Another remarkable offering of

Wirthmor Silk Blouses

---that again evidences the marked superiority of our Blouse values

Our Blouse buying connections are such that we are able to repeatedly offer such very remarkable and out-of-the-ordinary values as to convincingly prove the economies and advantages of coming here to gratify your every Blouse need.

This new offering of WIRTHMOR SILK BLOUSES demonstrated most forcefully the decided pre-eminence of our Blouse values; and the very great savings that we are able to effect for our patrons through certain fortunate sources of supply.

The materials out of which these Blouses are fashioned have advanced from 75 to 100% in excess over the price paid many months ago, and the selling price to us, and in turn to you is based on the original cost of the fabrics.

With the makers of WIRTHMOR BLOUSES, as well as with the public spirited stores wherein these Blouses are sold, price advances despite market conditions are never made until they are inevitable. It is because of this policy, and the fact that the WIRTHMOR plan makes possible at all times values that are truly superior, that we take a genuine pride in the EXCLUSIVE sale of these deservedly-popular Blouses.

Your choice of eight attractive new styles. Priced at just \$5.00
