

# SUMMER CLEARANCE SALE!

In pursuance to our regular policy that we will not carry over any surplus stock from one season to another, and also to clear our shelves for our Fall and Winter Stock, which will begin to arrive in another month, we are going to put on our Annual Summer Clearance Sale of our \$100,000 Stock of

## Men's and Ladies' Ready-to-Wear, Dry Goods, Shoes, Furnishings and Millinery.

As you well know the Geo. Joseph Department Store carries nothing but the very highest grade of materials in all their lines and this stock is all fresh, clean and seasonable. While it may seem unbusinesslike to inaugurate a sale of this magnitude during the height of the season, still we must have the room. We have bought very heavy for the Fall and Winter trade and the Summer goods must move and move at once. To do this we will begin our SUMMER CLEARANCE SALE.
