

We Are Headquarters for Nitrate of Soda

in quantities from ten tons and upwards. We have sold during the past ten days a large tonnage of this material, and while prices have advanced during the past week it is still cheap compared with other ammoniates. Get our prices before you buy.

MANNING OIL MILL.

STOP IN

and look over what we have to show you in our line next time you come to town. It may be you are not in the market just now for what we have for sale, but would give us the privilege and pleasure of showing you thru anyway. We will show you only such goods as will give you service. Prices and terms always in line. Stop with us when in town.

Our Engineering Department is at your disposal, at no cost to you.

If you are interested, and you should be, let us know and our Representative will call and see you.

DIXIE ELECTRIC AND PLUMBING CO.

ATTEND THE INTERNATIONAL LIVE STOCK EXHIBIT

Clemson College, S. C., November 11, 1919.

Dear Sir:—

The Agricultural Extension Service, Clemson College, S. C., is again inviting South Carolina farmers to attend the International Livestock Show Chicago, Illinois, this year. The show will be held November 29th to December 6th inclusive. Two special pullman cars of 49 farmers made the trip last year and a large number of them are going again this year. If we get 125 farmers or persons to go this year, we will get a special train consisting of five cars and handled by a special train crew.

The cotton boll weevil is now over a large part of South Carolina; our farmers must necessarily raise more livestock. It will pay you to spend a few dollars and see the biggest livestock show in the United States and the biggest livestock market.

The South Carolina party will leave Columbia, S. C., at one o'clock p. m. Saturday, November 29th, on the Carolina Special and arrive Lexington, Ky., 8:45 a. m. on the 30th. Here will be seen some of the finest farm lands in the world. The party will have an opportunity to visit the Hereford herds of Col. E. H. Taylor, Jr., and Senator J. N. Camden. No better Herefords or equipment for handling a registered herd of cattle may be seen in the United States. Here also may be seen Walnut Hall Stock Farm importers and breeders of Hampshire sheep and also the splendid herds of Duroc Jersey hogs belonging to Mayfield Farms, Coldstream Farms, and McKee Bros. The party last year saw Mayfield Farms and Coldstream Farm. Those who saw these will have an opportunity to visit other points.

The party leaves Lexington, Ky., at 6:40 p. m. on the 30th and arrives at LaFayette, Ind., on the morning of Monday the 1st of December. Here an opportunity will be given to visit Purdue University, College of Agriculture of Indiana and to visit Jess C. Andrews' famous Shorthorn cattle and Shropshire sheep farms and the Hereford herd belonging to J. Crouch and Son.

The party will proceed to Chicago in the evening of Monday, December, and arrive in Chicago in plenty of time to see the judgment of the exhibits which begins on Tuesday.

We will make necessary pullman reservation and buy tickets for the entire party as it was handled last year and to this end we ask that you send us your check for \$50.00 so that this may be looked after in time. The fare one way including pullman from Columbia is \$33.69. Those who join the party in Columbia from the lower part of the State should buy their tickets to Columbia, and those who join the party above Columbia should write Mr. V. W. Lewis, Columbia, S. C., care Jefferson Hotel, at the time the check is sent stating where he will join the party.

In addition to the tickets one way, there will be some necessary incidental expenses that will be taken care of out of the \$50.00 that is sent in. An itemized statement covering the railroad fare, pullman fare and other expenses necessary to travel en route to Chicago will be sent each party who makes the trip, and the remainder of the \$50.00, if any, returned to each member of the party making the trip. The necessary expenses for the entire trip will be approximately \$150.00.

We will make hotel reservations for you and look after the details of the trip for you. The ladies are not excluded from this trip and we shall be glad to see the men take their wives. We shall have special pullman accommodations and use the same pullman cars for the entire trip to Chicago, side-tracking the cars at Lexington, Ky., and LaFayette, Ind.

If you will make this trip send in your \$50.00 to Mr. V. W. Lewis, care of Jefferson Hotel, Columbia, S. C., at once. Mr. Lewis will be in Columbia the entire week preceeding the date of departure.

Very truly yours,
V. W. Lewis,
W. J. Sheely,
Extension Animal Husbandman.

ADVERTISE IN THE TIMES

MONEY MAKES MONEY!

NEARLY every self made man in the United States started in life at the bottom of the ladder by BEGINNING TO SAVE MONEY WHEN YOUNG. Year after year he added to his savings. In time his opportunity came, and HE HAD THE NECESSARY MONEY WITH WHICH TO SWING IT, because he had SAVED HIS SURPLUS.

Any young man in this town or community can do the same. Deposit your money in this bank each week. We will SAVE IT FOR YOU, and some day YOUR opportunity will come, and you Will have the money with which to swing it.

Be a self made man. What others have done, you can do. The brains of the country are not all centered in the men who have already achieved success.
