I have been using "GREEN FLAG" MOTOR OIL for more than a year, and nothing else, and more than that, I'll drive ten miles out of my way if it's necessary, to get it. I found their advertising honest.

Now I'm doing some "honest advertising" for "GREEN FLAG" myself, by telling you boys where you can "get it"—

\$100,000 FUND FOR GREATER CITADEL

Association of Graduates Is to Call on the Alumni

TRIBUTE TO THE HEROES

Board of Visitors Asked to Plant Palmetto Avenue at Greater Citadel

At the annual meeting of the Association of Graduates of the Citadel last night, a movement was launched for the raising of at least \$100,000 among graduates and former cadets in connection with the Greater Citadel at Hampton Park.

This was recommended by the president, Mr. David G. Dwight, in his annual report and had the unanimous endorsement of the executive committee. It was formally presented to the association, after dinner, by Mr. William S. Lee, of Charlotte, and again it was received with much enthusiasm.

Arrangements for the necessary campaign will be undertaken as soon as possible and all graduates and former cadets will be approached through committees. It is believed that the Charleston alumni will give generously.

On motion of en. Moore, Mr. Lee was elected chairman of the alumni campaign and five members of his committee will be announced later.

A pretty tribute was paid Col. Asbury Coward, former superintendent and the oldest living graduate of the Citadel. Col. Coward came to Charleston solely in order to attend the commencement exercises and the annual dinner, and he responded very feelingly to the felicitous tribute, on motion of Col. John D. Frost, the association rose when it voted.

Capt Julius Chesnee Cogswell, of the marine corps, a hero of the Chateau-Thierry Campaign, was also honored by his brother alumni and briefly responded. The motion was made by Major William Cyril O'Driscoll, himself recently returned from overseas with the Thirtieth (Old Hickory) division.

Messrs. Frank G. Eason, F. Barron Grier and Henry E. Raines were elected a committee to advise with the board of visitors with respect to the Greater Citadel buildings. This was done on the invitation of the board.

Resolutions to the memory of the graduates and former cadets who made the supreme sacrifice overseas were passed by a rising unanimous vote, under the chairmanship of Mr. William W. Smoak, saying in part:

"Whereas, any of the most gallant sons of the Citadel, nobly pursuing duty to the flag, all thought of self abandoned, fearless and efficient performance of service, have made the supreme sacrifice, and

"Whereas, we their brother Alumni have learned of their sublime gallantry, therefore, be it

"Resolved that the Association of Graduates of the Citadel, in annual convention assembled, take the feasible method of extolling the illustrious manner in which these Sons of the Citadel—Lieut. Col. R. H. Willis, '08; Capt. James Hill Holmes, Jr., '15; Capt. Julius A. Mood, Jr., '16; Lieut. John Hodges, Jr., '14; Lieut. G. H. Yarborough, '18, and Lieut. A. T. Elmore, '17, have upheld, not alone the loftiest tradition of their Alma Mater, but the very loftiest traditions of their State and Nation, than which there are none higher, and be it further

"Resolved, That the board of visitors be memorialized by the association, in appropriate form and manner, to plant an avenue of palmetto trees at the site of the Greater Citadel as tribute of respect to their memory."

mittee, the Rev. Alex. N. Brunson, in the chair, was adopted as follows: President, David G. Dwight, '90, Charleston; first vice president, William W. Smoak, Walterboro; second vice president, William D. Gilliard, '86, Charleston; third vice president, William S. Lee, Charlotte; treasurer, Thomas P. Lesesne, '01, Charleston; secretary, Samuel L. Reid, '15, Charleston; directors, F. Barron Grier, '90, Greenwood; Richard W. Hutson, '90,

Charleston; J. M. Moorer, '06, Walterboro; Jenkins M. Robertson, '91, Charleston; James Ripley Westmoreland, '00, Spartanburg.

All graduates and former cadets who attended the Citadel before or during the War Between the States were unanimously elected honorary life members.

For the first time, probably, in the country, on motion of Mr. John P. Thomas, the Citadel men who died for

the Confederacy and the Citadel men who died overseas in the war against Germany were read at the same time, the association standing.

The association had one of the busiest meetings in its long career and several important movements were launched. The dinner in the mess hall was arranged by the committee on entertainment, Messrs. E. M. Miller, J. T. Coleman and William D. Gilliard.
