raenose or boll rot is worse in this variety than in any other.

Dixie Triumph is the earliest and highest yielding wilt-resistant variety tested and can be recommended for wilt-infested land. Dixie has also made good yields on wilt-infested land, but it is not as early as Dixie Triumph.

Among long staple varieties Webber 49 and Webber 82 are the earliest tested. Webber 49 fruits and matures a little earlier than Deber 82. Both are well adapted to the state where wilt does not occur, as they fruit practically as early as the short staples and frequently yield as much seed cotton per acre.

Seed of any of the above varieties can be obtained from breeders in the state who, for several years, have been selecting and breeding for earliness. The extension service of Clemson college with furnish farmers with a list of the best sources of seed in the state upon application.

ADMIRALTY HAS NO INFORMATION

London, Oct. 17.—Confirmation of the reports that British naval forces have captured the fortress of Kronstait on the Gulf of Finland west of Petrograd were not received at the admiralty here and the report is not credited, it being said the British have only light cruisers in the vicinity incapable of challenging the fortress. Admiralty officials state there was no reason for the British attack.

The Bank Behind The Farmer

The Farmer who is without the backing and support of a strong bank, is treading upon dangerous ground.

The business of farming is, at times, precarious; and no farmer can afford to be without the protection that is afforded by a friendly connection with a helpful bank.

Open an account with us; handle your business through this bank, and establish the credit you may later need.

Let 'Em Know Through The Time

CHANDLER-BOOTH

Sumter, Oct. 18.—A marriage which was of unusual interest to the people of Sumter and of South Carolina because of the popularity of the young couple was that of Miss Mable C. Booth and Mr. Frank W. Chandler, which was solemnized at the First Presbyterian Church on Tuesday evening, October 14, at 8:30 o'clock. The ceremony was performed by Rev. J. P. Marion, pastor of the First Presbyterian church, assisted by Dr. R. S. Truesdale of Columbia, S. C.

The church was beautifully decorated in white and green with a profusion of yellow chrysanthemums. Before the ceremony Mr. W. B. Jackson sang "Call Me Thine Own," accompanied by Mrs. Alston J. Stubbs on the organ, and Mr. Julius Alfred Stubbs on the violin.

The bridal party entered the church to the strains of Lohengrin's wedding march, played very softly and sweetly by Mrs. Alston J. Stubbs on the organ, accompanied by Mr. Julius Alfred Stubbs on the violin. The bridal party entered the church in the following order: First, Master Leon Galloway, nephew of the groom, and Master George Warren, Jr., who opened the robes. Ushers: Messrs. Julius R. Chandler, brother of the groom; S. L. Roidley, Edwin W. Boyle and J. P. Booth, Jr., brother of the bride. The bridesmaids and groomsmen were Miss Mable J. Chandler, sister of the groom, gowned in yellow silk net over both of gold, carrying yellow chrysanthemums, with Mr. Jesse R. Spratt, of Manning; Miss Katharine Mims, of Edgefield, dressed in lavender silk net over cloth of gold, carrying lavender chrysanthemums, with Mr. Joseph S. Chandler, brother of the groom; Miss Genevieve Boyd, of Holy Hill, in lavender silk net over cloth of silver, dressed in pink ostrich, carrying lavender chrysanthemums, with Mr. Alvin Burns; Miss Annie Laurie Booth sister of the bride, in yellow silk net over cloth of gold, carrying yellow chrysanthemums, with Mr. W. P. Jackson; Miss Mary Ada Booth, sister of the bride, in lavender silk net over cloth of silver, trimmed with silver braid, carrying lavender chrysanthemums, with Mr. S. R. Spratt, of Manning; Miss Esther Brower, of Columbia, in yellow silk net over cloth of gold, carrying yellow chrysanthemums, with Mr. Irvine Richardson. Next came the maid of honor, Miss Mary Haynsworth, gowned in pink tulle en traine, carrying lavender chrysanthemums. The games of honor were Mrs. J. P. Booth, Jr., and Mrs. E. C. Forrester, wearing their wedding dresses.

The ring-bearer, little Ladson Boyle bearing the ring in the heart of a golden chrysanthemum, entered with little Virginia Moses, who was daintily dressed in pink tulle and carried a basket of flowers which she scattered in the aisle.

The bride, a lovely brunette entered on the arm of her father, Mr. J. P. Booth. She was beautifully gowned in white satin with court train and pearl trimmings and carried a bouquet of bride's roses and orchids. Her veil

was becomingly arranged with a wreath of orange blossoms. Her only ornament was a necklace of pearls, the gift of the groom.

