"RACE OF CHILDREN" VICTIMS OF LEADERS

According to Report of Investigating Committee
STARTED BY YOUNG NEGRO
Who Preyed on Ignorance and Superstition of Own Race for Monetary Gain.

Helena, Ark., Oct. 6.—A statement was made today on the recent riots by E. M. Allen, of the committee of seven, authorized by local officers and Governor Brough to investigate the trouble, charging that the affair was an organized negro uprising, fostered by a negro who preyed on "the ignorance and superstition of a race of children for monetary gains."

Mr. Allen, who was one of the leading men marked for death, after hearing confessions, examining circulars and other evidence procured by State and military officers in connection with the work of the committee, issued the following statement to explain what the committee had found to be the situation leading to the killing of five white men and upward of a score of negroes.

Started by Young Negro.

"The present trouble with the negroes in Phillips County is not a race riot. It is a deliberately planned insurrection of negroes against the whites directed by an organization known as the 'Progressive Farmers' and Household Union of America,' established for the purpose

of banding negroes together for the killing of white people. This union was started by Robert L. Hill a negro twenty-six years of age, of Winchester, Ark., who saw in it an opportunity of making easy money. He had been a farmer all his life but lately has been posing as a private detective doing work in this and all foreign countries."

"Hill started his first union work in April of this year," Mr. Allen said. "He told the negroes it was necessary for all members of the union to arm themselves in preparation for the day when they should be called upon to attack their white oppressors."

"Negro men are charged \$1.50 entrance fees and negro women fifty cents," Allen said in his statement.

Sold Shares in Union.

"Another form of extortion was to sell shares of \$10 each to all the negroes in a proposed building to be erected by the union at Winchester, Hill would find out what negroes possessed thrift stamps and liberty bonds and would issue a certificate stating that so many shares had been purchased at \$10 per share and all negroes buying shares in the amount of \$50 or more were told that their names would be engraved in the building. In others, he had so planned his campaign that any negro possessing from fifty cents to \$50 was given an opportunity to invest in something connected with the union.

"Another scheme used by Hill to obtain money was to appoint leading negroes in each lodge as a private and foreign detective furnishing them large nickel plated stars and a 'pair of nickel plated handcuffs for which they paid him \$50 each."

"His meeting at Winchester in August was attended and addressed by white men. He simply played upon the ignorance and superstition of a race of children—most of whom neither read nor write.

PLENTY OF PROOF

From People You Know—From Manning Citizens.

The greatest sceptic can hardly fail to be convinced by evidence like this. It is impossible to produce better proof of merit than the testimony of residents of Manning, of people who can be seen at any time. Read the following case of it:

James E. Reardon, machinist, Manning, gave the following statement January 30, 1911: "Some years ago I used Doan's Kidney Pills and found them a valuable remedy. At that time my kidneys were giving me considerable trouble. I had backaches and pains across my loins. I used Doan's Kidney Pills and they gave me prompt and lasting relief."

AFTER A LAPSE OF SEVEN YEARS, Mr. Reardon said: "You can still use the statement which I gave some time ago praising Doan's Kidney Pills. Doan's certainly are a good remedy for all kinds of kidney trouble."

"I have cross examined and talked to at least one hundred prisoners at Elaine. They belong to different lodges in that section. The stories they tell are almost identical as to the promises and representations made by Hill he even told them that probably some of the negroes would be called upon to die before 'equal rights' would be assured, but they must look upon themselves as crusaders and die if necessary to secure the freedom of the other members of their race.

"All lodges meetings were required to maintain an armed 'outer guard' of six sentinels. Hill's usual expression was 'get your racks filled for the day to come.'"

Negroes Well Fixed.

"As far as oppression is concerned many of the negroes involved own mules, horses, cattle and automobiles and clear money every year on their crops after expenses are paid."

Authorities to day continued their search for Ed Ware, alleged ring leader of a band of twenty insurgents, who is still at large.

Robert L. Hill, named in confessions of prisoners as the leader of the negro organizations, eluded capture in the first roundup of men wanted by civil and military officers. He is believed to have escaped to the cane brakes and a search is in progress by soldiers and deputies, who have warrants.

The VIRTUOLO

The 20th Century Wonder!

Which has the correct flavor, fresh fruits and vegetables from the vine or tree, or the canned stuffs? The common player piano, or "inner player," produces nothing but "canned music," and the better class of the public don't care for it. It hasn't the correct flavor or expression—its mechanical music.

THE VIRTUOLO produces music with a flavor, its not mechanical, or "canned" stuff, its the new instinctive player piano—one can have the real artists' music reproduced in your home with the same touch and expression on the **VIRTUOLO** player. Yes, it can be used as a player or it can be used as a straight piano for children's practice.

Twenty years ago, Theodore Brown had an idea of the player piano. He perfected his idea and produced the first player, which was great at that time. Ten years later he planned a player without the "canned" music. After working eight years, behold the **VIRTUOLO**, the new instinctive player, not the "canned" music, but music with a flavor. Now see how many imitations of the **VIRTUOLO**—with solos, Trios, duos and trios, but the **VIRTUOLO** is the original, its Theodore Brown's own and only virtuous child—he is the "Daddy" of all players, but the **VIRTUOLO** is his **PET**, its his latest invention. This **VIRTUOLO** is installed only in Hallet & Davis and Conway pianos—Boston's leading pianos.

This **VIRTUOLO** is indestructible, its simple, its made by the Simplex Player Action Co., and controlled by Hallet & Davis Piano Co. The factory prices on **VIRTUOLO**s are from \$495 to \$850 and \$1,050 for one run electrically. If you have a Hallet & Davis, Conway or some other good make piano, you can trade it in on a **VIRTUOLO** at almost the full price paid, and you can have good terms on the difference if you want. Do not trade your good piano for the ordinary "canned" music kind of player when you can get the new **VIRTUOLO** that produces music with a correct flavor or expression at Factory Prices. To convince you of the virtuous features of the **VIRTUOLO**, you can have one demonstrated in your home at the factory's expense.

Its strange how easy good people are fooled or talked into buying an old style mechanical music producing player piano and pay music house big profits when the same party would get insulted were one to even show them a last year's style hat or dress.

Here is what the 1918 piano and organ purchasers guide says of the **Virtuolo**:

"The **Virtuolo** is the new instinctive player, this **Virtuolo** is one of the most important productions ever produced, great interest is aroused throughout the musical world in this player, as while comparatively simple in construction, it makes the player seem almost human. So positively does this **Virtuolo** feature work that it does not seem possible to improve on the naturalness of effect. This player has aroused unusual interest among musicians and musical people everywhere."
