

# THE NEW 1920 HAYNES

## Possesses Four Vital Factors

### THE HAYNES TOURING CAR

Will never lose its hold upon the favor of the Car-using public, and the new 1920 Haynes making an especial appeal to every one who wishes a car that is wholly desirable.

The four factors of car-character--beauty, strength, power and comfort--are deftly combined in the new 1920 Haynes. Its motor of velvety power, its extra strong frame, its well engineered balance, these features underline the constant sense of security and comfort in the Haynes.

The thoughtfully placed refinements and conveniences add to the essential character value of the car. It is the touring car naturally expected of the builders of America's first car, of an organization with the spirit and principles established through twenty-six years of successful automobile manufacturing.

We advise prompt selection of the new Haynes you wish to own. In every way consistent with maintaining the character of the Haynes, we are expediting deliveries.