The groom entered with his uncle, Mr. Joseph M. Chandler, and met the bride at the altar.

After the ceremony the bridal party left the church to the strains of Mendelssohn's wedding march.

After the wedding a reception was given at the home of the bride for the bridal party and the immediate family of the bride and groom. The house was tastefully decorated in chrysanthemums and cut flowers. The young couple were the recipients of many handsome and useful presents.

During the reception the bride and groom slipped away from their friends and went in an automobile to Columbia. From there they expected to leave the following day for Northern points.

The bride is the eldest daughter of Mr. and Mrs. J. P. Booth. She is a graduate of Winthrop College and was prominent in Red Cross work during the war.

The groom is one of Sumter's most popular young business men, being associated in the clothing business with his uncle, Mr. Joseph M. Chandler.

Mr. and Mrs. Chandler will be at home to their friends after the honeymoon at the home of the bride's parents until their home on Harby avenue is completed.

RURAL CARRIER EXAMINATION

The United States Civil Service Commission has announced an examination for the County of Clarendon, S. C., to be held at Alcolu and Gable on November 6, 1919 to fill the position of rural carrier at and vacancies that may later occur on rural routes from other post offices in the above-mentioned county. The examination will be open only to male citizens who are actually domiciled in the territory of a post office in the county and who meet the other requirements set forth in Form No. 1977. This form and application blanks may be obtained from the offices mentioned above or from the United States Civil Service Commission at Washington, D. C. Applications should be forwarded to the Commission at Washington at the earliest practicable date.

Admission of women to this examination will be limited to the widows of U. S. soldiers, sailors, or marines, and to the wives of U. S. soldiers, sailors, or marines who are physically disqualified for examination by reason of injuries received in the line of duty.

SHOULD SAVE SUGAR

If you are wise you will not use your last bit of sugar trusting to get more when the present supply is gone, but will avoid the possibility of totally sugarless days by making your small supply go as far as possible. This is the advice of home economics specialists in the United States department of agriculture.

Turn to your war conservation cook

books and refresh your memory on ways to use the sugar substitutes. You will find many recipes for cakes, but most of them were built to save wheat as well as sugar. We have this cause for rejoicing at least; though we must cut down our use of sugar we still have wheat for cake making and our old standbys in time of sugar stringency, molasses, corn sirup, and honey, are still procurable.

The cakes made with sirup are not just like those made with sugar. In most cases they are less sweet. They do fill an emergency need for cake, however. The following recipes use but little:

Chocolate Cake.

One-fourth cup fat. Three tablespoons sugar (brown or white.) Two eggs. One cup corn sirup. Two squares malted chocolate. One-half cup milk. One teaspoon vanilla. One and one-half cups wheat flour. Three teaspoons baking powder. One-fourth teaspoon salt.

Cream the fat and sugar, add the egg yolks, sirup and melted chocolate, and beat well. Sift the dry ingredients together and add alternately with the milk. All vanilla and fold in the stiffly beaten whites. Bakes in loaf or layers in a moderate oven.

For frosting—cook one-half cup corn sirup until it forms a long thread when dropped from a spoon. Pour over the stiffly beaten whites of two eggs and beat until thick enough to spread.

NAMES BEST VARIETIES

To help lessen the damage from the boll weevil, now advancing so rapidly in South Carolina, the extension service of Clemson college has tested during the last three years about 20 of the best varieties of cotton with reference to early fruiting and early maturing. The experiments were conducted in Edgefield, Aiken, Barnwell, Hampton, Beaufort and Charleston counties to determine the varieties best suited to beat the boll weevil.

From the results so far obtained and from observation as to fruiting and growth, says E. E. Hall, expert in cotton breeding, the short staple varieties to be recommended for South Carolina, conditions are Cleveland, Cook, Dixie Triumph and Dixie.

On land free from wilt Cleveland Big Boll has given the best average results, and this is considered one of the best varieties for South Carolina, if land is entirely free of wilt.

Cook ranks among the highest yielding varieties in the state, but is not as generally grown, because anth-

A FALL SHOWING

That Makes Selection EASY and Shopping a Pleasure

Fresh and new from the hands of the master designers, our stocks of Coats, Suits and Dresses are overflowing with the very latest in models and materials for fall wear.

DRESSES

A large selection of materials of Serges, Jerseys, Charmouse; Tricolettes, Paulettes, Satins, Tricotines and Crepe de Chine.
