sting out of calomel by removing its unpleasant and dangerous qualities, and has kept all its good liver-cleansing and system-purifying effects. The next time you are bilious or constipated ask for Calotabs, the new nausealess calomel. Sold only in original sealed packages, price thirty-five cents. One tablet at bedtime, with a swallow of water,—that's all. No taste, no griping, no nausea, no salts. You wake up in the morning feeling fine, your liver active, your system purified, and with a hearty appetite for breakfast. Eat what you please—no danger of salivation. Your money back at any drug store if you are not perfectly delighted with Calotabs. —(adv.)
