**OUR THANKS**

A year of unexampled prosperity has produced in our hearts a feeling of profound thankfulness to the citizens of Manning and surrounding territory, and we know of no more fitting time to express our appreciation than now. We extend to our good citizens and customers our sincere thanks for their generous patronage during the past year. We trust that each one will enjoy a merry Christmas, and we bespeak for you many happy and prosperous years to come. Life is too short to feel anything but good will to all people, and our home citizens are deserving of a full measure. We offer it to you in all sincerity.

**FORGIVE AND FORGET**

One thousand nine hundred and nineteen years ago a child was born, of a virgin mother.

Throughout the years which have flown since this memorable event we have celebrated the birth of that child.

The halo which surrounded its little head has remained fixed in our memories through all the centuries of time, and will continue to be with us until time ceases to be.

This child was the Christ—the son of God—who, as a man, was nailed to the cross, and forgave his enemies who crucified him there.

Another year is drawing to a close, and the lessons learned from this good man are again brought forcibly to our minds at the Yuletide season of our rejoicing.

As Christ forgave his enemies, so let us forgive ours, and forget the injustices which they have done us.

The harboring of ill will does good to no one. It may do harm to many. But the greatest harm of all is that which springs from a mind of hate and poisons the heart in which it finds lodgment.

It kills the joy of life and fills the road to eternity with impassable barriers, beyond which only the fit in mind and heart may go.

At the Christmas of 1919 let us all forgive and forget, and begin the new year with joy in our hearts and good will toward all people.

For Christ was the teacher of teachers, and his lessons are indelibly stamped upon the pages of time.

**KIDNEYS WEAKENING?**

**LOOK OUT!**

Kidney troubles don't disappear of themselves. They grow slowly but steadily, undermining health with deadly certainty, until you fall a victim to incurable disease. Stop your troubles while there is time. Don't wait until little pains become big aches. Don't trifle with disease. To avoid future suffering begin treatment with GOLD MEDAL Haarlem Oil Capsules now. Take three or four every day until you are entirely free from pain.

The housewife of Holland would almost as soon be without food as without her "Real Dutch Drops," as she quaintly calls GOLD MEDAL Haarlem Oil Capsules. They restore strength and are responsible in a great measure for the sturdy, robust health of the Hollanders.

Do not delay. Go to your druggist and insist on his supplying you with GOLD MEDAL Haarlem Oil Capsules. Take them as directed, and if you are not satisfied with results your druggist will gladly refund your money. Look for the name GOLD MEDAL on the box and accept no other. In sealed boxes, three sizes.

This well-known preparation has been one of the national remedies of Holland for centuries. In 1896 the government of the Netherlands granted a special charter authorizing its preparation and sale.

**COULD HARDLY STAND ALONE**

**Terrible Suffering From Headache, Sideache, Backache, and Weakness, Relieved by Cardui, Says This Texas Lady.**

Gonzales, Tex.—Mrs. Minnie Philpot, of this place, writes: "Five years ago I was taken with a pain in my left side. It was right under my left rib. It would commence with an aching and extend up into my left shoulder and on down into my back. By that time the pain would be so severe I would have to take to bed, and suffered usually about three days... I suffered this way for three years, and got to be a mere skeleton and was so weak I could hardly stand alone. Was not able to go anywhere and had to let my house work go... I suffered awful with a pain in my back and I had the headache all the time. I just was unable to do a thing. My life was a misery, my stomach got in an awful condition, caused from taking so much medicine. I suffered so much pain. I had just about given up all hopes of our getting anything to help me.

One day a Birthday Almanac was thrown in my yard. After reading its testimonials I decided to try Cardui, and am so thankful that I did, for I began to improve when on the second bottle... I am now a well woman and feeling fine and the cure has been permanent for it has been two years since my awful bad health. I will always praise and recommend Cardui." Try Cardui today. E 78
